

April 21, 2016

Katrina Daniel
Chair
Central Health Board of Managers
1111 E. Cesar Chavez
Austin, TX 78702

Dear Chair Daniel:

It is with deep regret that I announce my resignation from the Central Health Board of Managers effective April 30, 2016. Due to increasing family responsibilities that involve frequent travel, I am not able to devote the necessary time and attention to Central Health and the important work we do to support healthcare for all in our community.

Please know that I have thoroughly appreciated this opportunity to give back to my community and I have been honored to serve with you and all members of the Central Health Board. I am proud of our collective achievements and the significant progress we made to provide increased access to high quality health care to all residents of Travis County. I am especially proud of the commitment of the Board to create and fund the Sendero Health Plan, our community based managed care organization. Since the creation of that entity we have provided thousands in our community the peace of mind that comes with health insurance and I am grateful that I could be part of this effort, even in my volunteer role. As a board and as individuals, you are all tremendously committed to the stewardship of our local tax dollars and to seeking all innovative opportunities to maximize and leverage our local resources so that those members of our community needing medical and behavioral health services are able to access and receive them in an organized and compassionate system. I have been most fortunate to have volunteered and served with you on this Board.

I am hopeful that after giving this notice we can receive a timely appointment from the City of Austin as I know that there is important work happening and the budget season is about to commence. I will always be a champion for Central Health and look forward to seeing our work manifest in our community.

Sincere regards,

Lynne Hudson
