| <p>The Watershed Protection Department has partnered with USACE since 1999 to find solutions to flooding in the Onion Creek watershed. The joint study recommended a project to buy out homes in the 25-year floodplain within the Onion Creek Forest, Onion Creek Plantation and Yarrabee Bend neighborhoods. The study selected the homes due to their high risk of flooding. These neighborhoods were temporarily evacuated in 1998, 2001, 2013 and again in October 2015.</p> <p>At the time of the Halloween Flood of 2015, the City had already purchased 457 homes located in the USACE study buyout area utilizing funds mostly from the Federal Emergency Management Agency (FEMA), drainage utility fees and the 2006 bond program.</p> <p>Council authorized acquisition and relocation of several properties in the project area including this subject property on November 20, 2008. Authorization to acquire properties through condemnation proceedings was not included in the prior request.</p> <p>The Onion Creek Floodplain Buyout Program Project requires the fee simple title acquisition of Lot 6, Block "M", of Onion Creek Forest Section 2, Amended Plat, a subdivision in Travis County, Texas, according to the map or plat, of record in Volume 68, Page 54, of the Plat Records of Travis County, Texas, and locally known as 5409 Vine Hill Drive, for flood damage reduction features, ecosystem reduction features and recreation features, as defined in the Project Partnership Agreement between the Department of the Army and the City of Austin, Texas for the construction of the Lower Colorado River Basin Phase I, Texas Onion Creek Watershed, Onion Creek Forrest/Yarrabee Bend project, as authorized by Section 1001(43) of the Water Resource Development Act of 2007, Public Law 110-114.</p> <p>The City of Austin has attempted to purchase the needed property. The property owners are unable to convey clear title to the City due to liens placed on the property. Condemnation is necessary to acquire this property and clear the title of all liens. The Law Department is requesting authorization to file an action in eminent domain on behalf of the City of Austin.</p> |  |
