

ENVIRONMENTAL COMMISSION MOTION 20160203 008a

Date: February 3, 2016

Subject: Gallagher Boat Dock SP-2015-0232DS (D-10)

Motion By: Hank Smith

Second By: Mary Ann Neely

RATIONALE:

Whereas, City staff recommends approval and have confirmed that the findings of facts have been met;
and

Whereas, the existing facilities which are in need of repair will be removed and replaced with new structures.

Therefore, the Environmental Commission recommends support of the request for construction of a boat dock, access maintenance and the installation of a new hand rail within several 150' Critical Environmental Feature Buffers.
