**Additional Backup Information**

In order to modify or alter the existing speed limit of a street, the Texas Traffic Laws require that a traffic engineering investigation be performed. An investigation of West Slaughter Lane was conducted by the Traffic Engineering Division of the Austin Transportation Department in accordance with the procedures specified in the Texas Procedures for Establishing Speed Zones, 2006. The Traffic Engineering Division recommends adding the following to the City Code Section 12-4-64 (D) Table of Speed Limits:

- Amendments to Code Section 12-4-64 (D) (Table of Speed Limits):**
- Amend:** Slaughter Lane (West) from Brasher Drive to Escarpment Boulevard (~~Loop 1 (MoPac Expressway)~~)(South) (45 mph).
  - Amend:** Slaughter Lane (West) from Escarpment Loop 1 (MoPac Expressway) (South) to F.M. 1826. (50 MPH).
