Subject: Item N-2 - Fees for Interpretation Cases

N2
-1

Hello, Leane,

Please consider the following input for item N-2 on the agenda for the Board of Adjustment meeting today, February 8, 2016.

Please recommend that the fees charged to neighborhood associations for interpretation cases be reduced to \$250 and waived if the neighborhood association prevails. Many neighborhood associations cannot afford to pay fees for interpretation cases and the fee should be waived if the Board of Adjustment rules in favor of the neighborhood association.

Respectfully,

David King
Zilker Neighborhood Resident
