

ORDINANCE NO. 20151217-080

AN ORDINANCE ESTABLISHING INITIAL PERMANENT ZONING FOR THE PROPERTY LOCATED EAST AND SOUTHEAST OF THE INTERSECTION OF EAST WILLIAM CANNON DRIVE AND MCKINNEY FALLS PARKWAY, AND WEST OF SOUTH U.S. HIGHWAY 183 AND FARM TO MARKET 1625 ROAD AND CHANGING THE ZONING MAP FROM INTERIM-RURAL RESIDENCE (I-RR) DISTRICT AND INTERIM-SINGLE FAMILY RESIDENCE SMALL LOT (I-SF-4A) TO PLANNED UNIT DEVELOPMENT (PUD) COMBINING DISTRICT.

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF AUSTIN:

PART 1. Pilot Knob Planned Unit Development (Pilot Knob PUD) is comprised of approximately 2,216.978 acres of land located generally east and southeast of the intersection of East William Cannon Drive and McKinney Falls Parkway, and west of South U.S. Highway 183 and Farm to Market 1625 Road, and more particularly described by metes and bounds in Exhibit A incorporated into this ordinance (the "Property").

PART 2. The zoning map established by Section 25-2-191 of the City Code is amended to change the base district from interim-rural residence (I-RR) district and interim-single family residence small lot (I-SF-4A) to planned unit development (PUD) combining district on the property described in Zoning Case No. C814-2012-0152, on file at the Planning and Zoning Department, and locally known as generally east and southeast of the intersection of East William Cannon Drive and McKinney Falls Parkway, and west of South U.S. Highway 183 and Farm to Market 1625 Road, and generally identified in the map attached as Exhibit B.

PART 3. This ordinance and the attached Exhibits A through V are the land use plan (the "Land Use Plan") for the Pilot Knob PUD created by this ordinance. Development of and uses within the Pilot Knob PUD shall conform to the limitations and conditions set forth in this ordinance and in the Land Use Plan. If this ordinance and the attached exhibits conflict, this ordinance controls. Except as modified by the Pilot Knob PUD ordinance, applications must comply with the applicable City Code.

PART 4. The attached exhibits are incorporated into this ordinance in their entirety as though set forth fully in the text of this ordinance. The exhibits are as follows:

- Exhibit A: Legal Description of the Pilot Knob PUD
- Exhibit B: Zoning Map
- Exhibit C: Land Use Plan

- Exhibit D. Conceptual Parks and Open Space Plan
- Exhibit E. Parkland and Open Space Tracking Sheet
- Exhibit F. Permitted Land Uses
- Exhibit G. Site Development Regulations
- Exhibit H. Off-Street Parking and Loading Regulations
- Exhibit I. Declaration of Easements and Restrictive Covenants Regarding the Maintenance of Drainage Facilities Form
- Exhibit J. Critical Water Quality Zone Transfers
- Exhibit K. Critical Water Quality Zone for Minor Waterways Transferring and Receiving Restrictive Covenant Form
- Exhibit L. Proposed Waterway Crossings
- Exhibit M. Wetland Transfer Exhibit
- Exhibit N. Wetlands Transferring and Receiving Restrictive Covenant Form
- Exhibit O. Cut / Fill Exhibit
- Exhibit P. Impervious Cover Map
- Exhibit Q. Tree Conflicts – William Cannon Drive & Slaughter Lane
- Exhibit R. Conceptual Public Art Master Plan
- Exhibit S. PUD Notes
- Exhibit T. Typical Street Sections
- Exhibit U. Project Area
- Exhibit V. Affordable Housing Restrictive Covenant Form

PART 5. Open Space and Parkland Requirements.

The provision of open space and parkland within the Pilot Knob PUD is generally shown in Exhibit D: Conceptual Parks and Open Space Plan attached hereto, described in the accompanying Exhibit D, Notes for Parkland and Open Space Requirements in the Pilot Knob PUD, and detailed in the *Consent Agreement Pilot Knob Municipal Utility District Nos, 1, 2, 3, 4, and 5, Article VIII. Parks and Recreational Facilities and other*

Community Amenities (the "Consent Agreement") between the City of Austin and Carma Easton, LLC, dated May 15, 2012.

PART 6. Environmental.

A. Green Building Rating

1. All buildings in the Pilot Knob PUD will achieve a two-star or greater rating under the City's Austin Energy Green Building program or such buildings will achieve a reasonably equivalent rating under a program approved by the City, using the applicable rating version in effect at the time a rating registration application is submitted for the building.

B. The Pilot Knob PUD will use green water quality controls as described in Environmental Criteria Manual (ECM) Section 1.6.7 (*Green Storm Water Quality Infrastructure*), or others as approved by the Watershed Protection Department, to treat 100 percent of the water quality volume required by City Code. Green water quality controls may include, but are not limited to biofiltration ponds, rain gardens, and other non-required vegetation.

C. Natural channel design techniques are required, as shown in Exhibit S.

D. This section applies to an application for a single-family residential subdivision and to a site plan application filed for commercial, mixed use, multifamily residential or open space development. An integrated pest management (IPM) plan that complies with Section 1.6.9.2 (D) and (F) of the ECM must be submitted for approval. The Landowner shall provide copies of the IPM Plan to single family residential homeowners and commercial property owners.

E. All required tree plantings shall utilize tree species included in Appendix F (*Descriptive Categories of Tree Species*) of the ECM, or as approved by the City.

F. All required tree plantings shall utilize Central Texas native seed stock and provide adequate soil volume, as approved by the City at the time of the development application.

G. A tree care plan, prepared by a qualified arborist, shall be provided for construction-related impacts within the critical root zone of all trees which are required to be preserved. The tree care plan shall be submitted to the City for review and approval with any development application that results in construction-related impacts, including but not limited to subdivision construction plans, site plans, and residential building permits.

H. Riparian Restoration. This section applies along all intermediate and major waterways.

1. The existing condition of each critical water quality zone (CWQZ) shall be assessed using the Zone 2 functional assessment methodology described in Appendix X of the ECM. The assessment of existing conditions shall be submitted for review and approval with each residential subdivision and commercial site plan.
2. A CWQZ that is in "Poor (1)" or "Fair (2)" condition shall be restored to "Good (3)" or "Excellent (4)" condition.
3. A CWQZ that is in "Good (3)" or "Excellent (4)" condition shall not be disturbed, except as otherwise allowed by City Code or this PUD ordinance.
4. A Riparian Restoration Plan (the "Plan") shall be submitted to the City for review and approval with each residential subdivision and commercial site plan. The Plan must demonstrate that all parameters of the Appendix X "Scoring: Zone 2 – Critical Water Quality Zone" table shall be raised to "Good (3)" or "Excellent (4)" condition.

I. When reclaimed water is available to the undeveloped areas of the Pilot Knob PUD, reclaimed water shall be used for irrigation in open space areas as determined by the City, subject to any applicable water use restrictions imposed by the City. Reclaimed water shall not be used for irrigation in CWQZs, CEF buffers, or floodplain. Areas of existing development shall not be required to retrofit for reclaimed water.

J. Toilets, bathroom sink faucets, and shower heads that are labeled as meeting the standards of the EPA WaterSense program or a comparable program approved by the Landowner and the City shall be installed in all residential buildings.

K. All residential irrigation system components shall be certified as meeting the standards of the EPA WaterSense program or a comparable program approved by the Landowner and the City.

PART 7. Public Facilities.

A. The Landowner shall dedicate a 2.0 net buildable acre site for a future City of Austin Fire/EMS station in a location to be mutually agreed upon by the Landowner and the City, and approximately in the area shown on Exhibit C. The Austin Fire Department must approve the site. The deed for conveyance of title to the site must be delivered by the Landowner to the City by April 13, 2022. The deed to the site will:

1. contain requirements that the City or the Emergency Services District No. 11 (ESD) commence construction of the Fire/EMS station on the site within ten (10) years after conveyance of the site to the City. If construction does not commence within such time period, then the ownership of the site will revert back to the Landowner; and
 2. grant to the Landowner the right to relocate the site to another location within the Project Area with the approval of the City.
- B. The Landowner shall dedicate two school sites which include bringing water, wastewater, and streets to the two sites at no cost to Del Valle Independent School District, in a location to be mutually agreed upon by the Landowner and the School District, and approximately in the areas shown on Exhibit C. Development of the school sites shall be in accordance with the School District Land Development Standards agreement between the Del Valle Independent School District and the City of Austin.

PART 8. Affordable Housing Program.

