

ORDINANCE NO. 20150917-080

AN ORDINANCE AUTHORIZING THE CITY MANAGER TO RELEASE TRAVIS COUNTY WATER CONTROL AND IMPROVEMENT DISTRICT NO. 17 FROM COLLECTING WASTEWATER IMPACT FEES FOR 17 RESIDENTIAL PROPERTIES DISCONNECTING FROM THE TRAVIS VISTA WATER AND SEWER SUPPLY CORPORATION.

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF AUSTIN:

PART 1. FINDINGS.

The City Council finds that:

- (1) the Travis Vista Water and Sewer Supply Corporation ("Travis Vista WSC") currently operates under a grandfathered permit allowing it discharge its treated wastewater effluent to Lake Travis;
- (2) the City promotes clean water and the reduction of any source that might degrade the quality of the City's drinking water supply;
- (3) owners of 17 residential lots currently receiving their wastewater service from Travis Vista WSC are in the process of switching their wastewater service provider to Travis County Water Control and Improvement District No. 17 ("WCID No. 17");
- (4) WCID No. 17 receives wholesale wastewater service from the City under a contract that requires the WCID to collect from its new customers and remit to the City wastewater impact fees to pay for City capital improvements or facilities necessary to provide the service;
- (5) to encourage the owners of 17 lots currently served by the Travis Vista WSC to switch over to WCID No. 17 and thereby reduce the amount of treated effluent going into Lake Travis, it is in the City's interest to waive the obligation of WCID No. 17 to collect and remit the City's wastewater impact fee from the lots switching wastewater service providers from Travis Vista WSC to WCID No. 17.

PART 2. RELEASE FROM WASTEWATER IMPACT FEE.
