The Paying Agent/Registrar shall pay all principal of and interest on the Bonds only to or upon the order of the respective Registered Owners, as shown in the Register as provided in this Order, or their respective attorneys duly authorized in writing, and all such payments shall be valid and effective to fully satisfy and discharge the District's obligations with respect to payment of principal of and interest on the Bonds to the extent of the sum or sums so paid. No person other than a Registered Owner, as shown in the Register, shall receive a Bond evidencing the obligation of the District to make payments of principal, and interest pursuant to this Order. (d) DTC Blanket Letter of Representations. The District confirms execution of a Blanket Issuer Letter of Representations with DTC establishing the Book-Entry-Only System which will be utilized with respect to the Bonds.

The Registrar shall be and is hereby authorized to authenticate and deliver exchange Bonds in accordance with the provisions of this Section 4.01. Each Bond delivered in accordance with this Section 4.01 shall be entitled to the benefits and security of this Bond Order to the same extent as the Bond or Bonds in lieu of which such Bond is delivered.

The District or the Registrar may require the Registered Owner of any Bond to pay a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with the transfer or exchange of such Bond. Any fee or charge of the Registrar for such transfer or exchange shall be paid by the District.

SECTION 4.02. MUTILATED, LOST, OR STOLEN BONDS. Upon the presentation and surrender to the Registrar of a mutilated Bond, the Registrar shall authenticate and deliver in exchange therefor a replacement Bond of like maturity, interest rate and principal amount, bearing a number not contemporaneously outstanding. If any Bond is lost, apparently destroyed, or wrongfully taken, the District, pursuant to the applicable laws of the State of Texas and in the absence of notice or knowledge that such Bond has been acquired by a bona fide purchaser, shall execute and the Registrar shall authenticate and deliver a replacement Bond of like amount, bearing a number not contemporaneously outstanding.

(b) furnish such security or indemnity as may be required by the Registrar and the District to save them harmless;

(c) pay all expenses and charges in connection therewith, including, but not limited to, printing costs, legal fees, fees of the Registrar and any tax or other governmental charge that may be imposed; and

(d) meet any other reasonable requirements of the District and the Registrar.

If any such mutilated, lost, apparently destroyed or wrongfully taken Bond has become or is about to become due and payable, the District in its discretion may, instead of issuing a replacement Bond, authorize the Registrar to pay such Bond.

Each replacement Bond delivered in accordance with this Section 4.02 shall be entitled to the benefits and security of this Bond Order to the same extent as the Bond or Bonds in lieu of which such replacement is delivered.

PRINCIPAL AMOUNT:

ON THE MATURITY DATE specified above, Moore's Crossing Municipal Utility District (the "District"), being a political subdivision of the State of Texas, hereby promises to pay to the Registered Owner set forth above, or registered assign (hereinafter called the "Registered Owner") the principal amount set forth above, and to pay interest thereon calculated on the basis of a 360 day year of twelve 30 day months, from the date of initial delivery of the Bonds on August 16, 2016 and semiannually on each September 1 and March 1 thereafter (an "Interest Payment Date") to the maturity date specified above, or the date of redemption prior to maturity, at the interest rate per annum specified above; except that if this Bond is required to be authenticated and the date of its authentication is later than the first Record Date (hereinafter defined), such principal amount shall bear interest from the Interest Payment Date next preceding the date of authentication, unless such date of authentication is after any Record Date but on or before the next following Interest Payment Date, in which case such principal amount shall bear interest from such next following Interest Payment Date; provided, however, that if on the date of authentication hereof the interest on the Bond or Bonds, if any, for which this Bond is being exchanged or converted from is due but has not been paid, then this Bond shall bear interest from the date to which such interest has been paid in full. Notwithstanding the foregoing, during any period in which ownership of the Bonds is determined only by a book entry at a securities depository for the Bonds, any payment to the

securities depository, or its nominee or registered assigns, shall be made in accordance with existing arrangements between the District and the securities depository.