- A. To ensure future transportation opportunities the Landowner agrees to donate to the Capital Metropolitan Transportation Authority (CapMetro) at least 10 contiguous acres of land suitable for a transit facility, within or adjacent to the Project's planned Town Center, in a location and upon terms agreed upon by CapMetro and the Landowner.
1. The specific location of the planned transit facility site will be determined during the platting process for the Project's Town Center and in a location agreed upon by CapMetro and the Landowner (generally depicted on Exhibit C of this PUD ordinance).
 2. The transfer of ownership will take place once a platted lot can be conveyed to CapMetro.
- B. In order to meet the City's affordable housing goals and to ensure long-term affordability, the Landowner and the Landowner's successors and assigns (collectively referred to as the "Landowner") agree to the following:
1. The affordable housing requirement in the Pilot Knob MUD Consent Agreement is replaced by Pilot Knob PUD ordinance Part 8.
 2. Ten percent of the total number of multifamily rental housing development units located within the Pilot Knob PUD will be set aside for occupancy by households with incomes at 60 percent of or below the median family income (each an "Affordable Rental Unit," collective "Affordable Rental

Units”) in the Austin metropolitan statistical area for a rental affordability period of forty years (collectively, the “Rental Affordability Requirement”) from the date of a certificate of occupancy. In addition the Landowner agrees to comply with the following:

- a) The Rental Affordability Requirement period for each multifamily development with Affordable Rental Units (the “Affordable Development”) begins on the date a final certificate of occupancy is issued for the Affordable Development.
 - b) Affordable Rental Units must be integrated throughout the PUD and included in at least 50 percent of the multifamily developments.
 - c) Each lot sold or developed for use as an Affordable Development shall be subject to a restrictive covenant using the form shown in Exhibit V (subject to revision) or agreed upon by the Director of Neighborhood Housing and Community Development (NHCD) and Landowner at the time of the sale or development and recorded in the official public records of the county where the Affordable Development is located.
 - d) Income qualifications and rents must comply with NHCD compliance guidelines. Compliance with the Affordable Housing Requirements will be monitored by NHCD.
- C. At least 10 percent of the total number of units sold as owner-occupied residential housing units located within the Pilot Knob PUD will, through a mechanism agreed upon by the City and Landowner, be made permanently available at a price affordable to households with incomes at 80 percent of or below the median family income (each an “Affordable Ownership Unit,” collective “Affordable Ownership Units”) in the Austin metropolitan statistical area (collectively, the “Ownership Affordability Requirement”).
1. By making at least 10 percent of the ownership units available for permanent affordability, participation in S.M.A.R.T. Housing allows for 100% of eligible fee waivers for all residential units within the PUD. The Landowner agrees to deposit into a fund the exact amount of all fee waivers received for the development. These funds will be made available to the Austin Housing Finance Corporation (AHFC), or other entity designated by the City, for the purchase of lots or units within the Pilot Knob PUD at a sales price agreed upon by both parties, down payment assistance for qualified buyers purchasing houses within the Pilot Knob

PUD, construction of affordable units and costs associated with administrating the affordable ownership program, and other expenditures agreed upon by the City.

2. All lots transferred by the Landowner to AHFC, or other entity designated by the City, are subject to approval by AHFC or other entity designated by the City. The lots must be fully developed, buildable, and the subdivision accepted by the City of Austin, and integrated throughout the Pilot Knob PUD.
 3. The Affordable Ownership Units constructed on any lot shall have substantially similar architectural design and restrictions as other residential units offered for sale to the general public.
 4. Affordable Ownership units must:
 - a) Be sold to an income eligible household at 80 percent of or below median family income;
 - b) Include resale restrictions that require that resale of the affordable unit must be to a household at 80 percent of or below median family income; and
 - c) Contain restrictions that will cap the equity that can be achieved upon resale of the affordable unit. Equity will be capped at 2 percent annually based on the affordable sales price; and
 - d) Contain a Right of First Refusal to AHFC or other entity designated by the City. If AHFC does not exercise the right of first refusal, then Affordable Ownership units must be sold to income eligible purchasers.
- D. The Landowner is required to make a financial contribution to AHFC, or other entity designated by the City, in an amount calculated as two percent of the total "hard" construction cost MUD reimbursements (up to \$6 million). These funds will be used to further the affordability outcomes required by the City. The contribution shall be deposited into the fund to be established under C.1.
- E. The Landowner agrees to enter into an agreement with the City of Austin that ensures compliance with Part 8 of this PUD ordinance.

PART 9. Transportation and Bicycle Plan.

- A. Where rear property lines of single family residences abut East William Cannon Drive, Slaughter Lane, McKinney Falls Parkway, and FM 1625, a solid fence of at least six (6) feet in height shall be provided.
- B. Appropriate on-street bicycle facilities, or equivalent acceptable to the City, shall be provided on all roads that are classified as a 4-Lane Primary Collector, a Minor Arterial or a Major Arterial.

PART 10. Art.

- A. The Pilot Knob PUD will prepare a Public Art Master Plan, which will identify opportunities, guiding principles, and locations within the Project Area for outdoor art installations to be implemented and managed by the Developer. All subsequent operations and maintenance of the artwork will be the responsibility of the Developer or the Owners Association. Approximate public art locations are shown on Exhibit R: Conceptual Public Art Master Plan.

PART 11. Definitions.

- A. In this ordinance Sections 25-1-21 and 30-1-21 are modified to add or revise the following terms:
 - 1. ACCESS LOT means a lot on a plat that provides joint access for lots that are to be served by only an alley.
 - 2. ACTIVE ADULT COMMUNITY means a planned community for residents who have retired from an active working life.
 - 3. AMPHITHEATER means the use of a site for the presentation of plays, motion pictures, concerts, or other performances in a seated outdoor area for up to 2,000 people.
 - 4. COMMON COURTYARD means a lot on a plat that provides street frontage and common green area for lots that are served by only an alley.
 - 5. COMMUNITY CENTER means the use of a site for the provision of meeting, recreational, or social activities primarily for the use of neighborhood residents.
 - 6. CONSENT AGREEMENT means collectively those agreements included as Exhibit B in Ordinance No. 20120322-031, 20120322-032, 20120322-033, 20120322-034 and 20120322-035.

7. DISTRICT(S) means one or more of the Pilot Knob Municipal Utility Districts.
8. EMPLOYMENT CENTER means the land use areas identified on Exhibit C: Land Use Plan as EC. The Employment Center land use areas provide for larger scale commercial and employment uses. Regional retail and residential uses, as well as mixed use buildings, are also permitted.
9. FLAG LOT is modified such that the minimum width of the flag is ten (10) feet for a lot abutting a common open space and an access lot and is to be overlaid with a joint use access easement. Driveway access will be restricted to the joint use access easements.
10. LAND USE AREA means the following use categories into which the Pilot Knob PUD is divided and as identified on Exhibit C: Land Use Plan – Mixed Residential, Employment Center, Town Center, and Open Space.
11. MIXED RESIDENTIAL AREA means the land use areas identified on Exhibit C: Land Use Plan as MR-1 and MR-2. The Mixed Residential land use areas allow a wide diversity of residential building types, including single family, multi-family as well as sites for office, commercial, civic, and mixed use buildings.
12. MANSION HOUSE means a structure on one lot designed to appear like a large single family residence, but that is divided into four to six units, each with an individual entry.
13. OPEN SPACE means the land use areas identified on Exhibit C: Land Use Plan as OS. The Open Space land use areas are intended to provide a continuous system of open space for the Pilot Knob PUD community, and include community facilities.
14. PLAYFIELD means an outdoor sodded or pervious area used for noncommercial recreational uses. Typical uses include baseball, football and soccer fields.
15. ROW HOUSE means an attached two or three-story townhouse on its own lot.
16. SHOP HOUSE means a row house with a ground level workspace or commercial space and upper level living space.
17. TOWN CENTER means the land use area identified on Exhibit C: Land Use Plan as TC-1. The Town Center land use area is a mixed-use district

providing neighborhood retail/commercial and service uses along a pedestrian-oriented shopping street and multiple sites for higher density office, residential housing, and civic uses. Mixed use buildings are permitted.

18. YARD HOUSE means a detached single family residence. An accessory dwelling unit may be constructed.

PART 12. Code Modifications. In accordance with Chapter 25-2, Subchapter B, Article 2, Division 5 (*Planned Unit Development*) of the Code, the following site development regulations apply to the Pilot Knob PUD instead of otherwise applicable City regulations:

A. General

1. Section 25-1-21(103) (*Definition of Site*) is modified to provide that a site in the Pilot Knob PUD may cross a public street or right-of-way.
2. Section 25-1, Article 14 (*Parkland Dedication*) is modified such that Exhibit D: Conceptual Parks and Open Space Plan and Exhibit D, Notes for Parkland and Open Space Requirements in the Pilot Knob PUD shall satisfy all parkland dedication requirements. Parkland and open space shall be tracked in accordance with Exhibit E: Parkland and Open Space Tracking Sheet. Modifications to this document may be made if agreed upon by the City and the Applicant, without requiring a PUD amendment.

B. Zoning.

1. Section 25-2-243 (*Proposed District Boundaries Must Be Contiguous*) of the City Code is amended to provide that the boundaries of the Pilot Knob PUD may be noncontiguous.
2. Section 25-2, Subchapter B, Article 2, Division 5, Subpart B, Section 2.1 (*Compliance Required*) is modified to allow additional land area that is located within the Project Area, to be amended into the Pilot Knob PUD, without having to demonstrate additional compliance and superiority with this division. The Project Area is defined as the additional land depicted in the attached Exhibit U: Project Area, all or a part of which may be added to the Land and annexed into the District.
3. Section 25-2, Subchapter B, Article 2, Division 5, Subpart B, Section 2.3.1.D. (*Minimum Requirements*) is modified to allow that either all buildings in the Pilot Knob PUD will achieve a two-star or greater rating under the City's Austin Energy Green Building program, or that such buildings will achieve a reasonably equivalent rating under a program approved by the City, using the

applicable rating version in effect at the time a rating registration application is submitted for the building.

