

FY 2016 Service Plan

INTRODUCTION

In 2004, property owners on East Sixth Street petitioned the City Council to establish the East Sixth Street Public Improvement District (PID). Owners incorporated as the non-profit 501(c)(6) organization, the Pecan Street Owners Association, and contracted with the City of Austin to manage the PID. In January 2008, the association began doing business as the Sixth Street Austin Association (Sixth). In 2009, more than 60 percent of property owners representing 90 percent of the property valuation signed petitions to reauthorize the PID. During the Fiscal Year 2015, Sixth will continue with its work guided by the mission to make the East Sixth Street National Register Historic District a source of pride to the Austin community by:

- Advocating for the preservation and enhancement of the district's unique historic character;
- Creating a vibrant mixed use district so that locals and visitors alike will utilize its diverse offerings; and
