Section 1A. Acquisition, Rehabilitation and Equipping of the Project. The Owner hereby represents, as of the date hereof, covenants and agrees as follows;

- (b) The Owner's reasonable expectations respecting the total cost of the acquisition, rehabilitation and equipping of the Project are accurately set forth in the Federal Tax Certificate and any attachments thereto.
- (c) The Owner has commenced or will commence the acquisition, rehabilitation and equipping the Project and will proceed with due diligence to complete the same.
- (d) The Owner reasonably expects to expend not less than 85 percent of the Sale Proceeds of the Governmental Lender Notes for Project Costs prior to the date that is three years after the Closing Date.
- (e) The statements made in the various certificates delivered by the Owner to the Governmental Lender, Bond Counsel and/or the Fiscal Agent are true and correct in all material respects.
- (f) The Owner will submit, or cause to be submitted, to the Fiscal Agent, on or before the date of each disbursement of Proceeds of the Governmental Lender Notes from the Project Fund, if any, held by the Fiscal Agent under the Funding Loan Agreement, a requisition in substantially the form required by the Funding Loan Agreement, duly executed by an Owner Representative and certifying that the full amount of such disbursement will be applied to pay or to reimburse the Owner for the payment of Project Costs and that, after taking into account the proposed disbursement, the aggregate disbursements from the Acquisition Fund will have been applied to pay or to reimburse the Owner for the payment of Qualified Project Costs in an amount equal to 95 percent or more of the aggregate disbursements from such fund.

(g) [Reserved].

(h) The Owner (and any Affiliated Party) will not take or omit to take, as is applicable, any action if such action or omission would in any way cause the Proceeds of the Governmental Lender Notes to be applied in a manner contrary to the requirements of the Funding Loan Agreement, the Loan Agreement or this Regulatory Agreement. The Owner acknowledges that such requirements have been designed for the purpose of ensuring compliance with the provisions of the Act or the Code applicable to the Owner and the Project.

Section 2. Tax-Exempt Status of the Governmental Lender Notes. The Owner shall not take any action or omit to take any action which, if taken or omitted, respectively, would adversely affect the excludability of interest on the Governmental Lender Notes from the gross income (as defined in section 61 of the Code) of the holders of the Governmental Lender Notes, for federal income tax purposes. With the intent not to limit the generality of the foregoing, the Owner covenants and agrees that prior to the final maturity of the Governmental Lender Notes, unless it has received and filed with the Governmental Lender and Fiscal Agent a Favorable Opinion of Bond Counsel to the effect that failure to comply with any such covenant or agreement, in whole or in part, will not adversely affect the exclusion from gross income for Federal income tax purposes of interest paid or payable on the Governmental Lender Notes:

(a) The Owner's use of the Net Proceeds of the Governmental Lender Notes shall at all times satisfy the following requirements:

(i) At least 95 percent of the Net Proceeds of the Governmental Lender Notes shall be used to pay Qualified Project Costs that are costs of a "qualified residential rental project" (within the meaning of sections 142(a)(7), 142(d) and 145(d) of the Code and section 1.103-8(b)(4) of the Regulations) and property that is "functionally related and subordinate" thereto (within the meaning of Sections 1.103-8(a)(3) and 1.103-8(b)(4)(iii) of the Regulations), all of which costs shall be properly chargeable to the Project's capital account or would be so chargeable either with a proper election by the Owner or but for a proper election by the Owner to deduct such amounts.

(ii) Less than 25 percent of the Net Proceeds of the Governmental Lender Notes actually expended will be used, directly or indirectly, for the acquisition of land or an interest therein. Notwithstanding the immediately preceding sentence no portion of the Net Proceeds of the Governmental Lender Notes will be used, directly or indirectly, for the acquisition of land or an interest therein to be used for farming purposes.

(iii) No portion of the Net Proceeds of the Governmental Lender Notes will be used for the acquisition of any existing property or an interest therein unless (i) the first use of such property is pursuant to such acquisition or (ii) the rehabilitation expenditures with respect to any building and the equipment therefor equal or exceed 15 percent of the cost of acquiring such building financed with the proceeds of the Governmental Lender Notes (with respect to structures other than buildings, this clause shall be applied by substituting 100 percent for 15 percent). For purposes of the preceding sentence, the term "rehabilitation expenditures" shall have the meaning set forth in section 147(d)(3) of the Code.

(iv) The Owner covenants and agrees that the Costs of Issuance financed with the proceeds of the Governmental Lender Notes shall not exceed 2 percent of the Sale Proceeds.

(v) The Owner shall not use or permit the use of any Net Proceeds of the Governmental Lender Notes or any income from the investment thereof to provide any airplane, skybox, or other private luxury box, any facility primarily used for gambling, or any store the principal business of which is the sale of alcoholic beverages for consumption off premises.

