In January of 2015, Parks Board made a recommendation to the Director to approve of temporary use of space at Colony District Park/Turner Roberts Recreation Center for the purposes of providing temporary community health clinic services and waive associated mitigation fees.

Today PARD returns to ask that the clinic space at Turner Roberts be approved for longer than what would be considered temporary.

- The Parks Board recommendation for temporary usage was for 1 year.
- Any non-park usage on park land for longer than one year, requires a public hearing before City Council and subsequent City Council approval
