Support Letters Volume 1

DAVID CHAPEL

Date: June 3, 2015

To: Chair and Members
City of Austin Planning Commission

Re: Support of Greater Mt. Zion Baptist Church's Termination of Restrictive Covenant

It is my understanding that the Greater Mt. Zion Baptist Church of Austin has made application for the termination of a restrictive covenant on the church's property at 1801 Pennsylvania Avenue. Accordingly, this letter is written in support of that application, which I understand is on your June 9th agenda.

Greater Mt. Zion Baptist Church has been a decades-long loyal neighbor and an important cornerstone of East Austin's spiritual foundation for over 80 years. The church's substantial contribution and attraction to our community and members have resulted in significant growth, leading to the outgrowth of its current facilities at 1801 Pennsylvania Avenue. They are building a new and expanded sanctuary on Tannehill Lane in East Austin to continue its community mission, "In The City For The City." The termination of the restrictive covenant will provide the church more flexibility with marketing its property.

I urge you to fully support and approve Greater Mt. Zion Baptist Church's application to terminate the restrictive covenant.

Thank you for your consideration of this important request.

Sincerely,

Pastor Joseph C. Parker, Jr., Esq., D. Min.

**Re: Great Mount Zion Baptist Church
Termination of Zoning Restrictive Covenant**

This is to inform you that we have done business from our Office with Greater Mount Zion Baptist Church for several years. We are please to report that all business have been conducted in a highly satisfactory manner.

Greater. Mount Zion Baptist Church has provided continuous quality services in the community for many years. We regret that the move has to be made from the community but recognize that growth of the church and the space needed to better serve its membership cause for the move.

We are in agreement and support the church to terminate the Zoning Restrictive Covenant on the church's property at 1801 Pennsylvania Avenue to provide assistance in marketing.

Zion Baptist Church has been a loyal neighbor and an important cornerstone of East Austin's spiritual foundation for over 80 years.

The Church has outgrown its current facilities and is building a new and expanded sanctuary on Tannehill Lane in East Austin to continue its community mission "In The City For The City". The termination of the Restrictive Covenant will provide the Church more flexibility with marketing its property.

I urge you to fully support Greater Mt Zion Baptist Church's application to terminate the Restrictive Covenant. The application is on the agenda for the upcoming June 9th planning commission meeting.

Again, thank you in advance for your time and consideration for this important request.

Sincerely,