(b) The Owner shall not take any action or omit to take any action with respect to the Gross Proceeds of the Governmental Lender Notes which, if taken or omitted, respectively, would cause any Governmental Lender Note to be classified as an "arbitrage bond" within the meaning of section 148 of the Code.

(c) Except as provided in the Funding Loan Agreement and the Loan Documents, the Owner shall not pledge or otherwise encumber, or permit the pledge or encumbrance of, any money, investment, or investment property as security for payment of any amounts due under the Loan Agreement relating to the Governmental Lender Notes, shall not establish any segregated reserve or similar fund for such purpose and shall not prepay any such amounts in advance of the redemption date of an equal principal amount of Governmental Lender Notes, unless prior to taking any action described in this subsection (c), the Owner has obtained and delivered to the Fiscal Agent a Favorable Opinion of Bond Counsel.

(d) The Owner shall not, at any time prior to the final maturity of the Governmental Lender Notes, direct or knowingly permit the Fiscal Agent to invest Gross Proceeds of the Governmental Lender Notes in any Investment (or to use Gross Proceeds to replace money so invested), if as a result of such investment the Yield of all Investments acquired with Gross Proceeds (or with money replaced thereby) on or prior to the date of such investment exceeds the Yield of the Governmental Lender Notes to Stated Maturity, except as permitted by section 148 of the Code or as provided in the Tax Certificate dated the Closing Date delivered by the Governmental Lender with respect to the Governmental Lender Notes.

(e) Except to the extent permitted by section 149(b) of the Code, neither the Governmental Lender nor the Owner shall take or omit to take any action which would cause the Governmental Lender Notes to be "federally guaranteed" within the meaning of section 149(b) of the Code.

(f) (i) Unless the Owner delivers a Favorable Opinion of Bond Counsel that the Owner does not need to comply with this subsection, the Owner shall cause to be delivered, to the Fiscal Agent, within 25 days after each Computation Date:

(A) a statement of the Rebate Amount as of such Computation Date; and

(B) (1) if such Computation Date is an Installment Computation Date, an amount that, together with any amount then held for the credit of the Rebate Fund, is equal to at least 90% of the Rebate Amount as of such Installment Computation Date, less any "previous rebate payments" made to the United States (as that term is used in the Regulations), or (2) if such Computation Date is the Final Computation Date, an amount that, together with any amount then held for the credit of the Rebate Fund, is equal to the Rebate Amount as of such Final

Computation Date, less any "previous rebate payments" made to the United States (as that term is used in the Regulations); and

(C) an Internal Revenue Service Form 8038-T properly signed and completed as of such Computation Date.

The foregoing notwithstanding, the Owner shall not be required to deliver the foregoing to the Fiscal Agent if the Owner certifies that the Governmental Lender Notes are excepted from the requirements of section 148(f) of the Code.

(ii) If the Owner shall discover or be notified as of any date:

(A) that any amount required to be paid to the United States pursuant to this Section and the Funding Loan Agreement has not been paid as required; or

(B) that any payment paid to the United States pursuant to this Section the Funding Loan Agreement shall have failed to satisfy any requirement of the Regulations (whether or not such failure shall be due to any default by the Owner or the Fiscal Agent),

the Owner shall

(X) deliver to the Fiscal Agent (for deposit to the Rebate Fund) and cause the Fiscal Agent to pay to the United States from the Rebate Fund (I) the Rebate Amount that the Owner failed to pay, plus any interest, specified in the Regulations, if such correction payment is delivered to and received by the Fiscal Agent within 175 days after such discovery or notice, or (II) if such correction payment is not delivered to and received by the Fiscal Agent within 175 day after such discovery or notice, the amount determined in accordance with clause (I) of this subparagraph (X) plus the 50 percent penalty required by the Regulations; and

(Y) deliver to the Fiscal Agent an Internal Revenue Service Form 8038-T properly signed and completed as of such date.

(iii) The Owner shall retain all of its accounting records relating to the funds established under the Funding Loan Agreement and all calculations made in preparing the statements described in this Section for at least six years after the date the last Governmental Lender Note is discharged.

(iv) The Owner agrees to pay all of the reasonable and actual fees and expenses of the Rebate Analyst, charged at rates substantially similar to the rate by such party for work of this type which may be Bond Counsel, a certified public accountant and any other necessary consultant employed by the Owner or the Fiscal Agent in connection with computing the Rebate Amount.