THE PRINCIPAL OF AND INTEREST ON this Bond are payable in lawful money of the United States of America, without exchange or collection charges. The principal of this Bond shall be paid to the Registered Owner hereof upon presentation and surrender of this Bond at maturity or upon the date fixed for its redemption prior to maturity at BOKF, NA, which is the "Registrar" or "Paying Agent/Registrar" for this Bond at its designated office for payment in Austin, Texas. The payment of interest on this Bond shall be made by the Paying Agent/Registrar to the Registered Owner hereof on each Interest Payment Date by check or draft, dated as of such Interest Payment Date, drawn by the Registrar on, and payable solely from, funds of the District required by the order authorizing the issuance of the Bonds (the "Bond Order") to be on deposit with the Registrar for such purpose as hereinafter provided; and such check or draft shall be sent by the Registrar by United States mail, first-class postage prepaid, on or before each such Interest Payment Date, to the Registered Owner hereof, at its address as it appeared on the fifteenth (15th) calendar day of the month (whether or not a business day) next preceding each such date (the "Record Date") on the Register kept by the Registrar listing the names and addresses of the Registered Owners (the "Register"). In addition, interest may be paid by such other method, acceptable to the Registrar, requested by, and at the risk and expense of, the Registered Owner. In the event of a non-payment of interest on a scheduled payment date, and for 30 calendar days thereafter, a new record date for such interest payment (a "Special Record Date") will be established by the Paying Agent/Registrar, if and when funds for the payment of such interest have been received from the District. Notice of the Special Record Date and of the scheduled payment date of the past due interest (which shall be 15 calendar days after the Special Record Date) shall be sent at least 5 business days prior to the Special Record Date by United States mail, first-class postage prepaid, to the address of each Registered Owner as it appears on the Register at the close of business on the last business day next preceding the date of mailing of such notice.

DURING ANY PERIOD in which ownership of the Bonds is determined only by a book entry at a securities depository for the Bonds, if fewer than all of the Bonds of the same maturity and bearing the same interest rate are to be redeemed, the particular Bonds of such maturity and bearing such interest rate shall be selected in accordance with the arrangements between the District and the securities depository.

ANY ACCRUED INTEREST due at maturity or upon the redemption of this Bond prior to maturity as provided herein shall be paid to the Registered Owner upon presentation and surrender of this Bond for payment at the designated office for payment of the Paying Agent/Registrar. The District covenants with the Registered Owner of this Bond that on or before each principal payment date, interest payment date, and any redemption date for this Bond it will make available to the Registrar, from the "Debt Service Fund" the creation of which is affirmed by the Bond Order, the amounts required to provide for the payment, in immediately available funds, of all principal of and interest on the Bonds, when due.

IF THE DATE for any payment due on this Bond shall be a Saturday, Sunday, a legal holiday, or a day on which banking institutions in the city where the designated office for payment of the Paying Agent/Registrar is located are authorized by law or executive order to close, or the United States Postal Service is not open for business, then the date for such payment shall be the next succeeding day which is not such a Saturday, Sunday, legal holiday, or day on which banking institutions are authorized to close, or the United States Postal Service is not open for business; and payment on such date shall have the same force and effect as if made on the original date payment was due.

THIS BOND is one of a series of Bonds dated as of August 16, 2016 and authorized to be issued pursuant to the Bond Order adopted by the Board of Directors of the District in the principal amount of **\$4,325,000 FOR THE PURPOSES AS PROVIDED IN THE BOND ELECTION AND AS AUTHORIZED BY THE COMMISSION ORDER INCLUDING (I) CLEARING AND GRUBBING FOR STONEY RIDGE, PHASE C, SECTIONS 1 AND 2A; (II) ELROY ROAD WATER MAIN IMPROVEMENTS; (III) LIFT STATION WASTEWATER INTERCEPTOR; (IV) ELROY ROAD SECTIONS 1-3 AND ROSS ROAD UTILITIES; (V) ENGINEERING FEES ON THE FM 973 WASTEWATER LINE PROJECT; AND (VI) WATER, WASTEWATER AND DRAINAGE FACILITIES TO SERVE STONEY RIDGE, PHASE C, SECTIONS 1 AND 2.**

ON SEPTEMBER 1, 2022 OR ON ANY DATE THEREAFTER, the Bonds maturing on and after September 1, 2023 may be redeemed prior to their scheduled maturities, at the option of the District, with funds derived from any available and lawful source, at a redemption price equal to the principal amount to be redeemed plus accrued interest to the date fixed for redemption as a whole, or from time to time in part, and, if in part, the particular Bonds, or portions thereof, to be redeemed shall be selected and designated by the District, and if less than all of a maturity is to be redeemed the Registrar shall determine by lot the Bonds, or portions thereof within such maturity to be redeemed (provided that a portion of a Bond may be redeemed only in integral multiples of \$5,000 of principal amount).

