

April 17

Summary of Prioritization exercise at Hispanic/Latino QOL Resource Advisory Commission strategic planning session on 2/13/16

This summary includes the priority areas that received 3 or more round stickers from commission members during the prioritization exercise.

HEALTH

1. How might we decrease the rate of chronic disease among Latinos? (year 1, 2, 3)
2. How might we increase mental health awareness within our community? (year 1, 2)
3. How might we improve mental health services to the Latino population in Austin? (year 1, 3)
4. How might we reduce the rate of teen pregnancy among youth? (year 1, 2, 3)

EDUCATION

1. How might we increase educational attainment among Latinos? (year 1, 2, 3)
2. How might we improve coordination and expansion of educational services to our youth? (year 1, 2, 3)

BUSINESS

1. How might we help Latino owned businesses scale? (year 1, 2)

OTHER

1. How might we continue providing oversight at the commissions funded recommendations? (year 2, 3)
2. How might we improve inclusion, transparency, and accountability between the city, county, etc. (year 1, 2)
