

## **COUNCIL COMMITTEE REPORT**

### **Austin Energy Utility Oversight Committee**

**Date:** August 27, 2015

**Agenda Item #:** 7

**Agenda Item:** Discussion and possible action on a resolution regarding the procurement of solar generation.

**Vote:** Forwarded to City Council, with language recommended by the Electric Utility Commission, on an 8-3 vote with Mayor Pro Tem Tovo and Council Members Garza and Pool voting against.

**Sponsors/Department:** Council Member Garza, Mayor Pro Tem Tovo, Council Members Casar, Pool and Kitchen.

#### **Summary of Discussion:**

Committee members engaged in discussion on the following topics:

- The Resolution as posted has more teeth than the Electric Utility Commission's recommendation.
- It refers to policy included in the approved Generation Plan.
- A broader discussion should occur prior to adoption of the policy directing the acquisition of an additional 600 MW of solar before the end of 2017, which is a change to the Generation Plan.
- Input from the community is needed since this involves potential changes to the Generation Plan.

#### **Public Comments:**

Due to time constraints, there were no public comments.

**Direction:** The Committee forwarded the item to City Council with language stating, "The City Manager is directed to bring a plan for Council approval no later than October 1, 2015 that outlines how the City will meet the 600MW utility scale solar goal by no later than 2017."

**Recommendation:** A motion to forward the Resolution to Council was approved on Mayor Adler's motion and seconded by Council Member Houston on an 8-3 vote. Mayor Pro Tem Tovo and Council Members Garza and Pool voted against.