(g) The Owner covenants and agrees that not more than 50 percent of the Proceeds of the Governmental Lender Notes will be invested in Nonpurpose Investments having a substantially guaranteed Yield for four years or more within the meaning of section 149(g)(3)(A)(ii) of the Code, and the Owner reasonably expects that at least 85 percent of the spendable Proceeds of the Governmental Lender Notes will be used to carry out the governmental purposes of such issue of Governmental Lender Notes within the three-year period beginning on the Closing Date.

(h) The Owner hereby covenants and agrees that the Project, will be operated as a "qualified residential rental project" within the meaning of sections 142(a)(7), 142(d), 145(d) of the Code and section 1.103-8(b)(4) of the Regulations, on a continuous basis during the longer of the Qualified Project Period or the period during which any Governmental Lender Note remains outstanding, to the end that the interest on the Governmental Lender Notes shall be excluded from gross income for federal income tax purposes. In particular, the Owner covenants and agrees, and will cause the manager to covenant and agree, for the longer of the Qualified Project Period or the period during which any Governmental Lender Notes remain outstanding, as follows:

(i) The Project Facilities qualify as residential rental property and will be owned, managed and operated at all times during the term specified above as a qualified residential rental project comprised of residential dwelling units and facilities functionally related and subordinate thereto, in accordance with section 142(d) of the Code;

(ii) The Project Facilities will consist of one building or structure or several proximate and interrelated buildings or structures, each of which will be a discrete edifice or other man-made construction consisting of an independent foundation, outer walls and a roof, and all of which (A) will be located on a single tract of land or two or more parcels of land that are contiguous (i.e., their boundaries meet at one or more points) except for the interposition of a road, street, stream or similar property, (B) are owned by the same Person for Federal tax purposes, and (C) were financed pursuant to a common plan;

(iii) Substantially all of the Project will consist of similarly constructed Units together with functionally related and subordinate facilities for use by Project tenants, such as swimming pools, other recreational facilities, parking areas, heating and cooling equipment, trash disposal equipment, units for resident managers, security personnel or maintenance personnel and other facilities that are reasonably required for the Project;

(iv) Each Unit in the Project will contain complete facilities for living, sleeping, eating, cooking and sanitation, e.g., a living area, a sleeping area, bathing and sanitation facilities, and cooking facilities equipped with a cooking range, refrigerator and sink, all of which will be separate and distinct from other Units;

(v) Each Unit in the Project will be rented or available for rental on a continuous basis to members of the general public at all times during the term specified above (unless occupied by or reserved for a resident manager, security personnel or maintenance personnel) and that the Owner will not give preference in renting Project Units to any particular class or group of persons, other than Low-Income Tenants as provided herein;

(vi) At no time during the term specified above will any Unit in any building or structure in the Project which contains fewer than five Units be occupied by the Owner;

(vii) At no time during the term specified above will any of the Units in the Project be utilized on a transient basis by being leased or rented for a period of less than thirty days or by being used as a hotel, motel, dormitory, fraternity house, sorority house, rooming house, hospital, sanitarium, nursing home, rest home, trailer park or trailer court;

(viii) The land and the facilities will be functionally related and subordinate to the Units comprising the Project and will be of size and character which is commensurate with the size and number of such Units; and

(i) The Owner hereby represents, covenants and agrees, continuously during the Qualified Project Period, as follows:

(i) Forty percent 40% of the Units (except for manager, security personnel and maintenance units that are reasonably required for the Project) (the "Set Aside") within the Project (and any other building which is comprised of similarly constructed Units, will be owned by the Owner for federal income tax purposes, will be located on the same or contiguous tract that is not separated from the Project except by a road, street, stream, or similar property, and is financed by the Governmental Lender Notes) that are available for occupancy, including expiration or lawful termination of an existing lease, shall be occupied or held vacant and available for occupancy at all times by Low-Income Tenants. For the purposes of this subparagraph (i), a vacant Unit which was most recently occupied by a Low-Income Tenant is treated as rented and occupied by a Low-Income Tenant until reoccupied, at which time the character of such Unit shall be redetermined.

(ii) The Owner shall maintain complete and accurate records pertaining to Low-Income Tenants and file all documents as required by section 142(d) of the Code and this Agreement, including Tenant Income Certifications attached as Exhibit C hereto.

(iii) No tenant qualifying as a Low-Income Tenant shall be denied continued occupancy of a Unit in the Project because, after admission, such tenant's Anticipated Annual Income increases to exceed the qualifying limit for Low-Income Tenants; provided, however, that, should a Low-Income Tenant's Anticipated Annual Income, as of the most recent determination thereof, exceed 140% of the then applicable income limit for a Low-Income Tenant of the same family size and such Low-Income Tenant constitutes a portion of this Section, the next available Unit of comparable or smaller size must be rented to (or held vacant and available for immediate occupancy by) a Low-Income Tenant and such new Low-Income Tenant will then constitute a portion of the Set Aside requirement of paragraph (i) of this Section; and provided, further, that, until such next available Unit is rented to a tenant who is a Low-Income Tenant, the former Low-Income Tenant who has ceased to qualify as such shall be deemed to continue to be a Low-Income Tenant for purposes of the requirement of subparagraph (i) of this Section 2(i).

