CITY OF AUSTIN
APPLICATION TO BOARD OF ADJUSTMENT
GENERAL VARIANCE/PARKING VARIANCE

WARNING: Filing of this appeal stops all affected construction activity.

PLEASE: APPLICATION MUST BE TYPED WITH ALL REQUESTED
INFORMATION COMPLETED.

STREET ADDRESS: 5001 Evans Ave. and 5000 Martin Avenue

LEGAL DESCRIPTION: Subdivision – The Highlands

Lot(s) 1-7 & S/2 lot 8; 27-32 Block 6 Outlot Division

I/We Nikelle Meade, Husch Blackwell on behalf of myself/ourselves as authorized agent for
The Griffin School affirm that on March 25, 2015,

hereby apply for a hearing before the Board of Adjustment for consideration to:

(check appropriate items below and state what portion of the Land Development
Code you are seeking a variance from)

___ ERECT ___ ATTACH ___ COMPLETE X REMODEL ___ MAINTAIN

The applicant is seeking a variance from the min. street paved width requirement of Section
25-2-832(1) in order to remodel an existing Private Secondary Educational Facility and to increase
the maximum number of students permitted from 68 (imposed by the Board of Adjustment on
August 9, 2010; Case Nos. C15-2010-0075 and C15-2010-0076) to 125.

in a SF-3-NCCD-NP district.
(zoning district)

NOTE: The Board must determine the existence of, sufficiency of and weight of evidence
supporting the findings described below. Therefore, you must complete each of the applicable
Findings Statements as part of your application. Failure to do so may result in your application
being rejected as incomplete. Please attach any additional support documents.

VARIANCE FINDINGS: I contend that my entitlement to the requested variance is based on the following findings (see page 5 of application for explanation of findings):

REASONABLE USE:

1. The zoning regulations applicable to the property do not allow for a reasonable use because:

The school cannot be remodeled without a variance. The school must be expanded in order to meet the needs of local students and to serve more families in the area. It is no longer viable for the school to only serve 68 students.

HARDSHIP:

2. (a) The hardship for which the variance is requested is unique to the property in that:

The property has frontage on three streets and an alley, none of which has 40 feet of paving width. The 68 student limit is a unique limitation imposed by the BOA, and is not typical of other school properties.

- (b) The hardship is not general to the area in which the property is located because:

This code provision only applies to private schools and the Griffin School is the only private school in the area. The 68 student limit was a unique requirement implemented by the BOA.

AREA CHARACTER:

3. The variance will not alter the character of the area adjacent to the property, will not impair the use of adjacent conforming property, and will not impair the purpose of the regulations of the zoning district in which the property is located because:

The property is already being used as a private school, and allowing more students to enroll will be a benefit to the community. There is ample frontage and access along all three streets to mitigate traffic issues caused by the width of the street.

PARKING: (Additional criteria for parking variances only.)

Request for a parking variance requires the Board to make additional findings. The Board may grant a variance to a regulation prescribed Section 479 of Chapter 25-6 with respect to the number of off-street parking spaces or loading facilities required if it makes findings of fact that the following additional circumstances also apply:

1. Neither present nor anticipated future traffic volumes generated by the use of the site or the uses of sites in the vicinity reasonable require strict or literal interpretation and enforcement of the specific regulation because:

2. The granting of this variance will not result in the parking or loading of vehicles on public streets in such a manner as to interfere with the free flow of traffic of the streets because:

3. The granting of this variance will not create a safety hazard or any other condition inconsistent with the objectives of this Ordinance because:

4. The variance will run with the use or uses to which it pertains and shall not run with the site because:

NOTE: The Board cannot grant a variance that would provide the applicant with a special privilege not enjoyed by others similarly situated or potentially similarly situated.

APPLICANT CERTIFICATE – I affirm that my statements contained in the complete application are true and correct to the best of my knowledge and belief.
