

CAG Working Group Report on N&BE Prescription

TASKS

The three member N&BE Working Group cannot write this report alone and have it reflect the views of the CAG as a whole in addition to public comment. We need help with the following tasks.

All CAG Members:

1. Ensure complete comments you want reflected in the report are in the Google Doc
2. Forward any staff, organization, or individual comments you have received on the N&BE Paper to Lauren or Guy by Monday, May 2.
3. Add any major or minor topics you feel are missing from the Prescription Paper by Friday, May 6. (see below)
4. Add any additional comments you have or feel were not reflected on the April 4 CAG Public Comment Meeting (downtown event), Code Walk, or other CodeNEXT events by Friday, May 6.
5. Review Draft N&BE Working Group Report (release anticipated 5/16) and comment in a timely manner (we will discuss a deadline at a future meeting).

CAG members, please sign up to help with at least one of the following tasks (The N&BE Working Group reserves the right to edit your comments for consistency and flow.
