Additional Backup Information

The Parker Creek Ranch annexation area (approximately 90 acres) is located in eastern Travis County west of Decker Lane approximately three quarters of a mile north of the intersection of Decker Lane and Loyola Lane. This area is currently in the city's extraterritorial jurisdiction and is adjacent to the city's full purpose jurisdiction on the south and east sides of the tract. This area is undeveloped and includes the proposed Parker Creek Ranch subdivision (C8J-2015-0105), a portion of which is already in the city's full purpose jurisdiction. Future land uses include the proposed 370 lot single family residential subdivision. The property owner is requesting annexation to facilitate future development and so that the entirety of the 138 acre project will be located within the city's full purpose jurisdiction.
