Applicant: Pecan Valley Homes

City Staff: Beth Johnson, Historic Preservation Office, 974-7801

Hector Avila spoke in support of the application. There were no speakers in opposition.

MOTION: Close the public hearing on a motion by Commissioner Whitworth. Commissioner Clites seconded the motion; vote 8-0.

MOTION: Postpone the public hearing to February 22, 2016 and request that applicant attend the Certificate of Appropriateness Committee hearing on a motion by Commissioner Myers. Commissioner Reed seconded the motion. Vote 6-2, Commissioners Papavasiliou and Whitworth voting nay.

City Staff: Beth Johnson, Historic Preservation Office, 974-7801

Staff Recommendation: Release the application as proposed. The new bath house is near the Zilker bath houses; however its context is the Hillside Theater as well as the beginning of a trailhead. The bathhouse is a small one story building that takes its cues and materials from the natural setting of the park.

Council District 9

Proposal: Construct a rear two story addition to the rear of the house to be connected by a small connection

Applicant: Eix & Blackwell

City Staff: Beth Johnson, Historic Preservation Office, 974-7801

7. **NRD-2016-0002**
1605 Gaston Avenue
Council District 9

Proposal: Construct a rear two story addition on the rear of the house. Applicant:
Rodney Bennett

City Staff: Beth Johnson, Historic Preservation Office, 974-7801

Staff Recommendation: Release the application as submitted but encourage the applicants to consider keeping the roof form as a side gabled form to keep the original form of the house as well as retain the original stone veneer on the first floor. The retention of the original form would keep the architectural integrity of the home intact. This house does have a potential Historic Landmark Designation due to its historic associations with both Phillip Creer as well as Mike Michalske. Changing the roof form and removing the original siding would compromise the architectural integrity of the house and possibly prevent it from being designated as a Landmark.

Rodney Bennett spoke in favor of the application. There were no speakers in opposition. The public hearing was closed on a motion by Commissioner Tollett. Commissioner Clites seconded the motion; vote 8-0.

COMMENT: No further comment to the staff recommendation.