The parties hereto recognize that the requirements stated in Section 2(h) shall continue in effect until the termination of the Qualified Project Period or until no Governmental Lender Notes remain outstanding, whichever occurs later, and the requirements in this Section 2(i) shall continue in effect until the termination of the Qualified Project Period.

(j) The Owner further covenants and agrees to prepare and submit to the Fiscal Agent, no more than 60 days prior to the last day of the Qualified Project Period a certificate setting forth the date on which the Qualified Project Period will end, which certificate shall be in recordable

form. The Governmental Lender need not affirmatively consent to the termination of the covenants.

(k) Anything in this Agreement to the contrary notwithstanding, it is expressly understood and agreed by the parties hereto that the Governmental Lender and the Fiscal Agent may rely conclusively on the truth and accuracy of any certificate, opinion, notice, representation or instrument made or provided by the Owner in order to establish the existence of any fact or statement of affairs solely within the knowledge of the Owner, and which is required to be noticed, represented or certified by the Owner hereunder or in connection with any filings, representations or certifications required to be made by the Owner in connection with the issuance and delivery of the Governmental Lender Notes.

(l) The Owner shall provide to the Fiscal Agent a certificate certifying (i) within 90 days thereof, the date on which ten percent (10%) of the Units in the Project are occupied; and (ii) within 90 days thereof, the date on which fifty percent (50%) of the Units in each Project are occupied.

Section 3. Modification of Tax Covenants. Subsequent to the issuance of the Governmental Lender Notes and prior to their payment in full (or provision for the payment thereof having been made in accordance with the provisions of the Funding Loan Agreement), this Agreement may not be amended, changed, modified, altered or terminated except as permitted in Section 19 and by the Funding Loan Agreement. Anything contained in this Agreement or the Funding Loan Agreement to the contrary notwithstanding, the Governmental Lender, the Fiscal Agent and the Owner hereby agree upon the written request of one of the parties hereto, to amend this Agreement and, if appropriate, the Funding Loan Agreement and the Loan Agreement, to the extent required, in the opinion of Bond Counsel, in order for interest on the Governmental Lender Notes, to remain excludable from gross income for federal income tax purposes. The party requesting such amendment shall notify the other parties to this Agreement in writing of the proposed amendment and send a copy of such requested amendment to Bond Counsel. After review of such proposed amendment, Bond Counsel shall render to the Fiscal Agent, the Owner and the Governmental Lender an opinion to the effect that such amendments are necessary and sufficient in order to enable compliance with the provisions of the Code such that the interest on the Governmental Lender Notes will remain excludable from gross income for purposes of Federal income taxation. The Owner shall pay all necessary fees and expenses incurred with respect to such amendment, including necessary reasonable and actual attorney's fees and expenses incurred by Bond Counsel in rendering such opinion. The Owner, the Governmental Lender and, where applicable, the Fiscal Agent pursuant to written instructions from the Governmental Lender, shall execute, deliver and, if applicable, the Owner shall file of record, any and all documents and instruments, including without limitation, an amendment to this Regulatory Agreement, necessary to effectuate the intent of this Section, and the Owner and the Governmental Lender hereby appoint the Fiscal Agent as their true and lawful attorney-in-fact to execute, deliver and, if applicable, file of record on behalf of the Owner or the Governmental Lender, as is applicable, any such document or instrument (in such form as may be approved by and upon instruction of Bond Counsel) if either the Owner or the Governmental Lender defaults in the performance of its obligation under this Section; provided, however, that the Fiscal Agent shall take no action under this Section without first notifying the Owner or the Governmental Lender, as is applicable, in writing of its intention to take such action and providing the Owner or the Governmental Lender, as is applicable, ten (10) business days after such notice to comply with the requirements of this Section.

Section 4. Residential Development. The Governmental Lender and the Owner hereby recognize and declare their understanding and intent that the Project is to be owned, managed and operated as a "residential development," as such term is defined in Section 394.003(13) of the Act, and in compliance with applicable restrictions and limitations as provided in the Act and the rules of the Governmental Lender,

until the expiration of the Qualified Project Period or for as long as any portion of the Governmental Lender Notes remains outstanding and unpaid, whichever is longer.

(a) The Owner hereby represents, as of the date hereof, and covenants and agrees for the term of this Regulatory Agreement that substantially all (at least 90%) of the Units shall be rented to persons who were Eligible Tenants at the time of initial occupancy and that the Owner shall not rent or lease any Unit in the Project to a person not an Eligible Tenant if such rental would cause less than 90% of the Units in the Project to be rented to persons who were Eligible Tenants at the time of initial occupancy.

