Additional Backup Information				
<p>Indian Hills is a mixed-use planned community located west of SH 130 and east of FM 973 in the City of Austin's Desired Development Zone. The planned development for the 240-acre Indian Hills property includes approximately 1,200 medium density apartment units and 1.5 million square feet of office, warehouse, distribution and neighborhood retail uses. The center portion of the site will be used for the extension of Decker Lake Road, the main thoroughfare.</p>				

The Public Improvement District (PID) was intended to provide the financing mechanism through the apportionment, levying and collection of assessments to support the issuance of debt for the basic infrastructure that will support the planned community (water, wastewater and roads).

On November 3, 2011, Special Assessment Revenue Bonds, Subordinate Series, in the amount of \$3,000,000 and Senior Series in the amount of \$16,500,000, were sold to finance the infrastructure improvements. Assessments will be used to make the debt service payments on the bonds, fund required reserves and cover administrative costs of administering the PID.
