Additional Backup Information

In order to modify or alter the existing speed limit of a street, the Texas Traffic Laws require that a traffic engineering investigation be performed. An investigation of Escarpment Boulevard was conducted by the Traffic Engineering Division of the Austin Transportation Department in accordance with the procedures specified in the Texas Procedures for Establishing Speed Zones, 2006. The Traffic Engineering Division recommends adding the following to the City Code Section 12-4-64 (D) Table of Speed Limits:

Amendment to Code Section 12-4-64 (D) (Table of Speed Limits)

Add: Escarpment Boulevard from SH 45 to its terminus south of SH45. (35 MPH)