(b) The Owner hereby represents, covenants and agrees as follows:

(i) To assure that 40% of the occupied Units at the Project are occupied at all times (subject to the terms hereof related to occupancy) by person who were Low Income Tenants at the time of initial occupancy;

(ii) To obtain a Tenant Income Certification from each tenant in the Project not later than the date of such tenant's initial occupancy of a Unit in the Project and to maintain a file of all such Tenant Income Certifications, together with all supporting documentation, for a period of not less than three years following the end of the Qualified Project Period;

(iii) To obtain from each tenant in the Project, at the time of execution of the lease pertaining to the Unit occupied by such tenant, a written certification, acknowledgment and acceptance that (A) such lease is subordinate to the Mortgage and this Regulatory Agreement, (B) all statements made in the Tenant Income Certification submitted by such tenant are accurate, (C) the family income and eligibility requirements of this Agreement and the Loan Agreement are substantial and material obligations of tenancy in the Project, (D) such tenant will comply promptly with all requests for information with respect to such requirements from the Owner, the Fiscal Agent and the Governmental Lender, and (E) failure to provide accurate information in the Tenant Income Certification or refusal to comply with a request for information with respect thereto will constitute a violation of a substantial obligation of the tenancy of such tenant in the Project;

(iv) To cause to be prepared and submitted to the Governmental Lender and the Fiscal Agent on the first day of the Qualified Project Period, and thereafter by the tenth calendar day of each March, June, September, and December, or a quarterly schedule as determined by the Governmental Lender, a certified Compliance Monitoring Report and Occupancy Summary in a form attached hereto as Exhibit D or at the reasonable request of the Governmental Lender in such other form provided by the Governmental Lender from time to time;

(v) To the extent legally permissible to permit any duly authorized representative of the Governmental Lender or the Fiscal Agent (without any obligation to do so) to inspect the books and records of the Owner pertaining to the Project or the incomes of Project tenants, including but not limited to tenant files, during regular business hours and to make copies therefrom if so desired and file such reports as are necessary to meet the Governmental Lender's requirements; and

(vi) The Owner will obtain a Tenant Income Certification from each tenant at least annually after the tenant's initial occupancy or as otherwise directed by the Governmental Lender in writing.

Section 5. [Reserved].

Section 6. Consideration. The Governmental Lender has issued the Governmental Lender Notes to provide funds to make the Loan to finance the Project, all for the purpose, among others, of inducing the Owner to acquire, rehabilitate, equip and operate the Project. In consideration of the issuance of the Governmental Lender Notes by the Governmental Lender, the Owner has entered into this Regulatory Agreement and has agreed to restrict the uses to which this Project can be put on the terms and conditions set forth herein.

Section 7. Reliance. The Governmental Lender, the Fiscal Agent and the Owner hereby recognize and agree that the representations and covenants set forth herein may be relied upon by all Persons interested in the legality and validity of the Governmental Lender Notes, and in the excludability from gross income for purposes of Federal income taxation of the interest on the Governmental Lender Notes. In performing their duties and obligations hereunder, the Owner, the Governmental Lender and the Fiscal Agent may rely upon statements and certificates of the Low-Income Tenants, and the Governmental Lender and the Fiscal Agent may rely upon statements and certificates of the Owner and upon audits of the books and records of the Owner pertaining to the Project. In addition, the Governmental Lender, the Owner and the Fiscal Agent may consult with counsel, and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by the Governmental Lender, the Owner or the Fiscal Agent hereunder in good faith and in conformity with such opinion. In determining whether any default by the Owner exists under this Regulatory Agreement, the Fiscal Agent shall not be required to conduct any investigation into or review of the operations or records of the Owner and may rely on any written report, notice or certificate delivered to the Fiscal Agent by any Person retained to review the Owner's compliance with this Regulatory Agreement or by the Owner or the Governmental Lender with respect to the occurrence or absence of a default unless it has actual knowledge that the report, notice or certificate is erroneous or materially misleading.

Section 8. Project in Austin, Texas. The Owner hereby represents that the Project is located entirely within Austin, Texas.

