

ENVIRONMENTAL BOARD MOTION 20150107 005b

Date: January 7, 2015

Subject: 901 River Road, SP-2014-0181D

Motion By: James Schissler

Second By: Brian Smith

RATIONALE:

Whereas, the applicant has completed an assessment showing improvements to riparian function based on the fill.

Therefore, the Environmental Board recommends approval of the request to place fill in Lake Austin.
