# Late Backup

November 19, 2015  
Council Agenda Item #92

## **CM Gallo MOTION SHEET**

Add language:

Regulations related to planned unit development density bonuses will be analyzed as part of the CodeNext review of the Land Development Code. The CodeNext team is directed to review and report on Austin's planned unit development density bonuses regulatory, economic, and fiscal impacts as part of the CodeNext process, including impact on housing affordability options throughout the city.
