**F-1 C15-2015-0147 Robert Kleeman
8901 West Highway 71**

The appellant has filed an appeal challenging a Land Use Determination and related development approvals made in connection with the approval of an outdoor amphitheater located at LifeAustin Church, 8901 West State Highway 71, including decisions to classify the use as “religious assembly” and to subsequently approve Site Plan No. SP-2011-0185C, an associated restrictive covenant, and a building permit. The appellant disagrees that, among other things, the Land Use Determination and related development approvals incorrectly treat various outdoor activities held at educational and religious assembly facilities as part of the principal use rather than as temporary activities subject to City Code Section 25-2-921(C) in an “RR-NP”, Rural Residential – Neighborhood Plan zoning district.
