Current Street Name:	Proposed Street Name:	Extent of the Change:
W 2 nd St (partial)	Electric Dr	From – Walter Seaholm Dr
		To – Sandra Muraida Way

The purpose of the honorary street name Electric Drive is to enhance the neighborhood through the association of a street name with its location within the Seaholm EcoDistrict and its showcase of urban sustainability and innovative mobility. This action has been initiated by Austin Energy. Electric Dr will be a “hands-on” showcase for innovation and technology to support urban mobility. This street includes a new project by Austin Energy to install a DC Fast Electric Vehicle (EV) Charger, a Level 2 EV Charger, and a Solar Powered Kiosk that includes community outreach information and charging for personal devices, electric bikes, and scooters. Specific questions regarding the Austin Energy project can be directed to Karl Popham, Manager of Electric Vehicles & Emerging Technologies Austin Energy, 512-322-6005.
