**ANALYSIS / ADDITIONAL INFORMATION:** This is one of the city co-sponsored special events per Resolution No. 021003-40. In summary, the total fee waivers and payments authorized for this event are \$33,312. Additionally, Austin Transportation Department refundable security deposit of \$2,000 is also being waived. Any fee requirements above this total are the responsibility of the applicant.

Waiving fees for this event results in unrealized revenue for the following funds and departments: Austin Resource Recovery; Economic Development Fund; Transportation Fund, Austin Transportation Department; and the General Fund, which includes Health and Human Services, Development Services, Police, Emergency Medical Services and Fire Departments. Although budgeted revenue for fees is based upon historical data and not necessarily upon specific events, the waiver of these fees reduces potential revenues that could be realized.
