

CENTRAL HEALTH

# Central Health – Safety Net Health Care Delivery Context

**Austin City Council – Policy Workshop  
March 30, 2015**

**Patricia Young Brown, President & CEO, Central Health**

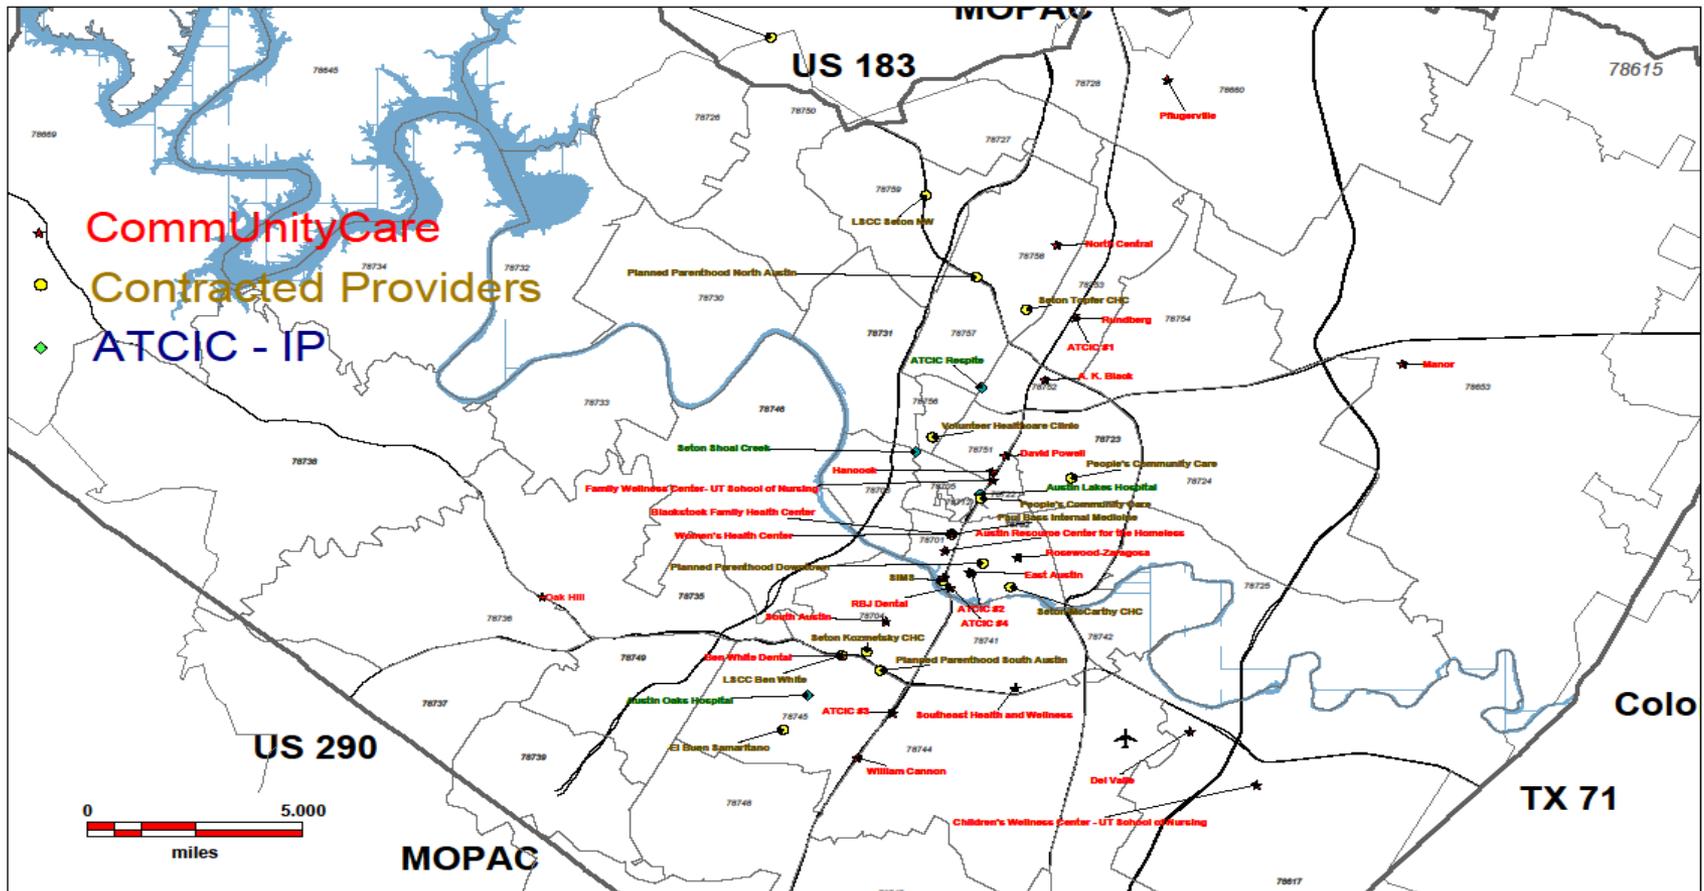

# History of Healthcare Delivery

- Before Central Health
  - Hospital – City of Austin and then - Seton
  - Clinics – City and County
- Central Health and Community Partners

# Our Provider Network

# The Affordability Solution

- The 1115 Waiver - Delivery System Reform Incentive Payment (DSRIP) transformation projects
- Community Care Collaborative
- Central Health Southeast Health & Wellness Center

# Partners in Health

City of Austin Health & Human Services Department, Travis County Health & Human Services & Veterans Services and Central Health have expanded our working relationships to:

- Plan together
- Share public data
- Align goals & activities specific to critical health indicators and social determinants of health
- Explore new models of program scaling and financing such as Pay for Success
