1. The zoning regulations applicable to the property do not allow for a reasonable use because:
because: Special Exception
HARDSHIP:
2. (a) The hardship for which the variance is requested is unique to the property in that:
Special EXCEPTION
(b) The hardship is not general to the area in which the property is located because:
Special Exception
- Specie Chiephori
AREA CHARACTER:
3. The variance will not alter the character of the area adjacent to the property, will not impair the use of adjacent conforming property, and will not impair the purpose of the regulations of the zoning district in which the property is located because:
Special Exception
ready as a second of the secon
PARKING: (Additional criteria for parking variances only.)
Request for a parking variance requires the Board to make additional findings. The Board may grant a variance to a regulation prescribed Section 479 of Chapter 25-6 with respect to the number of off-street parking spaces or loading facilities required if it makes findings of fact that the following additional circumstances also apply: 1. Neither present nor anticipated future traffic volumes generated by the use of the site or the uses of sites in the vicinity reasonable require strict or literal interpretation and
enforcement of the specific regulation because:
<u>N</u>

]	The granting of this variance will not result in the parking or loading of vehicles on public streets in such a manner as to interfere with the free flow of traffic of the streets because:
	NA
3.	The granting of this variance will not create a safety hazard or any other condition inconsistent with the objectives of this Ordinance because:
	NA
-	
4.	The variance will run with the use or uses to which it pertains and shall not run with the site because:
	NA
N	OTE: The Board cannot grant a variance that would provide the applicant with a special privilege not enjoyed by others similarly situated or potentially similarly situated.

25-2-476 SPECIAL EXCEPTIONS.

- (A) The Board of Adjustment shall grant a special exception for an existing residential structure, or portion of an existing structure, that violates a setback required under <u>Chapter 25-2</u> (*Zoning*) if the board finds that the special exception meets the requirements of this section.
 - (B) The Board shall grant a special exception under Subsection (A) of this section if:
- (1) the residential use for which the special exception is sought is allowed in an SF-3 or more restrictive zoning district;
- (2) the building official performs an inspection and determines that the violation does not pose a hazard to life, health, or public safety; and
 - (3) the Board finds that:

or

- (a) the violation has existed for:
 - (i) at least 25 years; or
- (ii) at least 10 years, if the application for a special exception is submitted on or before June 6, 2016;
 - (b) the use is a permitted use or a nonconforming use;
 - (c) the structure does not share a lot with more than one other primary residence; and
 - (d) granting a special exception would not:
 - (i) alter the character of the area;
 - (ii) impair the use of adjacent property that is developed in compliance with city code;
- (iii) grant a special privilege that is inconsistent with other properties in the area or in the district in which the property is located.
 - (C) A special exception granted under this section:
- (1) applies only to the structure, or portion of a structure, for which the special exception was granted and does not run with the land;
- (2) may not authorize an increase in the degree of noncompliance or excuse compliance with minimum health and safety requirements; and
- (3) may not authorize a remodel or addition to the existing structure, except to the extent required by the building official to meet minimum life and safety requirements.
- (D) A structure granted a special exception under this section shall be treated as a non-complying structure under <u>Chapter 25-2</u>. <u>Article 8</u> (*Noncomplying Structures*). *Source: Ord. 20110526-098; Ord. 20121108-091; Ord. 20130822-126*.
