

Phased Approach for Project Development

Public and Stakeholder Involvement

Central Core Study – What's the Process?

Phase 1: IDENTIFY

Soft Launch	Apr – Jun	Partner Agencies & Stakeholder Engagement
	May – Jun	Scoping, Goals & Objectives
	May - Aug	Data Analysis & Criteria
	Jun – Jul	Purpose & Need, Preliminary Corridor & Project Identification
Public Launch	Sept. '16	Public & Stakeholder Input on Preliminary Corridors & Projects
	Sept – Jan	Macro-Level Evaluation & Screening

Phase 2: EVALUATE

Define Projects	Feb – Apr '17	Confirm Phase 1: • Enhancement projects • New corridors & projects
	Apr – Aug	Define projects and confirm evaluation criteria
	July – Oct	Evaluate alternatives, costs & benefits
Evaluate Projects	Oct '17 – Feb '18	Develop capital & operating costs; funding strategies
	Feb – Apr '18	Micro-Level Evaluation & Recommendations

Phase 3: SELECT

Public Priorities	May– Jun '18	Public and stakeholder vetting of recommendations
	Jul – Sept	Locally Preferred Alternative(s) adoption
	Jul – Oct	FTA Project Development application
Project Development	Jun - Dec	Pre-Engineering & Environmental for priority projects
	Jul - Dec	Inter-local agreements
	Nov '18 🔻	Fundable set of priority projects
