

Amend Section III(C)(4) by making the following changes to the Recommendation:

1. **Provision of Air Conditioners in Low Income Weatherization Program**

Recommendation: To expand the income eligibility for the low income weatherization program to AE customers whose household incomes are 250% FPG or less , to make Energy Star window unit air conditioners ~~the a standard energy efficiency services improvement option air conditioning application~~ in the low income weatherization program, and to include under limited circumstances, repair and replacement of central air conditioners. Criteria should be developed to determine eligibility for window units and limited central air conditioning repair and replacement.
