

Leading into the “Lattice” at the delta of the creek

And north to the Grove and Palm Park

The Grove

The proposed plan for the Grove area is a multi-use, multi-level development that will provide a high-quality, walkable environment for the community. The plan includes a mix of residential, commercial, and public open space, all designed to be accessible and enjoyable for everyone. The Grove will be a vibrant, walkable neighborhood that provides a high-quality, walkable environment for the community.

Palm Park will come to life with family programming

The refuge is a completely new park near 9th street

That will become a green escape in the middle of downtown

And a connection to Waterloo Park and beyond
