On March 27, 2015, Staff contacted the Applicant and learned that they are in the process of analyzing information received from the survey they sent to the surrounding neighborhood residents. The Applicant is currently working on producing necessary documentation to accompany the PUD update and expects to formally submit to the City of Austin within the next month.

As a follow up to Commissioner Sean Compton's question at the February 17, 2015 briefing, the Applicant reports that there is 429,004 sq. ft. of existing conditioned space.