4. Section 25-2, Subchapter B, Article 2, Division 5, Subpart B, Section 2.3.1.J. (*Minimum Requirements*) is modified to allow gated roadways for a congregate living, convalescent services, retirement housing (large site), or retirement housing (small site) use, provided that connectivity for pedestrian and bicycle uses is maintained.
5. Section 25-2, Subchapter B, Article 2, Division 5, Subpart B, Section 2.3.2 (*Additional Requirements*) and Chapter 25-2, Subchapter E (*Design Standards and Mixed Use*) are modified as follows:
 - a. A block is a parcel of land defined by streets, internal circulation routes and/or publicly accessible pedestrian ways. A block may be defined on up to two sides by external property lines, provided that internal circulation routes are stubbed out to an external property line.
 - b. A block may be measured to and from property lines, right-of-way lines or publicly-accessible pedestrian ways (i.e. easement boundaries).
 - c. There may be up to 20 blocks which may be greater than five acres and less than 10 acres each.
 - d. All roadways within the Pilot Knob PUD are considered "Suburban Roadways" for the purposes of applying Chapter 25-2, Subchapter E regulations, with the exception of Slaughter Lane, which is considered a Core Transit Corridor.
 - e. Chapter 25-2, Subchapter E, Article 2, Section 2.2.2.B.1.b (*Planting Zone*) is modified such that this requirement is subject to Travis County approval.
6. Subsection 3.2.2.C. (*Residential Uses*) of Section 25-2, Subchapter B, Article 2, Division 5, Subpart C (*Planned Unit Development Regulations*) is modified such that the site development regulations of Exhibit C: Land Use Plan, Exhibit F: Permitted Land Uses, and Exhibit G: Site Development Regulations shall apply.
7. Subsections 3.2.3.B, D, and E (*Nonresidential Uses*) of Section 25-2, Subchapter B, Article 2, Division 5, Subpart C (*Planned Unit Development Regulations*) are modified such that the number of curb cuts or driveways shall not apply to the Pilot Knob PUD.

8. Section 25-2-491 (*Permitted, Conditional, and Prohibited Uses*) shall be replaced with Exhibit F: Permitted Land Uses.
9. Section 25-2-492 (*Site Development Regulations*) shall be replaced by Exhibit C: Land Use Plan and Density Table, Exhibit F: Permitted Land Uses, and Exhibit G: Site Development Regulations.
10. Section 25-2-517 (*Requirements for Amphitheaters*) is modified such that a Land Use Commission approval is not required.
11. Section 25-2-812(C)(2) (*Mobile Food Establishments*) is modified so that a mobile food establishment is a permitted use within all areas of the Pilot Knob PUD.
12. Sections 25-2-1006(A)(1) and 25-2-1006(A)(2) (*Visual Screening*) are modified so that only the structural components of a green water quality facility or a green stormwater drainage facility is subject to the visual screening requirements of this section.
13. Section 25-2-1032(A)(1) (*Trees Required*) is modified so that lots having an area of 2,500 square feet or less require that only one tree be planted.
14. Except as provided in this subsection, Section 25-2-1051, Subchapter C, Article 10 (*Compatibility Standards*) does not apply within the Pilot Knob PUD.
15. Notwithstanding the above provision, development outside of the Pilot Knob PUD triggers the compatibility standards of Section 25-2, Subchapter C, Article 10 (*Compatibility Standards*).

C. Traditional Neighborhood District.

1. The compatibility standards in Subsections (A), (B), (C), (D) and (E) of Chapter 25-3-86 (*Compatibility Standards*) apply to development within the Pilot Knob PUD.

D. Subdivision.

1. Section 25-4-62 (*Expiration of Approved Preliminary Plan*) is modified to provide that an approved preliminary plan covering land in the Pilot Knob PUD expires 10 years after the date of filing the application.
2. Sections 25-4-132(B) and 30-2-132(B) (*Easements and Alleys*) are modified to provide that off-street loading and unloading facilities shall be provided on

all commercial and industrial lots, except as modified in Exhibit H: Off-Street Parking and Loading Regulations.

3. Sections 25-4-174 and 30-2-174 (*Lot Size*) shall be replaced by Exhibit G: Site Development Regulations.
4. Sections 25-4-232(C)(1 through 21) and 30-2-232 (*Small Lot Subdivisions*) shall be replaced by Exhibit G: Site Development Regulations.
5. Sections 25-4-232 and 30-2-232 (*Small Lot Subdivisions*) are modified so that the maintenance of a common area or access easement is the responsibility of the adjoining property owner, the homeowners' association, or the MUD.
6. Sections 25-4-232(D)(2) and 30-2-232(D)(2) (*Small Lot Subdivisions*) are modified to include a description of the requirements of Exhibit G: Site Development Regulations.
7. Sections 25-4-232(D)(5) and 30-2-232(D)(5) (*Small Lot Subdivisions*) are modified to include provisions obligating the adjoining property owner, or the homeowners' association to maintain common areas and access easements.
8. Sections 25-4-233(E) and 30-2-233(E) (*Single-Family Attached Residential Subdivision*) are replaced by Exhibit G: Site Development Regulations.
9. Sections 25-4-233(F)(1) and 30-2-233(F)(1) (*Single-Family Attached Residential Subdivision*) are modified to require that development and use of the lots comply with Exhibit G: Site Development Regulations.

E. Transportation.

1. Section 25-6-2(A) (*Driveway Approaches Described*) is modified to provide that a Type 1 driveway approach is a concrete driveway approach that provides access from a roadway to property on which a yard house, row house, shop house, or mansion house with a driveway that serves four or fewer parking space is located.
2. Section 25-6-2(B) (*Driveway Approaches Described*) is modified to provide that a Type 2 driveway approach is a concrete driveway approach that provides access from a roadway other than a principal roadway to a property used for a purpose other than a yard house, row house, shop house, or mansion house with a driveway that serves four or fewer parking spaces.
3. Section 25-6-113(A) (*Traffic Impact Analysis Required*) is modified with respect to that certain Traffic Impact Analysis (TIA) prepared by Jacobs, dated January 27, 2015, and submitted to the City of Austin and Travis

County for review and approval. Prior to full purpose annexation, the TIA may be amended, as required by Travis County. After full purpose annexation, the approved TIA may be amended, as required by the City of Austin. The TIA and its subsequent amendments shall be kept on file at the Development Services Department. Cost estimates for traffic improvements must be approved by Travis County and will be provided with every phasing agreement, in accordance with the recommendation of the approved TIA, as amended for each preliminary plan/final plat.

4. Section 25-6-116 (*Desirable Operating Levels for Certain Streets*) does not apply within the Pilot Knob PUD.
5. Section 25-6-117(D)(1) (*Waiver Authorized*) does not apply within the Pilot Knob PUD.
6. Section 25-6-141(B)(1) (*Action on Application*) does not apply within the Pilot Knob PUD.
7. Sections 25-6-171 and 30-3-71 (*Standards for Design and Construction*) are modified to provide that Travis County may administratively approve the use of innovative or alternate roadway designs that are not listed in the Transportation Criteria Manual, City of Austin Standards and Standard Specifications, or Exhibit T: Street Sections.
8. Sections 25-6-172 and 30-3-72 (*Arterial Streets*) do not apply within the Pilot Knob PUD.
9. Section 25-6-292(C) (*Design and Construction Standards*) is modified to provide that direct vehicular access from a lot to an alley is permitted in all areas of the Pilot Knob PUD.
10. Section 25-6, Article 7 (*Off-Street Parking and Loading*) is modified and shall be replaced by Exhibit H: Off-Street Parking and Loading Regulations.
11. Section 25-6, Appendix A (*Tables of Off-Street Parking and Loading Requirements*) is modified and replaced by Exhibit H: Off-Street Parking and Loading Regulations.

F. Drainage.

1. Sections 25-7-153 and 30-4-153 (*Detention Basin Maintenance and Inspection*) are modified to provide that a detention basin located in an open space or right-of-way land use area, prior to full purpose annexation of the area, will be financed, operated and maintained by the Property Owner. The

Declaration of Easements and Restrictive Covenants Regarding the Maintenance of Drainage Facilities shown in Exhibit I shall be used for each development application, where applicable. Modifications to this agreement may be made, if agreed upon by the City and the Applicant, without requiring a PUD amendment. Upon full-purpose annexation by the City, the City will accept and maintain all detention basins on the Property.

G. Environmental.

1. Sections 25-8-42 and 30-5-42 (*Administrative Variances*) are modified to allow the Director of the Watershed Protection Department to grant a variance from a requirement of Section 25-8-341 and 30-5-341 (*Cut Requirements*) or Section 25-8-342 and 30-5-342 (*Fill Requirements*), for a cut or fill of not more than 15 feet in the areas identified in the attached Exhibit O: Cut/Fill Exhibit. The application must meet the requirement of findings, as required in Section 25-8-42 and 30-5-42.
2. Sections 25-8-64(B)(5) and 30-5-64(B)(5) (*Impervious Cover Assumptions*) are modified as follows: For lots smaller than 3,300 square feet, impervious cover is assumed at 75 percent for each lot.
3. Sections 25-8-92(B)(1) and 30-5-92(B)(1) (*Critical Water Quality Zones Established*) are modified such that for a minor waterway, the boundaries of the critical water quality zone are located 50 feet from the centerline of the waterway.
4. Sections 25-8-92(B)(4) and 30-5-92(B)(4) (*Critical Water Quality Zones Established*) are modified such that for a minor waterway, the minor waterway may be reduced and replaced on a one-to-one basis using one of the methods listed below:
 - a. Providing a 50-foot wide setback from the centerline of waterways having a contributing drainage area of less than 64 acres, as long as it is an extension of a Critical Water Quality Zone (CWQZ) for a minor waterway, and/or
 - b. Increasing the buffer width established by the 50-foot wide centerline setback (total width of 100 feet centered on the waterway) to an average width of 200 feet for waterways having a contributing drainage area of less than 320 acres. The added buffer width does not need to be centered on the waterway centerline.

