Commission Meeting Date:	November 10, 2015
Council Meeting Date:	November 19, 2015
Department:	Austin Water

SUBJECT

Authorize execution of a construction contract with **BLASTCO TEXAS**, **INC.**, for Howard Lane #1 Reservoir Improvements in the amount of \$1,959,723 plus a \$195,972.30 contingency, for a total contract amount not to exceed \$2,155,695.30. (District 7)

AMOUNT AND SOURCE OF FUNDING

Funding is available in the Fiscal Year 2015-2016 Capital Budget of the Austin Water.

Purchasing Language:	Lowest bid of 4 bids received.
Prior Council Action:	N/A
For More Information:	Joe Smith, 512-972-0231; Denise Avery, 512-972-0104; Sarah Torchin, 512-974-7141
Boards and Commission Action:	November 10, 2015- To be reviewed by the Water and Wastewater Commission.
MBE/WBE:	This contract will be awarded in compliance with Chapter 2-9A of the City Code (Minority Owned and Women Owned Business Enterprise Procurement Program) through the achievements of Good Faith Efforts with 1.06% African American, 0.00% Hispanic, 1.53% Native/Asian American and 5.35% WBE subcontractor participation.

The Howard Lane #1 Reservoir is a ten million gallon ground storage reservoir for potable water. The tank was built in 1988 and recoated in 2000. This project is part of an annual recoating and safety improvement program for water storage reservoirs.

This contract includes recoating and safety improvements to the Howard Lane #1 Reservoir and site. Work in this project includes preparing the surface, and coating the interior and exterior portion of the steel reservoir. It also includes installing structural and safety improvements, a new cathodic protection system, and new stainless steel roof hatch and handrails. The site will receive improvements, including land grading, removal and disposal of grating and refill hole in yard. Also, repairs and restoration to aged equipment.

An allowance of \$50,000 is included to address miscellaneous welding needs and is included in the contractor's bid. Due to the potential for unanticipated conditions or changes, a 10% contingency in authorization has been included to allow for the expeditious processing of any change orders.

The contract allows 160 days for completion of this project. This project is located within zip code 78728 in Council District 7.
