

ORDINANCE NO. 20151015-002

AN ORDINANCE AMENDING CITY CODE CHAPTER 15-9 RELATING TO METER TOTALIZATION.

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF AUSTIN:

PART 1. City Code Section 15-9-134 (B) (*Meter Totalization*) is amended to read as follows:

- (B) The director of the Electric Utility may allow or require meter totalization of a customer's meters only if:
- (1) each meter receives service at the same voltage [~~independently qualifies for the same electric rate; and~~];
 - (2) the rate schedules under which the meters receive service have substantially identical provisions for determining billed demand; and
 - (3) the director determines that:
 - (a) the meters serve a single building, the customer is the sole occupant of the entire building, and the building was served by more than one electric meter before the customer's occupancy;
 - (b) the customer receives a special utility service, including dual feed, that requires more than one electric meter; or
 - (c) because of special engineering considerations, the Electric Utility requires the customer to have more than one electric meter for a building or group of buildings to which the Electric Utility would normally provide service through only one meter.

PART 2. This ordinance takes effect on October 26, 2015.
