2. C14H-2015-0002

414 Waller Street and 1101 E. 5th Street

Consider the additional buildings at the Pine Street Station site for historic zoning.

Council District 3

Applicant: Liz Purcell

City Staff: Steve Sadowsky, Historic Preservation Office, 974-6454

Staff Recommendation: Staff cannot recommend designation of the additional buildings as historic landmarks. The original building has been designated as a historic landmark and has been approved for relocation to another railroad-related site in East Austin. The additional buildings proposed by the applicant for historic designation are 1950s additions to the original building, and since the original building is moving to a new site, there does not seem sufficient justification for the additional buildings to have landmark

designation as well. Staff recommends archival documentation of the entire complex prior to the removal of any building from the site.

Commissioners Clites and Panju off the dais at the start of the presentation. Both commissioners returned before the end of the presentation.

Elizabeth Purcell and Reji Thomas spoke in support of historic designation. Geraldo Castillo spoke in opposition to designation. Reji Thomas and Elizabeth Purcell spoke in rebuttal. Oak Hill School
6240 W US 290**

Council District 8

Proposal: Addition, exterior changes

Applicant: Madhu Phillips

City Staff: Beth Johnson, Historic Preservation Office, 974-7801

Committee Recommendation: Reviewed and supports the proposal with changes that the applicant has incorporated into the submitted plans.

Staff Recommendation: Staff recommends approval of the Certificate of Appropriateness as all of the changes to the property are in keeping with the architecture of the property. The additions and changes to the fenestration are on the sides and rear and are inconspicuous.

MOTION: Approve the application, per passage of the consent agenda, on a motion by Commissioner Tollett. Commissioner Myers seconded the motion; vote 9-0.

2. LHD-2015-0016

Castle Hill Local Historic District

1115 W 11th Street

Council District 9

Proposal: New construction of a 2 and 3 story multi-family building.

Applicant: Mark Vornberg

City Staff: Beth Johnson, Historic Preservation Office, 974-7801

Committee Recommendation: Reviewed and recommend the following changes to the design

- 1) Reduce the visual impact of the roof top railing through increasing the height of the parapet.
- 2) Adjust the front fenestration pattern to reflect a design that is more compatible with what is found on contributing buildings within the district.
- 3) Remove some of the wrap around windows from the front façade.
- 4) Remove the metal siding material on the roof access.

Staff Recommendation: The design currently does not meet several of the Castle Hill Local Historic District Design Standards for new construction, therefore staff recommends that the applicant incorporate the recommendations of the Certificate of Appropriateness review committee as well as addition staff recommendations below and resubmit new drawings for review by the committee and the Historic Landmark Commission.

Staff further recommends

- 1) The inclusion of additional screening at the front of the property to hide the exposed parking on the building.
- 2) Removal of the protruding square window on the front and replace it with a vertical oriented window of the same size as other windows on the front façade.

Mark Vornberg and Dick Clark spoke in support of the application. There were no speakers in opposition. The public hearing was closed on a motion by Commissioner Papavasiliou. Commissioner Clites seconded the motion; vote 9-0.

4. C14H-1989-0010

Dabney Horne House

507 W. 23rd Street

Proposal: Relocate the original part of the house to 901 Shoal Cliff Court, next to the proposed landmark Clyde and Henrietta Littlefield House.

Applicant: David Kanne

City Staff: Steve Sadowsky, Historic Preservation Office, 974-6454

Committee Recommendation: Not reviewed.

Staff Recommendation: Approve as proposed. The Dabney-Horne house will be dwarfed by a proposed adjacent parking garage at its current site. Moving the house to the Shoal Cliff Court site retains the context of the house in the University neighborhood, and places it in a more residential setting.

Mike McHone and John True spoke in support of relocation. Tere O'Connell spoke in opposition to relocation. Mike McHone and David Kanne offered clarifying comments to those speakers in opposition. The public hearing was closed on a motion by Commissioner Panju. Commissioner Tollett seconded the motion; vote 9-0.

1705 W 29th Street
Council District 9

Proposal: Construction of a new 2 story single family residence

Applicant: UnBox Studio

City Staff: Beth Johnson, Historic Preservation Office, 974-7801

Staff Recommendation: Staff requests a postponement of this case to October 26th, 2015. The applicants have failed to apply for the proper zoning permits and therefore it is not known if the proposed project will have proper zoning compliance. Also because of the lack of an application into Residential Review, the referenced PR# on the notifications does not reference the new construction, but rather the previously approved demolition therefore the property owners notified did not have the chance to review the new proposed plans in order to make informed comments on the project.