Section 9. Sale or Transfer of the Project. The Owner covenants and agrees not to sell, transfer or otherwise dispose of the Project (other than for individual tenant use as contemplated hereunder or for utility easements) prior to the expiration of the Qualified Project Period or the date on which the Governmental Lender Notes have been paid in full, whichever is later, without (i) complying with any applicable provisions of the Loan Documents and (ii) obtaining the prior written consent of the Governmental Lender. Such consent of the Governmental Lender shall not be unreasonably withheld or delayed and shall be given if all conditions to the sale set forth in this Regulatory Agreement are met or are waived in writing by the Governmental Lender, including (1) there is delivered to the Fiscal Agent and the Governmental Lender a written Opinion of Counsel satisfactory to the Fiscal Agent and the Governmental Lender, addressed to the Fiscal Agent and the Governmental Lender, concluding that the transferee has duly assumed all of the rights and obligations of the Owner under the Loan Documents and this Regulatory Agreement and that each of the documents executed by the transferee in connection therewith has been duly authorized, executed and delivered by the transferee and is a valid and enforceable obligation of the transferee, subject to customary qualifications, (2) the Governmental Lender receives a Favorable Opinion of Bond Counsel, which opinion shall be furnished at the expense of the Owner or the transferee, regarding such sale, transfer or disposition, (3) the proposed purchaser or assignee executes any document reasonably requested by the Governmental Lender with respect to assuming the obligations of the Owner under this Agreement and the Loan Agreement, and (4) the Governmental Lender shall not have any reason to believe

that the purchaser or assignee is incapable, financially or otherwise, of complying with, or may be unwilling to comply with, the terms of all agreements and instruments binding on such proposed purchaser or assignee relating to the Project, including but not limited to the Loan Agreement, the Mortgage and this Agreement. The Owner hereby expressly stipulates and agrees that any sale, transfer or other disposition of the Project in violation of this subsection shall be ineffective to relieve the Owner of its obligations under this Agreement. Upon any sale, transfer or other disposition of the Project in compliance with this Agreement, the Owner so selling, transferring or otherwise disposing of the Project shall have no further liability for obligations under the Loan Agreement arising after the date of such disposition. The foregoing notwithstanding, the duties and obligations of the Owner as set forth in the Loan Documents with respect to matters arising prior to the date of such sale, transfer or other disposition shall not terminate upon the sale, transfer or other disposition of the Project (except to the extent any such duties and/or obligations have terminated pursuant to the terms of the applicable Loan Documents). The foregoing restrictions on transfer shall not apply to foreclosures, deeds in lieu of foreclosure, transfer by exercise of the power of sale or other similar transfer. Any such sale or transfer shall be subject to the Governmental Lender's multifamily rules.

Section 10. Term. This Regulatory Agreement and all and each of the provisions hereof shall become effective upon its execution and delivery, shall remain in full force and effect for the periods provided herein and, except as otherwise provided in this Section, shall terminate in its entirety at the end of the Qualified Project Period, it being expressly agreed and understood that the provisions hereof are intended to survive the retirement of the Governmental Lender Notes, discharge of the Mortgage, termination of the Loan Agreement and defeasance or termination of the Funding Loan Agreement.

The other terms of this Regulatory Agreement to the contrary and notwithstanding, this Regulatory Agreement, the Loan Agreement and the Funding Loan Agreement shall terminate, without the requirement of any consent by the Governmental Lender and the Fiscal Agent, and be of no further force and effect in the event of involuntary noncompliance with the provisions of this Regulatory Agreement caused by fire, (or other weather-related events), seizure, requisition, change in a federal law or an action of a federal agency after the Closing Date which prevents the Governmental Lender or the Fiscal Agent from enforcing the provisions hereof, or foreclosure or transfer of title by deed in lieu of foreclosure or exercise of the power of sale, condemnation or a similar event, but only if, within a reasonable period thereafter, either the Governmental Lender Notes are retired in full or amounts received as a consequence of such event are used to provide a qualified residential rental project which meets the requirements of the Code set forth in Sections 1A through 4 of this Regulatory Agreement and the Act. The provisions of the preceding sentence shall cease to apply and the requirements referred to therein shall be reinstated if, at any time during the Qualified Project Period after the termination of such requirements as a result of involuntary noncompliance due to foreclosure, transfer of title by deed in lieu of foreclosure or exercise of power of sale or similar event, the Owner or any related person (within the meaning of Section 1.103-10(e) of the Regulations) obtains an ownership interest in the Project for tax purposes. The Governmental Lender shall not be required to consent to termination of this Regulatory Agreement for any reason other than those specified above.

Upon the termination of the terms of this Regulatory Agreement, the parties hereto agree to execute, deliver and record appropriate instruments of release and discharge of the terms hereof; provided, however, that the execution and delivery of such instruments shall not be necessary or a prerequisite to the termination of this Agreement in accordance with its terms. All costs, including reasonable and actual fees and expenses of the Governmental Lender and the Fiscal Agent, incurred in connection with the termination of this Regulatory Agreement shall be paid by the Owner and its successors in interest.

