Part II – Annual Evaluation

1. Evaluate committee actions throughout the year to determine compliance with the mission statement.

The Committee has supported the Parks and Recreation Board's purpose and duties by reviewing items brought before it and advising the Board regarding its findings.

2. Summarize input from staff and citizens assessing committee's success in complying with their mission statement.

The Committee has received comments from the citizens of Austin regarding the items brought before it for review and has given those comments due consideration when making suggestions to the Board for action. Staff concurs with the Committee's actions in complying with its purpose and duties.

3. Recommendation on whether:

A. The committee should continue operation or be dissolved:

The Parks and Recreation Board Land, Facilities and Programs Committee has determined that it should continue to meet monthly and provide recommendations to the full Board on use of parkland and park facilities by other City departments and other public or private entities. It should also continue to review and make recommendations on mitigation proposals for the use of City parkland.
