CM Kitchen – Item 6 – Campaign Finance

Mayor,

I would like to propose the following amendments to the draft ordinance amending City Code Chapter 2-2 relating to campaign finance as follows:

Amendment 1: Replace “Independent Expenditure” with “Direct Campaign Expenditure”.

Amendment 2: Strike the proposed Part 13, City Code Section 2-2-32 (A) and renumber the remaining items in the section accordingly.

Amendment 3: Strike the proposed Part 13, City Code Section 2-2-32 (D) regarding the recommended reporting periods and reinstate the existing reporting periods listed in the City Code.