- c. If the mitigation area is an intermediate or major waterway, then it must be restored to "Good" or "Excellent" condition, as specified in the code modification to Section 25-8-261(G) and 30-5-261(G) (*Critical Water Quality Zone Development*).
 - d. Additional mitigation methodologies may be presented to and reviewed for approval by the Watershed Protection Department, which may include but not be limited to such factors as the preservation of otherwise unprotected riparian zones or other features having superior environmental value.
 - e. Mitigated minor waterways shall be tracked utilizing Exhibit J: Critical Water Quality Zone Transfers and Exhibit K: Critical Water Quality Zone for Minor Waterways Transferring and Receiving Restrictive Covenant Form. Modifications to Exhibit K may be made, if agreed upon by the Director of the Watershed Protection Department and the Applicant, without requiring a PUD amendment.
5. Sections 25-8-231 and 30-5-231 (*Water Quality Control Maintenance and Inspection*) are modified to provide that a water quality control facility located in an open space or right-of-way land use area, prior to full purpose annexation of the area, will be financed, operated and maintained by the Property Owner or Developer or District(s). The Declaration of Easements and Restrictive Covenants Regarding the Maintenance of Drainage Facilities shown in Exhibit I shall be used for each development application, where applicable. Modifications to this agreement may be made, if agreed upon by the City and the Developer, without requiring a PUD amendment. Upon full purpose annexation by the City, the City will accept and maintain all water quality control facilities on the Property.
6. Sections 25-8-261(B)(3)(e) and 30-5-261(B)(3)(e) (*Critical Water Quality Zone Development*) are modified to allow a hard surfaced trail to run parallel to the creek closer than otherwise allowed by this section to provide below-grade crossings under major arterial roadways, as long as the length of trail within the otherwise restricted area is limited to that necessary based on functionality, accessibility standards, or making a transition between within and outside the restricted zone and is placed outside the erosion hazard zone. If it is not feasible to place the trail outside of the erosion hazard zone, then the creek bank may be armored to the extent necessary to protect the trail from erosion damage.

7. Sections 25-8-261(G)(2) and 30-5-261(G)(2) (*Critical Water Quality Zone Development*) are modified to allow floodplain modifications if necessary for the riparian restoration required by Part 6, Section G of this PUD ordinance. Floodplain modifications for any development other than PUD-required restoration shall comply with applicable City Code.
8. Sections 25-8-262 and 30-5-262 (*Critical Water Quality Zone Street Crossings*) are modified as follows:
 - a. The existing crossing of Cottonmouth Creek by Colton Bluff Springs Road may be modified, realigned, shifted or replaced without triggering the restrictions under Sections 25-8-262(B)(1) and 30-5-262(B)(1).
 - b. With the realignment of FM 1625, Sections 25-8-262(B)(2)(a) and 30-5-262(B)(2)(a) are modified to allow the intermediate waterway portion of North Fork Dry Creek to be crossed by one collector street or larger classification roadway at a minimum spacing of 1,000 feet.
 - c. Sections 25-8-262(B)(3)(a), 30-5-262(B)(3)(a) and Sections 25-8-262(B)(4), 30-5-262(B)(4) are modified such that roadways, including local streets and residential streets may cross a minor critical water quality zone at a minimum spacing of 900 feet.
 - d. These locations are shown on Exhibit L: Proposed Waterway Crossings. They may be modified administratively and additional crossings may be approved by the Director of the Watershed Protection Department.
9. Sections 25-8-282 and 30-5-282 (*Wetland Protection*) are modified to add that wetland provision and mitigation are tracked using Exhibit M: Wetland Transfer and Exhibit N: Wetlands Transferring and Receiving Restrictive Covenant Form, so that mitigation for a removed wetland may occur in a current phase of development in order to provide mitigation for removal in a future phase of development. Modifications to Exhibit N may be made if agreed upon by the City and the Applicant, without requiring a PUD amendment.
10. Sections 25-8-392 and 30-5-392 (*Uplands Zone*) are modified to allow 65 percent impervious cover ("Total PUD Impervious Cover") based on gross site area of the Property. Based on a gross site area of 2,216.978 acres, the Pilot Knob PUD is allowed a total impervious cover of 1,441.04 acres. The maximum allowable impervious cover for each individual site within the Property is based on Exhibit P: Impervious Cover Map.

11. Section 25-8-642 (*Administrative Variance*) is modified to allow the Director of Development Services Department to grant an administrative variance from 25-8-641 for heritage trees if required for construction of either William Cannon Drive or Slaughter Lane, only after making the findings required in 25-8-642. Areas of potential impact are shown in Exhibit Q: Tree Conflicts – William Cannon Drive & Slaughter Lane. Transplanting a heritage tree is not considered removal if the criteria in ECM Section 3.5.4.E are met.

H. Utility Service.

1. Section 25-9-1 (*Applicability*) is modified such that if the code provisions of Subchapter 25-9 conflict with those in the Consent Agreement, the provisions of the Consent Agreement govern.

I. Sign Regulations.

1. Section 25-10-81 (*Sign Districts Described: Hierarchy Established*) is modified to provide that the Pilot Knob PUD is divided into the sign districts that correspond to the land use areas set forth in Exhibit C: Land Use Plan.

2. Section 25-10-191(F) (*Sign Setback Requirements*) is modified to permit a sign within 12 feet of a street right-of-way if it is not located within the sight safety triangle established in Figure 6-6 of the TCM.

PART 14. City Council approves the Pilot Knob PUD for participation in the S.M.A.R.T. Housing Program.

PART 15. The portions of this ordinance modifying provisions in City Code Chapters 30-3 (*Transportation*) and 30-4 (*Drainage*) take effect on the effective date of Travis County approval of those provisions, whether approved administratively or approved by the Travis County Commissioners Court. The remainder of this ordinance takes effect on December 28, 2015.

AUSTIN, TRAVIS COUNTY, TEXAS

Exhibit D, Notes
Parkland and Open Space Requirements in the PUD:

Pursuant to Section 25-1-601 (Applicability) and the provisions of Article VIII (Parks and Recreational Facilities and Other Community Amenities) of the Consent Agreement, the private and public parkland, open space, greenbelts, and trails described in this PUD will satisfy all of the parkland dedication requirements. Park Land and Open Space will be owned by the Pilot Knob Municipal Utility District(s) and will be maintained by either the Home Owners Association or the MUD(s). Park Land and Open Space provided by the PUD will be tracked using the Park Land and Open Space Tracking Sheet provided as Exhibit P.

A. MUD CONSENT AGREEMENT

The PUD will provide minimum parkland and open space acreages as follows:

1. At least 300 acres of open space (including regional detention and parkland and trails) as conceptually illustrated on Exhibit D (Conceptual Parks and Open Space Plan), and in addition, at least 100 acres of improved parkland with amenities shall be provided. For this calculation, floodplain and detention areas may be included as open space, as was contemplated with the MUD consent agreement.
2. Other than gated areas owned and operated by the Owners Association (which would not collectively exceed 40 acres throughout the PUD), the park and open space areas will be open to the public.
3. Parks and publicly accessible open space will be dispersed throughout the PUD, and located within one-quarter (1/4) mile of each residence where feasible/practical and accessible by pedestrians and cyclists in all PUD neighborhoods.
4. The parks and recreational facilities for the PUD will in general be designed to comply with the accessibility requirements of the Americans with Disabilities Act and will meet any applicable consumer product safety standards. Some trails, such as those with a soft (mulch) surface, may not meet accessibility standards.
5. Open space is required as a percentage of land use as follows:

Land Use	% Open Space Required
Residential	10%
Commercial	20%

The provision of open space may be deferred for a subdivision or site plan if at least 75% of the total parkland and open space required by the current and all

previous plats has been designated, notwithstanding the requirements of Chapter 25-2, Subchapter E. This provision does not waive the required open space but instead seeks to defer the provision of open space to a later stage of development.

B. LAND DEDICATION

Provision of parkland within the PUD will be as follows:

1. Parkland acreage shall be dedicated to the Pilot Knob MUD(s) in accordance with the number of residential units proposed and in the configuration shown in Exhibit D: Conceptual Parks and Open Space plan. Land to be dedicated will be labeled Park on the Preliminary Plan, if a Preliminary Plan is required, and on the Final Plat. It shall be deeded to the MUD once the proposed improvements are complete and reasonable access for maintenance exists to the parkland.
2. Parkland is required on the basis of ten acres per 1000 residents, and is calculated as follows:

$$\text{Parkland (acres)} = \frac{10 \times (\text{Number of Residential Units}) \times (\text{Residents per Unit})}{1000}$$

where the “residents per unit” is assumed to be:

Dwelling Units per Acre	Residents per Dwelling Unit
Not more than 6	2.8
More than 6 and not more than 12	2.2
More than 12	1.7

3. For the purposes of the PUD, Park Land (or parkland) may include 50 percent credit of 25 year floodplain that is part of a linear greenbelt system including a trail; and 50 percent credit of 100 year floodplain acreage. Parkland acreage counts towards Open Space requirements.
4. The provision of parkland may be deferred for a subdivision or site plan if at least 75% of the total parkland required by the current and all previous plats has been designated. Subdivisions or site plans that seek to use this provision should demonstrate pedestrian and bicycle accessibility to an existing or proposed park within ¼ mile of residences. This provision does not waive the required parkland

but instead seeks to defer the provision of parkland to a later stage of development.

