WHAT ELSE DID CAIU WORK ON?

1. Changes to the City Code Chapter 2 (functions and duties of the City Auditor and the Ethics Review Commission)
2. Improvements to our case management system in order to track and provide more meaningful information
3. Improvements to our reporting format, including more detailed evidence and inclusion of the subject and departmental responses

WHAT IS THE TREND FOR ALLEGATIONS RECEIVED?

Compared to previous years, we experienced a significant increase in allegations. For example, we experienced an 89% increase from the 1st half of 2014 to the 1st half of 2016.

Historically, the 2nd half of the year has more allegations than the 1st half.
