

PUBLIC HEARING INFORMATION

Although applicants and/or their agent(s) are expected to attend a public hearing, you are not required to attend. However, if you do attend, you have the opportunity to speak FOR or AGAINST the proposed development or change. You may also contact a neighborhood or environmental organization that has expressed an interest in an application affecting your neighborhood.

During a public hearing, the council may postpone or continue an application's hearing to a later date, or recommend approval or denial of the application. If the council announces a specific date and time for a postponement or continuation that is not later than 60 days from the announcement, no further notice is required.

An interested party is defined as a person who is the applicant or record owner of the subject property, or who communicates an interest to a board or commission by:

- delivering a written statement to the board or commission before or during the public hearing that generally identifies the issues of concern (*it may be delivered to the contact listed on a notice*); or
- appearing and speaking for the record at the public hearing; and:

- is the record owner of property within 300 feet of the subject property or proposed development; or
- is an officer of an environmental or neighborhood organization that has an interest in or whose declared boundaries are within 300 feet of the subject property or proposed development.
