David Goujon

Title: *Las Piñatas*

Budget: \$ \$9,961.

Location: Edward Rendon Sr. Park

District: 3

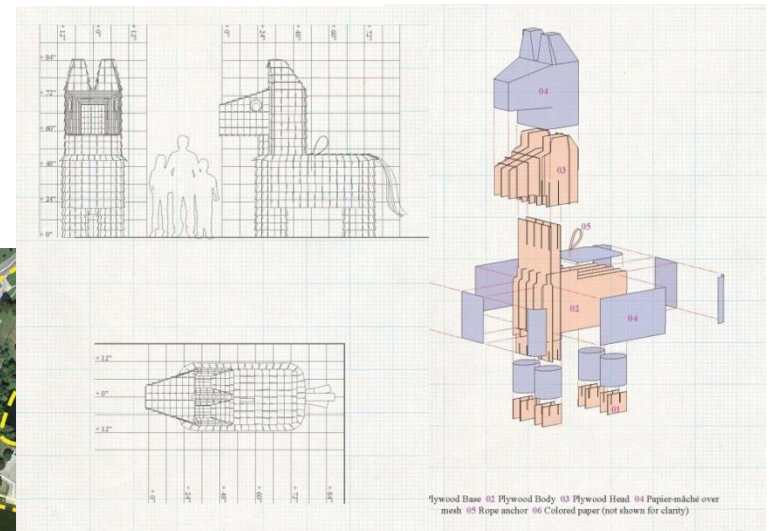

Duration: October 9 – November 22, 2015

Materials: concrete, plywood, weather barrier wrap, colored paper

Size: Three figures at 4' w x 8' d x 10' h

Description: During National Hispanic Heritage month in October, visitors will discover a herd of massive piñata burros grazing in a field in east Austin. The project will also be a registered site for East Austin Studio Tours.

Concept: In response to the Lejarazu family having their piñata store, *Jumpolin*, razed to the ground with their personal belongings and merchandise inside in February 2015, every act of creation begins as a form of destruction and every city will see parts of itself die as it grows and expands.

Yareth Fernandez

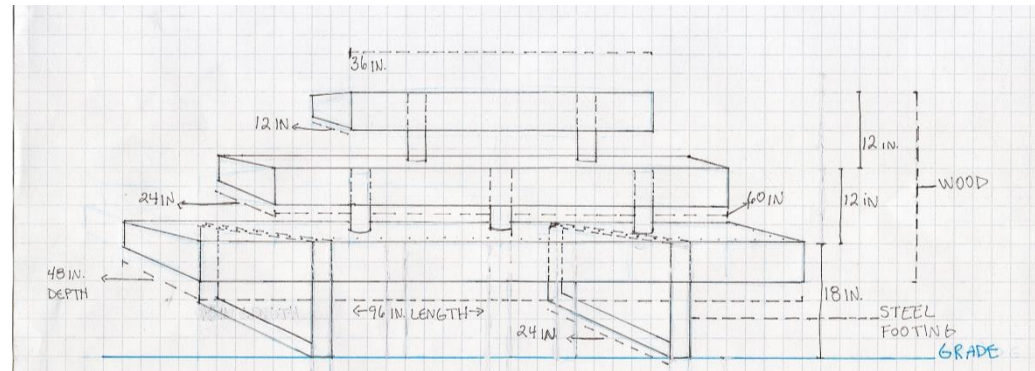

Budget: \$8,538.

Location: Bull Creek District Park Trailhead
District: 10

Materials: plywood, Douglas Fir wood, screws, paint, wood stain, steel

Description: Three multi-layered abstract geometric flat shapes inspired by the limestone in a group of bench-like forms inspired by the limestone beds along Bull Creek.

Concept: Engage the community to contemporary artwork in a natural manner with a consciousness of exploration and discovery experienced in the park and provide a sense of community like the massive limestone rocks found in this park.

Title: Memorial

Budget: \$10,000.

Location: Convict Hill Quarry Park

District: 8

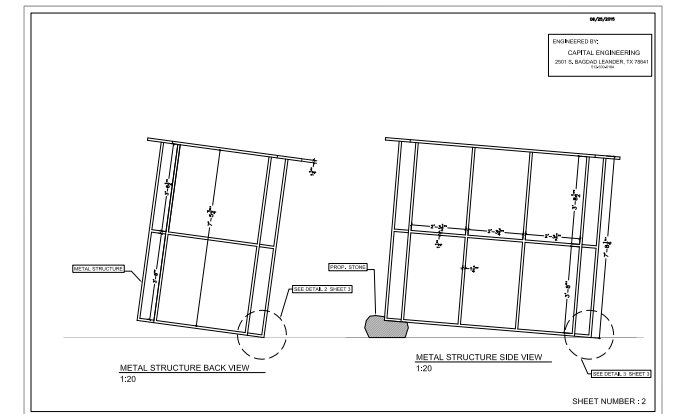

Duration: August 17, 2015 - January 18, 2016

Materials: steel and limestone

Size: 6' 5" w x 9' 9" d x 8' h

Description: A skeletal structure resembles a small jail cell mounted onto a medium sized limestone rock.

Concept: An architectural folly of a typical jail cell noting the eight convicts died while quarrying the site to supply limestone rock for the State Capitol building.

Title: *Sky Lines*

Budget: \$ 10,000.

Location: Boggy Creek Greenbelt Park

District: 1

Duration: October 3 - December 20, 2015

Materials: Fiber Optic Side Glow Cable, Motion Sensors, Solar Panel Kit w/ Inverter, Motion Sensors, Hurricane Straps

Size: Approximately 5' w x 1.5' d x 5' h

Description: fiber optic light cables oriented in two overlapping arrays mounted between two columns underneath the Pleasant Valley Road overpass.

Concept: Sequence and motion sensors fiber optic light cables oriented in two overlapping arrays will juxtapose the natural setting; attracting attention in the organic environment of Boggy Creek Greenbelt Park.

Title: *Earth Mother*

Budget: \$ 8,852.

Location: West Austin Neighborhood Park

District: 9

Duration: October 1st, 2015-November 31st, 2015

Materials: Styrofoam, paint, concrete, rebar,

Size: tbd d x tbd w x 6' t

Description: A whimsical and cheerful large, painted female head will emerge from the earth planted with flowers.

Concept: Like the parents watching over their children at play in this natural setting, the *Earth Mother* sculpture, with her awe inspiring scale and her serene countenance, will be sited in such a way that she is watching over all who come to the park to revel in her creations.
