The Church has outgrown its current facilities and is building a new and expanded sanctuary on Tannehill Lane in East Austin to continue its community mission "In The City For The City". The termination of the Restrictive Covenant will provide the Church more flexibility with marketing its property.

I urge you to fully support Greater Mt Zion Baptist Church's application to terminate the Restrictive Covenant. The application is on the agenda for the upcoming June 9th planning commission meeting.

Again, thank you in advance for your time and consideration for this important request.