Section 11. Covenants To Run With the Land. The Owner hereby subjects the Project to the covenants, reservations and restrictions set forth in this Regulatory Agreement. The Governmental Lender,

the Fiscal Agent and the Owner hereby declare their express intent that the covenants, reservations and restrictions set forth herein shall be deemed covenants running with the land and shall pass to and be binding upon the Owner's successors in title to the Project; provided, however, that upon the termination of this Agreement said covenants, reservations and restrictions shall expire. Each and every contract, deed or other instrument hereafter executed covering or conveying the Project or any portion thereof shall conclusively be held to have been executed, delivered and accepted subject to such covenants, reservations and restrictions, regardless of whether such covenants, reservations and restrictions are set forth in such contract, deed or other instruments.

No breach of any of the provisions of this Regulatory Agreement shall impair, defeat or render invalid the lien of any mortgage, deed of trust or like encumbrance made in good faith and for value encumbering the Project or any portion thereof.

Section 12. Burden and Benefit. The Governmental Lender, the Fiscal Agent and the Owner hereby declare their understanding and intent that the burden of the covenants set forth herein touch and concern the land in that the Owner's legal interest in the Project is rendered less valuable thereby. The Governmental Lender, the Fiscal Agent and the Owner hereby further declare their understanding and intent that the benefit of such covenants touch and concern the land by enhancing and increasing the enjoyment and use of the Project by Low-Income Tenants, the intended beneficiaries of such covenants, reservations and restrictions, and by furthering the public purposes for which the Governmental Lender Notes were issued.

Section 13. Uniformity; Common Plan. The covenants, reservations and restrictions hereof shall apply uniformly to the entire Project in order to establish and carry out a common plan for the use, development and improvement of the Project Site.

Section 14. Default; Enforcement. If the Owner defaults in the performance or observance of any covenant, agreement or obligation of the Owner set forth in this Regulatory Agreement, and if such default remains uncured for a period of 60 days after written notice thereof shall have been given by the Governmental Lender or the Fiscal Agent to the Owner in accordance with the Funding Loan Agreement, then the Fiscal Agent, acting on its own behalf or on behalf of the Governmental Lender, provided a responsible officer of the Fiscal Agent actually knows of such default, shall declare an "Event of Default" to have occurred hereunder; provided, further, however, that, if the default stated in the notice is of such a nature that it cannot be corrected within 60 days, such default shall not constitute an Event of Default hereunder so long as (i) the Owner institutes corrective action within said 60 days and diligently pursues such action until the default is corrected and (ii) in the opinion of Bond Counsel, the failure to cure said default within 60 days will not adversely affect the tax-exempt status of interest on the Governmental Lender Notes. The Governmental Lender and the Fiscal Agent agree that a cure of any Event of Default made or tendered by any partner or member of Owner (or any other affiliate of such Persons) shall be deemed to be a cure by the Owner and shall be accepted or rejected on the same basis as if tendered by Owner.

Following the declaration of an Event of Default hereunder, the Fiscal Agent, subject to being indemnified to its satisfaction with respect to the costs and expenses of any proceeding, or the Governmental Lender may, at its option, take any one or more of the following steps:

- (i) by mandamus or other suit, action or proceeding for specific performance, including injunctive relief, require the Owner to perform its obligations and covenants hereunder or enjoin any acts or things which may be unlawful or in violation of the rights of the Governmental Lender or the Fiscal Agent hereunder;

(ii) have access to and inspect, examine and make copies of all of the books and records of the Owner pertaining to the Project; and

(iii) take such other action at law or in equity as may appear necessary or desirable to enforce the obligations, covenants and agreements of the Owner hereunder.

The Owner hereby agrees that specific enforcement of the Owner's agreements contained herein is the only means by which the Governmental Lender and the Fiscal Agent may obtain the benefits of such agreements made by the Owner herein, and the Owner therefore agrees to the imposition of the remedy of specific performance against it in the case of any Event of Default by the Owner hereunder.

All rights and remedies herein given or granted to the Governmental Lender and the Fiscal Agent are cumulative, nonexclusive and in addition to any and all rights and remedies that the Governmental Lender and the Fiscal Agent may have or may be given by reason of any law, statute, ordinance, document or otherwise. Notwithstanding the availability of the remedy of specific performance provided for in this Section, promptly upon determining that a violation of this Regulatory Agreement has occurred, the Governmental Lender shall to the extent that it has actual knowledge thereof, give written notice to the Fiscal Agent and Borrower that a violation of this Regulatory Agreement has occurred.

