BOARD/COMMISSION RECOMMENDATION

ASIAN AMERICAN QUALITY OF LIFE ADVISORY COMMISSION

Recommendation Number: 20160216-005b: Budget Recommendations

WHEREAS, many non-English speaking citizens face significant challenges in obtaining City services through City Departments;

NOW, THEREFORE, BE IT RESOLVED, That the Asian American Quality of Life Advisory Commission encourages the City Manager to increase the available budget for translation and interpretation services for all City Departments which interact with the language minority communities. Inadequate language access presents a health and safety risk for language minority community members.
