8 (D) If the council's Open Space, Environment, and Sustainability Committee, or a  
9 comparable council committee assigned the authority to review climate  
10 protection, finds that a greater diversity of members is needed on the joint  
11 committee to ensure adequate community stakeholder representation, the  
12 council committee may appoint three additional community stakeholder  
13 members to the joint committee.

14 (E) The joint committee shall advise the council on matters related to conservation  
15 and sustainability, and:

- 16 (1) review City policies and procedures relevant to the Austin Community  
17 Climate Plan, including planning, implementation, community  
18 engagement, goal setting, and progress monitoring;  
19 (2) promote close cooperation between the council, City management, City  
20 boards, commissions, committees, and taskforces, and individuals,  
21 institutions, and agencies concerned with the politics, procedures, and  
22 implementation of the Austin Community Climate Plan with the goal of  
23 coordinating all similar activities within the City and the community in  
24 order to secure the greatest public benefit; and  
25 (3) forward to the city manager all advisory material that the joint  
26 committee provides to the council, the Office of Sustainability, City  
27 departments and offices, or City boards, commissions, committees, and  
28 task forces.

29 (F) The joint committee may:

- 30 (1) advise the council, the city manager, the Office of Sustainability, City  
31 departments and offices, and City boards, commissions, committees,  
32 and task forces on policy matters related to the Austin Community  
33 Climate Plan;