5. Except for linear greenbelt systems as denoted in #3, Open Space may only count as parkland if it meets Department of Park and Recreation Standards.
6. In accordance with Section C below, any park construction amounts above the \$400 residential LUE owed, excluding amounts paid for gated park facilities and trail construction from Section C.2., may be converted to a fee-in-lieu of land for up to 40 acres of parkland owed. The converted acreage will be shown on the tracking sheet and calculated via the following:

Each acre of parkland shall be equivalent to the fair market value of undeveloped property within the PUD area, as obtained from the Travis County Appraisal District (TCAD).

Example:

$$\begin{array}{rcl} \text{Fee in lieu of} & = & 2 \text{ acres} * \$15,000/\text{acre (exact amount} \\ \text{2 acres of parkland} & & \text{will be per TCAD)} \\ & = & \$30,000 \end{array}$$

C. PARK IMPROVEMENT REQUIREMENTS

1. The Parks and Recreation Board Guidelines, Parkland and Recreation Facility Standards For Municipal Utility Districts, adopted November 27, 1984, recommends park improvements amounting to \$200 per residential living unit equivalent (LUE). The Pilot Knob PUD shall provide at least \$400 per residential living unit equivalent. The improvements shall be shown on Final Plat construction documents or site plans. The construction dollar amount for parks and trails open to the public shall be tracked using Exhibit E, "Park Land and Open Space Tracking Sheet". Costs for private facilities not open to the public will not be shown on the Tracking Sheet.
2. A minimum of ten miles of trails open to the public shall be provided throughout the PUD, as shown in the approximate locations on Exhibit D and consistent with the intent of the Urban Trails Master Plan to provide east-west connectivity.
 - i.) Land in the approximate location of a trail on Exhibit D that is planned to be part of the Pilot Knob PUD trail/greenbelt system will be included as a lot in the Final Plat of the last adjacent area surrounding the trail/greenbelt. The lot will be labeled Greenbelt Park on the Preliminary Plan, if a Preliminary Plan is required, and on the Final Plat. Fiscal surety

for trail construction shall be posted with the City of Austin prior to plat approval. The land shall be deeded to the MUD and the fiscal surety refunded once the proposed trail improvements are complete and reasonable access for maintenance exists.

- ii.) Required trail segments to be constructed shall be shown on Final Plat construction documents or site plans.
 - iii.) Specific trail alignments, designs and specifications will be approved by the City of Austin during the subdivision construction or site plan approval process.
 - iv.) At least one public access easement or public right-of-way connecting neighborhoods to trail alignments shall be provided and those easements shall be a minimum of 15 feet in width.
3. If the trails and parkland shown in Exhibit D have been constructed and the Tracking Sheet shows that the PUD is above 100% of park construction amounts owed per residential LUE, the amount of parkland improvement dollars above 100% may be credited to any subdivision or site plan to offset up to the equivalent portion of the \$400 per residential LUE in improvements owed or towards Section B.6. for fee-in-lieu of land.

D. FINAL PLAT NOTE

If parkland is not owed on a final plat, according to the Preliminary Plan, a note will be added to the final plat saying that Parkland Dedication has been satisfied in accordance with PUD ordinance no. _____. If parkland is owed, a note will be added to the final plat stating the number of acres provided to the applicable MUD and stating a cumulative acreage provided to date for the entire PUD area.

EXHIBIT H: OFF-STREET PARKING AND LOADING REGULATIONS

DRAFT: SEPTEMBER 2, 2015

- (1) There is no off-street loading requirement for a building with less than 10,000 square feet (to be designated) of gross building area. The director shall determine the location, number, and dimensions of the off-street loading for a larger building. These may be located on certain streets in the on-street parking zone. Loading spaces may be shared between two different, but adjacent uses and/or properties. The Director may establish/approve other exceptions to Appendix A.
- (2) Except as approved by the Director, parking in alleys is prohibited.
- (3) This section established minimum vehicular parking requirements.
 - a. Except as otherwise provided in this subsection, a commercial use shall provide one parking space for every 500 square feet of gross building area.
 - b. An office use shall provide one parking space for every 500 square feet of gross building area.
 - c. A condominium residential, multi-family residential, group residential, Mansion House, or retirement housing use shall provide one parking space for the first bedroom of a dwelling unit and 0.5 parking space for each additional bedroom.
 - d. A townhouse residential, single-family residential, duplex residential, yard house, row house, shop house, group home or family home use shall provide two parking spaces for each dwelling unit. A yard house is not required to provide additional parking for an accessory dwelling unit if that accessory dwelling unit does not contain more than 700 square feet of gross building area. A shop house is not required to provide additional parking for a commercial use if that commercial use does not exceed 750 square feet.
 - e. An indoor entertainment use shall provide one parking space for every 15 seats.
 - f. An amphitheater shall provide one parking space for every 15 seats.
 - g. A sports playfield use shall provide eight parking spaces per field.
 - h. Off-street parking is not required for park and recreational facilities, community recreation facilities,
 - i. community events facilities or outdoor sports and recreation facilities (such as neighborhood parks, pavilions, picnic shelters or tables, playgrounds, swimming pools, boat rental facilities, basketball/sport courts, or bike rental facilities, excepting playfields, as noted above).

The Director shall determine the parking requirement for any use not listed in this subsection.
- (4) In the Town Center (TC) land use area, the required parking for a use may be located anywhere in the land use area. Community parking facilities are encouraged.
- (5) In the Town Center (TC), Employment Center (EC), Mixed Residential (MR) and Open Space (OS) land use areas of the PUD, shared parking will be allowed between different properties. These will generally comply with the City of Austin's current shared parking regulations, but the Director may approve variances from these.
- (6) Note: *Accessible parking spaces must be located on the shortest possible accessible route of travel to an accessible building entrance. In facilities with multiple accessible building entrances with adjacent parking, accessible spaces must be dispersed and located near the accessible entrances. (Cited from IBC 1106.6)*
- (7) In all areas of the PUD, any off-street loading spaces are allowed to be located on-street, in the public ROW, on streets and drives that have such space designed for on-street parking. When located on-street, the minimum dimension of such off-street loading space may be reduced to 10 feet by 30 feet.
- (8) Adjacent properties may share and are encouraged to share off-street or on-street loading spaces.

DECLARATION OF EASEMENTS AND RESTRICTIVE COVENANTS REGARDING THE MAINTENANCE OF DRAINAGE FACILITIES

This Declaration of Easements and Restrictive Covenants Regarding the Maintenance of Drainage Facilities for the Easton Park Development (this "Restrictive Covenant"), is executed by Carma Easton LLC, a Texas limited liability company ("Declarant"), and is as follows:

GENERAL RECITALS:

DECLARANT: Carma Easton LLC, a Texas limited liability company

ADDRESS: 11501 Alterra Parkway, Suite 100, Austin, Texas 78758

CONSIDERATION: Ten and No/100 Dollars (\$10.00) and other good and valuable consideration paid by the City of Austin (the "City") to Declarant, the receipt and sufficiency of which are acknowledged.

PROPERTY: Declarant owns land (the "Property") within Travis County, more particularly described on **EXHIBIT A** attached and incorporated by reference.

A. Definitions.

1. Owners. The term "Owner" means, individually, and the term "Owners" means, collectively, Declarant and all future owners of the fee interest of any portion of the Property (whether such fee interest is obtained through a purchase from Declarant or through a purchase at a foreclosure sale or trustee's sale or through a deed in lieu of foreclosure) and their successors and assigns.
2. Facilities. The term "Facilities" means those drainage facilities that convey and receive stormwater runoff and that are more particularly described on **EXHIBIT B** attached and incorporated by reference.
3. District. The term "District" means the Pilot Knob Municipal Utility District No. 3, a political subdivision of the State of Texas created and operating under Article XVI, Section 59 of the Texas Constitution and Chapters 49 and 54 of the Texas Water Code.

B. Declaration.

Each contract, deed or conveyance of any kind conveying all or a portion of the Property will conclusively be held to have been executed, delivered, and accepted subject to the following covenants, conditions and restrictions, regardless of whether or not they are set out in full or by reference in said contract, deed or conveyance. Declarant declares that the Property is subject to

the following covenants, conditions and restrictions which run with the Property and bind all parties having right, title, or interest in or to the Property or any part, their respective heirs, successors, and assigns and inure to the benefit of each Owner and the District.

AGREEMENTS:

1. Recitals Incorporated. The above Recitals and all terms defined therein are incorporated into this Restrictive Covenant for all purposes.

- 2.1 Easement to the District. Declarant hereby grants and conveys and by these presents does GRANT AND CONVEY unto the District, whose address is c/o Armbrust & Brown, PLLC, 100 Congress Avenue, Suite 1300, Austin, Texas 78701, a non-exclusive easement for the inspection, monitoring, operation, maintenance, replacement, upgrade and repair, as applicable, of the Facilities, in, upon and across portions of the Property as more particularly described in **EXHIBIT C** attached hereto and incorporated by reference (the "Easement Tract").

TO HAVE AND TO HOLD the same perpetually to the District and its successors and assigns, together with the privilege at any and all times to enter the Easement Tract for the purpose of operating, inspecting, monitoring, maintaining, replacing, upgrading and repairing, as applicable, the Facilities. This easement is made and accepted subject to all easements, covenants, restrictions, liens, and other encumbrances of record in Travis County, Texas affecting the Easement Tract.

