B. DISCUSSION AND ACTION ON APPLICATIONS FOR CERTIFICATES OF APPROPRIATENESS

1. LHD-2015-0026

**Hyde Park Local Historic District
4011 Avenue A
Council District 9**

Proposal: Construct a new two story single family home

Applicant: Christopher Carty

City Staff: Beth Johnson, Historic Preservation Office, 974-7801

Committee Reviewed the proposal and requested two changes: One to the window configuration and one to the door.

Staff Recommendation: Staff recommends approval of the Certificate of Appropriateness as submitted. The applicant has made necessary changes to the windows to accommodate a more contextual configuration and has provided ample examples within the neighborhood of houses that have an entrance off of the front porch but not directly facing the street.

Wanda Penn spoke to address the application. Chris Carty spoke in support of the application.

MOTION: The public hearing was closed on a motion by Commissioner [J]. Commissioner Clites seconded the motion; vote 10-0.

MOTION: Approve the application on a motion by Commissioner Papavasiliou. Commissioner Whitworth seconded the motion; vote 10-0.

C. REVIEW OF PERMITS IN NATIONAL REGISTER HISTORIC DISTRICTS

1. NRD-2015-0112 - POSTPONE TO JANUARY 25, 2016 at the applicant's request.

611 West Lynn Street

Council District 9

Proposal: Demolition of the building

Applicant: Kathleen Labay

City Staff: Beth Johnson, Historic Preservation Office, 974-7801

Staff Recommendation: Initiate historic zoning as the Slaughter-Dildy House is significant for its architecture and its association with Roy Slaughter, a principal of Brown Brothers, one of the city's most prominent banking institutions, and with Dr. Charles Dildy, a local physician. If the Historic Landmark Commission releases the permit, a City of Austin Documentation package should be submitted before the permit is released.

MOTION: Postpone the public hearing, per passage of the consent agenda, on a motion by Commissioner Reed. Commissioner Treviño seconded the motion; vote 10-0.

2. NRD-2015-0125

1609 Gaston Avenue

Council District 9

Proposal: Demolish a non-contributing building and build a new 2 story single family home.

Applicant: Maker Architects

City Staff: Beth Johnson, Historic Preservation Office, 974-7801

Staff Recommendation: Release the application as proposed as the architecture has a neo-traditional form with the I plan and front facing gables. Stucco, stone and slate are materials found in the National Register Historic district and the massing and scale of the building are in keeping with the architecture of the neighborhood. While metal windows are not a common window material, the use of the multi-pane configuration makes the windows compatible with the neighborhood.

COMMENT: No additional comment to the staff recommendation.

3. NRD-2015-0129

Council District 8

Proposal: Build a one story open are bathroom facility.

Applicant: Chan & Partners Engineering/City of Austin

The bathhouse is a small one story building that takes its cues and materials from the natural setting of the park.
