

Recommendation for Water & Wastewater Commission

Commission Meeting Date:	March 9, 2016
Council Meeting Date:	March 31, 2016
Department:	Public Works
SUBJECT	
Authorize execution of a construction contract with SANTA CLARA CONSTRUCTION, LTD. (MH 67.59%) for the NW Brentwood Karen & Payne Area Neighborhood Water System Upgrades project in the amount of \$2,434,207 plus a \$243,000 contingency, for a total contract amount not to exceed \$2,677,207. (District 7)	
AMOUNT AND SOURCE OF FUNDING	
Funding is available in the Fiscal Year 2015-2016 Capital Budget of Austin Water.	
Purchasing Language:	Lowest bid of 6 bids received.
Prior Council Action:	N/A
For More Information:	Dario Octaviano, 512-974-7607; Dedurie Kirk, 512-972-1062; Denise Avery, 512-972-0104; Lucy Bonee, 512-974-7976; Sarah Torchin, 512-974-7141
Boards and Commission Action:	March 9, 2016- To be reviewed by the Water and Wastewater Commission.
MBE/WBE:	This contract will be awarded in compliance with City Code Chapter 2-9A Minority Owned and Women Owned Business Enterprise Procurement Program by meeting the goals with 68.52% MBE and 1.03% WBE participation.

The NW Brentwood Karen & Payne Area Neighborhood Water System Upgrades project is part of the Renewing Austin Program. Renewing Austin is an ongoing program to replace and upgrade deteriorated aging water lines with a history of multiple breaks. In addition, the program coordinates and includes wastewater lines in need of replacement within the project area.

The work consists of the installation of approximately 9,910 linear feet of water lines and installation of 5 wastewater manholes.

Due to the potential for unknown subsurface conditions and utility conflicts, a 10% contingency in funding has been included to allow for the expeditious processing of any change orders. The construction contract dictates how long the bid prices are valid. If the contract is not signed within this period, the contractor has the option to increase any or all bid item prices, thus increasing the total project cost.

This item is not time sensitive, however a delay would mean a delay in replacing deteriorated water mains with the history of multiple breaks and, possible water main breaks in the area impacting water supply to the citizens.

The contract allows 270 calendar days for completion of this project. This project is located within zip code 78757 (District 7) and is managed by the Public Works Department.

Santa Clara Construction, Ltd. is located in Austin, Texas.