- 2.2 Easement to the Owners. Declarant hereby grants and conveys and by these presents does GRANT AND CONVEY unto the Owners, a non-exclusive easement for the inspection, monitoring, operation, maintenance, replacement, upgrade and repair, as applicable, of the Facilities in, upon and across the Easement Tract.

TO HAVE AND TO HOLD the same perpetually to the Owners and their respective successors and assigns, together with the privilege at any and all times to enter the Easement Tract for the purpose of operating, inspecting, monitoring, maintaining, replacing, upgrading and repairing, as applicable, the Facilities. This easement is made and accepted subject to all easements, covenants, restrictions, liens, and other encumbrances of record in Travis County, Texas affecting the Easement Tract.

- 2.3 Easement to the City. Declarant hereby grants and conveys and by these presents does GRANT AND CONVEY unto the City, whose address is Post Office Box 1088, Austin, Texas 78767-1088, Attn: Development Services Department, a non-exclusive easement for the inspection, monitoring, operation, maintenance, replacement, upgrade and repair, as applicable, of the Facilities in, upon and across the Easement Tract.

TO HAVE AND TO HOLD the same perpetually to the City and its successors and assigns, together with the privilege at any and all times to enter the Easement Tract for the purpose of operating, inspecting, monitoring, maintaining, replacing, upgrading and repairing, as applicable, the Facilities. This easement is made and accepted subject to all easements,

covenants, restrictions, liens, and other encumbrances of record in Travis County, Texas affecting the Easement Tract.

3. Maintenance. The Owners shall continuously maintain the Facilities in accordance with the requirements of the City and in a good and functioning condition until such time as the Facilities have been constructed and the District has accepted the Facilities for maintenance, at which time the District will maintain the Facilities. The District may levy assessments to discharge the maintenance obligations of the Facilities. Each Owner is jointly and severally liable for the maintenance of the Facilities, but only in the event that the District fails to discharge its obligation to maintain the Facilities. After full purpose annexation of the Property by the City, the City will maintain the Facilities. The portion of the Property on which the Facilities are located may not be used for any purpose inconsistent with or detrimental to the proper operation of the Facilities.
4. Notice of City Entry. Prior to the City's full purpose annexation of the Property, the City shall give the District and the Owners thirty (30) days' prior written notice of the City's intent to enter all or part of the Easement Tract for the purpose of operating, maintaining, replacing, upgrading or repairing, as applicable, the Facilities; provided, however, that in the event of an emergency, the City shall be required to give prior notice within a reasonable period of time. Reasonableness shall be determined in accordance with the nature of circumstances of the emergency. The City shall have the right to enter the Easement Tract without notification for the purposes of monitoring and inspection only.
5. General Provisions.
 - A. Enforcement. If any person, persons, corporation, or entity of any other character violates or attempts to violate this Restrictive Covenant, it will be lawful for the City, its successors and assigns, to prosecute proceedings at law, or in equity, against the person, or entity violating or attempting to violate such covenant and to prevent the person or entity from violating or attempting to violate such covenant. The failure at any time to enforce this Restrictive Covenant by the City, its successors and assigns, whether any violations hereof are known or not, does not constitute a waiver or estoppel of the right to do so.
 - B. Modification and Amendment. This Restrictive Covenant may only be modified, amended or terminated upon the filing of such modification, amendment or termination in the Official Records of Travis County, Texas, approved and executed by (a) the Director of the Development Services Department of the City or successor department; (b) the Owners of the Property; (c) any mortgagees holding security interests on any portion of the Property, and (d) from and after such time as the District has accepted the Facilities for maintenance, the District. Such action only becomes effective after it is reduced to writing, signed by all of the required parties described in the immediately preceding sentence, and filed in the Real Property Records of Travis County.
 - C. Duration. Unless modified, amended, or terminated in accordance with Paragraph 5(B), this Restrictive Covenant remains in effect in perpetuity.

- D. Inurement. This Restrictive Covenant and the restrictions created hereby inure to the benefit of and bind the District and the Owners, and their successors and assigns. When an Owner conveys all or any portion of the Property, the former Owner will thereupon be released and discharged from any and all further obligations, if any, under this Restrictive Covenant that it had in connection with the Property conveyed by it from and after the date of recording of such conveyance, but no such sale releases that Owner from any liabilities, if any, actual or contingent, existing as of the time of such conveyance. When the City full purpose annexes the Property and accepts the Facilities for maintenance, the District will thereupon be released and discharged from any and all further obligations, if any, under this Restrictive Covenant that the District had in connection with the maintenance of the Facilities from and after the date of such full purpose annexation, but no such full purpose annexation releases the District from any liabilities, if any, actual or contingent, existing as of the time of such full purpose annexation.
- E. Non-Merger. This Restrictive Covenant will not be subject to the doctrine of merger, even though the underlying fee ownership of the Property, or any parts thereof, is vested in one party or entity.
- F. Captions. The captions preceding the text of each section and subsection hereof are included only for convenience of reference and will be disregarded in the construction and interpretation of this Restrictive Covenant.
- G. Governing Law; Place of Performance. This Restrictive Covenant and all rights and obligations created hereby will be governed by the laws of the State of Texas. This Restrictive Covenant is performable only in the county in Texas where the Property is located.
- H. Notices. Any Notice to the District, Declarant, any other Owner, or the City must be in writing and given by delivering the same to such party in person, by expedited, private carrier services (such as Federal Express) or by sending the same by certified mail, return receipt requested, with postage prepaid to the intended recipient's last known mailing address. All notices under this Restrictive Covenant will be deemed given, received, made or communicated on the date personal delivery is effected or, if mailed, on the delivery date or attempted delivery date shown on the return receipt. Any change in ownership or address requires notice to the District, Declarant, all other Owners, and the City.

- I. Negation of Partnership. None of the terms or provisions of this Restrictive Covenant will be deemed to create a partnership between or among the District, Declarant, any other Owner, or the City in their respective businesses or otherwise; nor will it cause them to be considered joint ventures or members of any joint enterprise.
- J. Breach Does Not Permit Termination. Notwithstanding anything to the contrary contained herein, no breach of this Restrictive Covenant entitles the District, Declarant, or any other Owner to cancel, rescind or otherwise terminate this Restrictive Covenant, but such limitations do not affect in any manner any other rights or remedies which the District, Declarant, or any other Owner may have hereunder by reason of any breach of this Restrictive Covenant.
- K. Excusable Delays. Whenever performance is required of the District or any Owner hereunder, the District or the Owner, as the case may be, shall use all due diligence to perform and take all reasonable and necessary measures in good faith to perform; provided, however, that if completion of performance is delayed at

any time by reasons of acts of God, war, civil commotion, riots, strikes, picketing, or other labor disputes, unavailability of labor or material, damage to work in progress by reason of fire or other casualty, or any other cause beyond the reasonable control of the District or the Owner, as the case may be (financial inability, imprudent management or negligence excepted), then the time for performance as herein specified will be extended by the amount of delay actually so caused.

- L. Existing Encumbrances. The easements and other rights granted or created by this Restrictive Covenant are subject to any and all matters of record affecting the Property.
- M. Severability. The provisions of this Restrictive Covenant must be deemed to be independent and severable, and the invalidity or partial invalidity of any provision or portion hereof does not affect the validity or enforceability of any other provision.
- N. Entire Agreement. This Restrictive Covenant, and the exhibits attached hereto, contain all the representations and the entire agreement between the parties to this Restrictive Covenant with respect to the subject matter hereof. Any prior correspondence, memoranda or agreements are superseded in total by this Restrictive Covenant and the exhibits attached hereto. The provisions of this Restrictive Covenant will be construed as a whole according to their common meaning and not strictly for or against any Owner.
- O. Counterparts. This Restrictive Covenant may be executed in one or more counterparts, all of which will be considered one and the same agreement and will become effective when one or more counterparts have been signed by each of the parties and delivered to the other parties, it being understood that all parties need not sign the same counterpart.

GRANTOR: CARMA EASTON LLC, a Texas limited liability company

GRANTOR'S ADDRESS: 11501 Alterra Parkway, Suite 100, Austin, Texas 78758

CONSIDERATION: Ten and no/100 dollars (\$10.00) and other good and valuable consideration paid by the City of Austin to the Grantor, the receipt and sufficiency of which is acknowledged:

PROPERTY: That certain real property in Travis County, Texas described in Exhibit A to each Strategic Partnership Agreement between the City of Austin and each of Pilot Knob Municipal Utility Districts Nos. 1, 2, 3, 4 and 5, attached as Exhibit 1 to those certain Ordinances Nos. 20120524-035, 20120524-036, 20120524-037, 20120524-038 and 20120524-039 and filed of record as Documents Nos. 2012100037, 2012100038, 2012100039, 2012100040 and 2012100041, respectively, in the Official Public Records of Travis County, Texas, to which instruments and their respective record references are now here made for all pertinent purposes

TRANSFERRING TRACT: That certain real property in Travis County, Texas described on Exhibit A attached hereto and incorporated herein by reference.

RECEIVING TRACT: That certain real property in Travis County, Texas described on Exhibit B attached hereto and incorporated herein by reference.

