Related Items:	Budget amendment launched by Austin Water Utility Executive session item launched by Law Department
----------------	--

Additional Backup Information

The settlement agreement will resolve all claims against the City on this project. In addition, the agreement will allow subcontractors to be paid amounts withheld under the contract and will provide for final completion of the Project under the construction manager at risk agreement. Under the settlement agreement, the City will fund \$4,644,753 above the current Construction Cost Limitation previously approved by council.
