(draft - 29 jan 2016 by Mario Champion)

BOARD/COMMISSION RECOMMENDATION

Urban Transportation Commission

High-Capacity Transit Plan

WHEREAS, Mayor Adler has declared 2016 to be the Year of Mobility;

WHEREAS, the Chair of the Mobility Committee, CM Ann Kitchen has set the intention to develop policies and programs which move people not just cars ;

WHEREAS, {insert citizen and commissioner input};

NOW, THEREFORE, BE IT RESOLVED,

the Urban Transportation Commission recommends the City Council direct the City to develop and present a **high-capacity transit plan**, including consideration of rail using existing data, that prioritizes high-density corridors and high-diversity populations, including a timeline and staged process for completing the plan in a timeframe which allows City Council to place the plan optionally on the November 2016 ballot.