WHEREAS, Grantor is the owner of the Transferring Tract and the Receiving Tract; and

WHEREAS, the above-described Transferring Tract is located within one or more of Pilot Knob Municipal Utility District No. 1, Pilot Knob Municipal Utility District No. 2, Pilot Knob Municipal Utility District No. 3, Pilot Knob Municipal Utility District No. 4 and Pilot Knob Municipal Utility District No. 5, each a political subdivision of the State of Texas created and operating under Article XVI, Section 59 of the Texas Constitution and Chapters 49 and 54 of the Texas Water Code (each a "MUD" and, collectively, the "MUDs"); and

WHEREAS, the above-described Receiving Tract is located within one or more of the MUDs; and

Exhibit K

WHEREAS, the City of Austin and the Grantor entered into a Consent Agreement with each of the MUDs, each such Consent Agreement being effective as of April 13, 2012, and Austin City Council approved the Consent Agreements in Ordinance Nos. 20120322-031, 20120322-032, 20120322-033, 20120322-034 and 20120322-035 (collectively, the “**Consent Agreement**”); and

WHEREAS, the Consent Agreement provides that, with respect to waterways having a contributing drainage area of less than 320 acres but more than 64 acres, Grantor is required to provide a setback, herein and in the PUD referenced as a Critical Water Quality Zone for minor waterways (“**CWQZ**”), of 50 feet from the centerline of such waterway; and

WHEREAS, where the provision of such CWQZ causes hardship on the development of the property located within the MUDs, the Consent Agreement provides that a one-for-one credit based on linear foot of waterway will be given for each of the following: (i) providing a 50 foot CWQZ from the centerline of waterways having a contributing drainage area of less than 64 acres, and/or (ii) increasing the CWQZ width established by the 50 foot centerline setback (total width of 100 feet centered on the waterway) to an average total width of 200 feet for waterways having a contributing drainage area of less than 320 acres but more than 64 acres, which added CWQZ width does not need to be centered on the centerline of such Minor Waterway; and

WHEREAS, Grantor intends to transfer some or all of the linear feet of the CWQZ available for transfer from the Transferring Tract to the Receiving Tract in accordance with all applicable Consent Agreement requirements;

NOW, THEREFORE, it is declared that the Owner of the Transferring Tract and the Owner of the Receiving Tract, for consideration, shall hold, sell, and convey the Transferring Tract and Receiving Tract subject to the following covenants and restrictions by this restrictive covenant. These covenants and restrictions shall run with the land, and shall be binding on the Owner of the Transferring Tract and Receiving Tract, its heirs, successors, and assigns.

1. In accordance with the Consent Agreement, the entire Receiving Tract is deemed to be included within the CWQZ. Except as allowed under applicable law, no use will be made of the Receiving Tract, or on the Receiving Tract, that is inconsistent with the uses permitted in the Consent Agreement for real property located in the CWQZ.
2. In accordance with the Consent Agreement, none of the Transferring Tract will be subject to any restrictions or limitations relating to real property located in a CWQZ.
3. Taking into consideration the property being designated as Transferring Tract(s) and Receiving Tract(s) in this restrictive covenant, no linear feet of the Transferring Tract remain available for future transfer, based upon the criteria set out in the Consent Agreement and as reflected in **Exhibit C** attached hereto and incorporated herein by reference. Further, **Exhibit D** attached hereto and incorporated herein by reference reflects the cumulative Transferring Tracts and Receiving Tracts within the Property since, and including those reflected in, the recording of that certain Setback/Waterway Buffer Zone Transferring and Receiving Restrictive Covenant No. 1 as Document No. 2014138937 in the Official Public Records of Travis County, Texas.

4. The Grantor shall place on the preliminary, final and construction plans (i) a note noting this recorded Restrictive Covenant document number, (ii) if any portion of the Transferring Tract is within the boundary of the current plat application, a note and detailed drawing of such portion of the Transferring Tract, and (iii) if the Receiving Tract is within the boundary of the current plat application, a note and detailed drawing of the portion of the Receiving Tract located thereon.
5. The Transferring Tract and Receiving Tract shall be held, sold, conveyed, and occupied subject to the following covenants, conditions, and restrictions, which shall run with the Transferring Tract and Receiving Tract and shall be binding on all parties having any right, title or interest in or to the Transferring Tract or Receiving Tract or any portion thereof, their heirs, legal representatives, successors, and assigns.
6. If any person or entity shall violate or attempt to violate this agreement and covenant, it shall be lawful for the City of Austin to prosecute proceedings at law or in equity against such person or entity violating or attempting to violate such agreement or covenant, to prevent the person or entity from such actions, and to collect damages for such actions.
7. If any part of this agreement or covenant is declared invalid, by judgment or court order, the same shall in no way affect any of the other provisions of this Agreement, and such remaining portion of this Agreement shall remain in full effect.
8. If, at any time, the City of Austin fails to enforce this agreement, whether or not any violations of it are known, such failure shall not constitute a waiver or estoppel of the right to enforce it.
9. This Restrictive Covenant may only be modified, amended or terminated upon the filing of a written modification, amendment or termination document in the Official Records of Travis County, Texas, executed, acknowledged and approved by (a) the Director of the Development Services Department of the City of Austin or successor department; (b) if such modification, amendment or termination relates to the Transferring Tract, all of the Owners of the Transferring Tract at the time of the modification, amendment, or termination and any mortgagees then holding a security interest on any portion of the Transferring Tract; and (c) if such modification, amendment or termination relates to the Receiving Tract, all of the Owners of the Receiving Tract at the time of the modification, amendment, or termination and any mortgagees then holding a security interest on any portion of the Receiving Tract. Such action only becomes effective after it is reduced to writing, signed by all required Parties and their respective mortgagees, if any, and the Director of the Development Services Department of the City of Austin or its successor department and filed in the Real Property Records of Travis County, Texas.

All citations to the Land Development Code shall refer to the Austin City Code, as amended from time to time, unless otherwise specified. When the context requires, singular nouns and pronouns include the plural.

CONSIDERATION: Ten and no/100 dollars (\$10.00) and other good and valuable consideration paid by the City of Austin to the Grantor, the receipt and sufficiency of which is acknowledged:

PROPERTY: That certain real property in Travis County, Texas described in Exhibit A to each Strategic Partnership Agreement between the City of Austin and each of Pilot Knob Municipal Utility Districts Nos. 1, 2, 3, 4 and 5, attached as Exhibit 1 to those certain Ordinances Nos. 20120524-035, 20120524-036, 20120524-037, 20120524-038 and 20120524-039 and filed of record as Documents Nos. 2012100037, 2012100038, 2012100039, 2012100040 and 2012100041, respectively, in the Official Public Records of Travis County, Texas, to which instruments and their respective record references are now here made for all pertinent purposes

TRANSFERRING TRACT: That certain real property in Travis County, Texas described on Exhibit A attached hereto and incorporated herein by reference.

RECEIVING TRACT: That certain real property in Travis County, Texas described on Exhibit B attached hereto and incorporated herein by reference.

WHEREAS, Grantor is the owner of the Transferring Tract and the Receiving Tract; and

WHEREAS, the above-described Transferring Tract is located within one or more of Pilot Knob Municipal Utility District No. 1, Pilot Knob Municipal Utility District No. 2, Pilot Knob Municipal Utility District No. 3, Pilot Knob Municipal Utility District No. 4 and Pilot Knob Municipal Utility District No. 5, each a political subdivision of the State of Texas created and operating under Article XVI, Section 59 of the Texas Constitution and Chapters 49 and 54 of the Texas Water Code (each a "MUD" and, collectively, the "MUDs"); and

WHEREAS, the above-described Receiving Tract is located within one or more of the MUDs; and

WHEREAS, the City of Austin and the Grantor entered into a Consent Agreement with each of the MUDs, each such Consent Agreement being effective as of April 13, 2012, and Austin City Council approved the Consent Agreements in Ordinance Nos. 20120322-031, 20120322-032, 20120322-033, 20120322-034 and 20120322-035 (collectively, the "**Consent Agreement**"); and

WHEREAS, Grantor intends to transfer some of the wetlands (as defined in Section 25-8-1 of the City of Austin's Land Development Code (the "**LDC**")) located within the Property from the Transferring Tract to the Receiving Tract in accordance with all applicable provisions of the LDC;

NOW, THEREFORE, it is declared that the Owner of the Transferring Tract and the Owner of the Receiving Tract, for consideration, shall hold, sell, and convey the Transferring Tract and Receiving Tract subject to the following covenants and restrictions by this restrictive covenant. These covenants and restrictions shall run with the land, and shall be binding on the Owner of the Transferring Tract and Receiving Tract, its heirs, successors, and assigns.

1. The entire Receiving Tract is deemed to be wetland subject to the protections, restrictions or limitations set forth in Section 25-8-282 and other applicable provisions of the LDC. Except as allowed under applicable law, no use will be made of the Receiving Tract, or on the Receiving Tract, that is inconsistent with the uses permitted in the LDC for real property located in wetlands.
2. As the Receiving Tract is wetland mitigation property for the Transferring Tract, none of the Transferring Tract will be subject to any of the protections, restrictions or limitations set forth in Section 25-8-282 and other applicable provisions of the LDC relating to real property located in wetlands.
3. Taking into consideration the property being designated as Transferring Tract(s) and Receiving Tract(s) in this restrictive covenant, as the number of acres of the Receiving Tract exceeds the number of acres of the Transferring Tract, as reflected in **Exhibit C** attached hereto and incorporated herein by reference, _____ acres remain available for future transfer to other land within the Property so that such land will also be deemed to be a Transferring Tract (without the necessity of an additional Receiving Tract) upon the filing of a future restrictive covenant with respect to such land. [Further, **Exhibit D** attached hereto and incorporated herein by reference reflects the cumulative Transferring Tracts and Receiving Tracts within the Property since, and including those reflected in, the recording of that certain Wetlands Transferring and Receiving Restrictive Covenant No. 1 as Document No. _____ in the Official Public Records of Travis County, Texas.]¹
4. The Grantor shall place on the preliminary, final and construction plans (i) a note noting this recorded Restrictive Covenant document number, (ii) if any portion of the Transferring Tract is within the boundary of the current plat application, a note and detailed drawing of such portion of the Transferring Tract, and (iii) if the Receiving Tract is within the boundary of the current plat application, a note and detailed drawing of the portion of the Receiving Tract located thereon.