Section 15. The Fiscal Agent. The Fiscal Agent shall act as specifically provided herein and in the Funding Loan Agreement. Subject to the right of the Fiscal Agent to be indemnified as provided in the Funding Loan Agreement, the Fiscal Agent shall act as the agent of and on behalf of the Governmental Lender when requested in writing by the Governmental Lender to do so, and any act required to be performed by the Governmental Lender as herein provided shall be deemed taken if such act is performed by the Fiscal Agent. The Fiscal Agent is entering into this Regulatory Agreement solely in its capacity as Fiscal Agent under the Funding Loan Agreement, and the duties, powers, rights and obligations of the Fiscal Agent in acting hereunder shall be subject to the provisions of the Funding Loan Agreement, including, without limitation, the provisions of Article IX thereof, which are incorporated by reference herein. The incorporated provisions of the Funding Loan Agreement are intended to survive the retirement of the Governmental Lender Notes, discharge of the Mortgage, termination of the Loan Agreement and defeasance or termination of the Funding Loan Agreement.

Neither the Fiscal Agent nor any of its officers, directors or employees shall be liable for any action taken or omitted to be taken by it or them hereunder or in connection herewith except for its or their own gross negligence, bad faith, fraud or willful misconduct. No provision of this Regulatory Agreement shall require the Fiscal Agent to expend or risk its own funds or otherwise incur any financial liability in the performance of its duties hereunder, in the exercise of any of its rights or powers if it shall have reasonable grounds for believing that the payment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it.

The Fiscal Agent shall examine all documents prepared by the Borrower and furnished to the Fiscal Agent to determine whether such documents conform on their face to the requirements of this Regulatory Agreement (which shall not require the Fiscal Agent to determine compliance with the resolutions herein). The Fiscal Agent shall notify the Governmental Lender and Borrower in writing if the Fiscal Agent does not receive any document from the Borrower at the time required under this Regulatory Agreement or if such document does not conform on its face to the requirements of this Regulatory Agreement. The Fiscal Agent may conclusively rely on and shall be protected in acting or omitting to act in good faith upon the certificates and other writings, which conform to the requirements of this Regulatory Agreement, as the Fiscal Agent may receive in connection with the administration of its obligation hereunder and has no duty or obligation to make an independent investigation with respect thereto.

Section 16. Recording and Filing. The Owner shall cause this Regulatory Agreement, and all amendments and supplements hereto and thereto, to be recorded and filed in the real property records of Travis County, Texas and in such other places as the Governmental Lender or the Fiscal Agent may reasonably request. The Owner shall pay all fees and charges incurred in connection with any such recording. This Agreement is subject to and subordinate to all matters of record as of the date hereof.

Section 17. Reimbursement of Expenses. Notwithstanding any prepayment of the Loan and notwithstanding a discharge of the Funding Loan Agreement, throughout the term of this Regulatory Agreement, the Owner shall continue to pay to the Governmental Lender and the Fiscal Agent reimbursement for all fees and expenses actually incurred thereby required to be paid to the Governmental Lender and the Fiscal Agent by the Owner pursuant to the Loan Agreement.

Section 18. Governing Law. This Regulatory Agreement shall be governed by the laws of the State (other than in respect of conflicts of laws). The Fiscal Agent's rights, duties, powers and obligations hereunder are governed in their entirety by the terms and provisions of this Agreement and the Funding Loan Agreement.

Section 19. Amendments. Subject to the provisions of Section 3 hereof, this Regulatory Agreement shall be amended only by a written instrument executed by the parties hereto, or their successors in title and duly recorded in the real property records of Travis County, and only upon receipt by the Governmental Lender, the Owner and the Fiscal Agent of a Favorable Opinion of Bond Counsel regarding such amendment.

Section 20. Notices. Any notice required to be given hereunder to the Governmental Lender, the Fiscal Agent or the Owner shall be given in the manner and to the address as set forth in the Funding Loan Agreement.

Section 21. Severability. If any provision of this Regulatory Agreement shall be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining portions hereof shall not in any way be affected or impaired thereby.

Section 22. Multiple Counterparts. This Regulatory Agreement may be simultaneously executed in multiple counterparts, all of which shall constitute one and the same instrument, and each of which shall be deemed to be an original.

Section 23. Authorization to Act for Governmental Lender. To the extent allowed by law, the Governmental Lender hereby authorizes the Owner to take on behalf of the Governmental Lender all actions required or permitted to be taken by it hereunder, or under the Funding Loan Agreement and the Loan Agreement and to make on behalf of the Governmental Lender all elections and determinations required or permitted to be made by the Governmental Lender hereunder or under the Funding Loan Agreement and the Loan Agreement. In addition, the Governmental Lender hereby authorizes the Owner to exercise, on behalf of the Governmental Lender, any election with respect to the Governmental Lender Notes pursuant to the Code or the Regulations, and the Governmental Lender will cooperate with the Owner and execute any form of statement required by the Code or the Regulations to perfect any such election.
