Board of Adjustment

City of Austin

We've met with several members of the Neighborhood Association. They've voiced three concerns:

1. That these variances apply to this structure as it is currently situated with no changes in size, height or footprint.
2. That these variances apply only to this structure situated to the east of our residence; not to the structure situated to the west of our residence nor to the house that is our residence.
3. That this structure, this building, will not be a "stealth dorm", housing more than four unrelated individuals.

We are in agreement with the above three restrictions and have no objection with them being part of the variances.

Ken and Harma Jordan

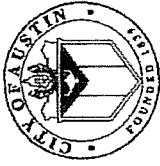

I, Theresa & Ken Jordan ^{are}, am applying for a variance from the Board of Adjustment regarding Section 25-2-774C of the Land

Development Code. The variance would allow ^{us} ~~me~~ the ability to Maintain a one story building erected in 1972
previously used as a childcare center, now to be used as a single family residence.

By signing this form, I understand that I am declaring my support for the variance being requested.