¹ This sentence and Exhibit D would be included in the second and all subsequent Wetlands Restrictive Covenants.

5. The Transferring Tract and Receiving Tract shall be held, sold, conveyed, and occupied subject to the following covenants, conditions, and restrictions, which shall run with the Transferring Tract and Receiving Tract and shall be binding on all parties having any right, title or interest in or to the Transferring Tract or Receiving Tract or any portion thereof, their heirs, legal representatives, successors, and assigns.
6. If any person or entity shall violate or attempt to violate this agreement and covenant, it shall be lawful for the City of Austin to prosecute proceedings at law or in equity against such person or entity violating or attempting to violate such agreement or covenant, to prevent the person or entity from such actions, and to collect damages for such actions.
7. If any part of this agreement or covenant is declared invalid, by judgment or court order, the same shall in no way affect any of the other provisions of this Agreement, and such remaining portion of this Agreement shall remain in full effect.
8. If, at any time, the City of Austin fails to enforce this agreement, whether or not any violations of it are known, such failure shall not constitute a waiver or estoppel of the right to enforce it.
9. This Restrictive Covenant may only be modified, amended or terminated upon the filing of a written modification, amendment or termination document in the Official Records of Travis County, Texas, executed, acknowledged and approved by (a) the Director of the Development Services Department of the City of Austin or successor department; (b) if such modification, amendment or termination relates to the Transferring Tract, all of the Owners of the Transferring Tract at the time of the modification, amendment, or termination and any mortgagees then holding a security interest on any portion of the Transferring Tract; and (c) if such modification, amendment or termination relates to the Receiving Tract, all of the Owners of the Receiving Tract at the time of the modification, amendment, or termination and any mortgagees then holding a security interest on any portion of the Receiving Tract. Such action only becomes effective after it is reduced to writing, signed by all required Parties and their respective mortgagees, if any, and the Director of the Development Services Department of the City of Austin or its successor department and filed in the Real Property Records of Travis County, Texas.

All citations to the Land Development Code shall refer to the Austin City Code, as amended from time to time, unless otherwise specified. When the context requires, singular nouns and pronouns include the plural.

GUIDING PRINCIPLES

- Public artworks and/or artfully-crafted architectural elements (gates, bridges, walls, etc.) will be constructed by the Master Developer in order to enhance the community's public open spaces, parks, and entryways.
- These will be located strategically to optimize public visibility and accessibility, and will include information about the art and the artist, at minimum.
- These works will also be located so as to become distinctive, high-quality public places that will enhance the value and the identity of the community.

Exhibit R

REC'D 12-2-2015

Exhibit S
PUD Notes

1. For any site within the Project Area, soil may be temporarily stockpiled through the use of a D-site plan reviewed and approved administratively with the following conditions:
 - (a) The site plan final grade shown is the existing grade prior to the site plan,
 - (b) Protection for erosion and sedimentation shall be provided, as outlined in the code,
 - (c) There are no limits on soil stockpile height, if it is for construction use, and
 - (d) These temporary spoils areas may be designated PUD wide with the D-site plan, even if the property is not contiguous.
2. A portion of the PUD area lays within the Controlled Compatible Land Use Area (CCLUA) associated with the Austin Bergstrom International Airport. Approval of the Land Use Plan with this PUD does not grant approval by the Federal Aviation Administration (FAA) or Department of Aviation (DoA), and development applications filed for areas within the CCLUA are subject to their review prior to approval by the City and/or County.
3. As stated within the Consent Agreement, in Exhibit F, item 2, in all phases of development, the Developer agrees to design modified channels based on geomorphic stability for full build-out hydrology. Such design requires a series of nested channels (e.g. below figure from Consent Agreement) that includes a bankfull (1 yr. return interval) channel within the floodplain (100 yr) channel with distinct connections to an inset floodplain terrace.

Exhibit S

The top width to depth ratio of the bankfull channel shall be designed per accepted geomorphic principles (e.g., Osterkamp et al. 1983 or Osborn and Stypula 1987). The channel longitudinal profile (slope) shall be designed and demonstrated by calculation to be non-erosive via permissible shear or velocity calculations that consider the particle size of the native soil comprising the channel. If topographic and/or development constraints make the design of a non-erosive natural channel infeasible, the use of armoring (such as with geotextiles) will be allowed.

4. As stated within the Consent Agreement in Exhibit F, item 3, in all phases of development the Developer agrees to provide water quality controls superior to those otherwise required by providing innovative controls listed in ECM Section 1.6.7 or others as approved by the Watershed Protection Department.
5. At the time an application for approval of a site plan or single family is submitted for development of any portion of the PUD, an Integrated Pest Management and Public Education plan shall be submitted to the Watershed Protection Department for review and approval. The plan shall comply with the guidelines in Section 1.6.9.2 (D) and (F) of the Environmental Criteria Manual.
6. Residential blocks shall not exceed 1200 feet in length unless such blocks are parallel to and adjacent to an arterial street, in which case they may not exceed 1500 feet in length. Commercial and industrial block lengths may not exceed 2000 feet in length.
7. A residential block that is more than 900 feet in length must be transected by a sidewalk that is located not less than 300 feet from each block end. The sidewalk must be not less than six feet wide, comply with City standards, and be located within an easement or ROW, that is not less than 15 feet wide.
8. The Pilot Knob PUD shall integrate neighborhood collector and larger roadways to provide full (vehicular, bicycle, and pedestrian) connectivity with adjacent properties for future developments to align and connect with existing or proposed streets on adjoining properties unless the Land Use Commission determines that the Comprehensive Plan, topography, requirements of traffic circulation, or other considerations make it desirable to depart from the alignment or connection. Any full connections (as defined above) that would require crossings over intermediate and major waterways are not required, and do not need to go to the Land Use Commission for that determination; bicycle and pedestrian connections may be substituted. This does not apply to William Cannon Drive and Slaughter Lane.
9. The Pilot Knob project shall comply with the Complete Streets typical sections included in Exhibit T or alternative sections as approved by the City of Austin Transportation Department and Travis County for development prior to annexation by the City. All development following annexation shall comply with the street cross section requirements of the City of Austin.

10. Single-outlet streets may not exceed 700 feet unless a second outlet is topographically not feasible.
11. Single-outlet streets that exceed 700 feet shall incorporate a secondary outlet for bicycles and pedestrians unless such a connection is topographically not feasible.

AFFORDABLE HOUSING RESTRICTIVE COVENANT

OWNER:

ADDRESS:

CONSIDERATION: Ten and No/100 Dollars (\$10.00) and other good and valuable consideration paid by the Owner to the City of Austin, the receipt and sufficiency of which is acknowledged.

PROPERTY:

WHEREAS, the Owner of the Property and the City of Austin have agreed that the Property should be impressed with certain covenants and restrictions;

NOW, THEREFORE, it is declared that the Owner of the Property, for the consideration, shall hold, sell and convey the Property, subject to the following covenants and restrictions impressed upon the Property by this restrictive covenant. These covenants and restrictions shall run with the land, and shall be binding on the Owner of the Property, its heirs, successors, and assigns.

1. At least ten (10) percent of the dwelling units on the Property must be available to house persons whose household income is equal to or less than eighty (80) percent of the median family income in the Austin statistical metropolitan area, as determined by the director of the City of Austin's Neighborhood Housing and Community Development Office, for a period of (i) 40 years from the date a certificate of occupancy is issued for rental units; and (ii) 99 years for ownership units from the date of sale and transfer to an income eligible household. Ownership units must be sold at a price affordable to a household at 80% or below MFI and transferred to the owner subject to a resale restricted, shared equity agreement approved by the director of Neighborhood Housing and Community Development. The base rent charged by the owner of the Project for the affordable rental units shall not exceed the rent limit for 80% AMFI households paying no more than 28% of household income towards housing.
2. The Neighborhood Housing and Community Development Office will conduct compliance and monitoring of the affordability requirements of this restrictive covenant. The director of Neighborhood Housing and Community Development shall establish compliance and monitoring rules and criteria for implementing the affordability requirements of this restrictive covenant.
3. If any person or entity shall violate or attempt to violate this agreement and covenant, it shall be lawful for the City of Austin to prosecute proceedings at law or in equity against such person or entity violating or attempting to violate such agreement or covenant, to prevent the person or entity from such actions, and to collect damages for such actions.

4. If any part of this agreement or covenant is declared invalid, by judgment or court order, the same shall in no way affect any of the other provisions of this agreement, and such remaining portion of this agreement shall remain in full effect.
5. If at any time the City of Austin fails to enforce this agreement, whether or not any violations of it are known, such failure shall not constitute a waiver or estoppel of the right to enforce it.
6. This agreement may be modified, amended or terminated only by joint action of both (a) a majority of the members of the City Council of the City of Austin, and (b) by the owner(s) of the Property subject to the modification, amendment or termination at the time of such modification, amendment or termination.

When the context requires, singular nouns and pronouns include the plural.