THE BONDS MATURING ON SEPTEMBER 1, _____, are subject to mandatory sinking fund redemption by lot prior to maturity in the following amounts on the following dates and at a price of par plus accrued interest to the redemption date ("Term Bonds").

Term Bonds Maturing on September 1, 20__*

<u>Redemption Date</u>	<u>Principal Amount</u>
September 1, 20__	\$
September 1, 20__	

*Final Maturity

THE PRINCIPAL AMOUNT of the Term Bonds required to be redeemed pursuant to the operation of the mandatory sinking fund redemption provisions shall be reduced, at the option of the

District by the principal amount of any Term Bonds of the stated maturity which, at least 50 days prior to a mandatory redemption date, (1) shall have been acquired by the District at a price not exceeding the principal amount of such Term Bonds plus accrued interest to the date of purchase thereof, and delivered to the Paying Agent/Registrar for cancellation, (2) shall have been purchased and canceled by the Paying Agent/Registrar at the request of the District with monies in the Debt Service Fund at a price not exceeding the principal amount of the Term Bonds plus accrued interest to the date of purchase thereof, or (3) shall have been redeemed pursuant to the optional redemption provisions and not theretofore credited against a mandatory sinking fund redemption requirement.

AT LEAST 30 calendar days prior to the date fixed for any redemption of Bonds or portions thereof prior to maturity a written notice of such redemption shall be sent by the Registrar by United States mail, first-class postage prepaid, to the Registered Owner of each Bond to be redeemed at its address as it appeared on the Register on the 45th calendar day prior to such redemption date at least 30 days prior to the date fixed for redemption and to major securities depositories and bond information services. By the date fixed for any such redemption due provision shall be made with the Registrar for the payment of the required redemption price for the Bonds or portions for which such payment is made, all as provided above. The Bonds or portions thereof which are to be so redeemed thereby automatically shall be treated as redeemed prior to their scheduled maturities, and they shall not bear interest after the date fixed for redemption, and they shall not be regarded as being outstanding except for the right of the Registered Owner to receive the redemption price from the Registrar out of the funds provided for such payment. If a portion of any Bond shall be redeemed, a substitute Bond or Bonds having the same maturity date, bearing interest at the same rate, in any authorized denomination or denominations, at the written request of the Registered Owner, and in aggregate principal amount equal to the unredeemed portion thereof, will be issued to the Registered Owner upon the surrender thereof for cancellation, at the expense of the District, all as provided in the Bond Order.

WITH RESPECT TO any optional redemption of the Bonds, unless certain prerequisites to such redemption required by the Bond Order have been met and moneys sufficient to pay the principal of and premium, if any, and interest on the Bonds to be redeemed shall have been received by the Paying Agent/Registrar prior to the giving of such notice of redemption, such notice shall state that said redemption may, at the option of the District, be conditional upon the satisfaction of such prerequisites and receipt of such moneys by the Paying Agent/Registrar on or prior to the date fixed for such redemption, or upon any prerequisite set forth in such notice of redemption. If a conditional notice of redemption is given and such prerequisites to the redemption and sufficient moneys are not received, such notice shall be of no force and effect, the District shall not redeem such Bonds and the Paying Agent/Registrar shall give notice, in the manner in which the notice of redemption was given, to the effect that the Bonds have not been redeemed.

ALL BONDS OF THIS SERIES are issuable solely as fully registered Bonds, without interest coupons, in the principal denomination in the case of the Bonds, of any integral multiple of \$5,000. As provided in the Bond Order, this Bond may, at the request of the Registered Owner or the assignee or assignees hereof, be assigned, transferred, converted into and exchanged for a like

aggregate amount of fully registered Bonds, without interest coupons, payable to the appropriate Registered Owner, assignee or assignees, as the case may be, having any authorized denomination or denominations as requested in writing by the appropriate Registered Owner, assignee or assignees, as the case may be, upon surrender of this Bond to the Registrar for cancellation, all in accordance with the form and procedures set forth in the Bond Order. Among other requirements for such assignment and transfer, this Bond must be presented and surrendered to the Registrar, together with proper instruments of assignment, in form and with guarantee of signatures satisfactory to the Registrar, evidencing assignment of this Bond or any portion or portions hereof in any authorized denomination to the assignee or assignees in whose name or names this Bond or any such portion or portions hereof is or are to be registered. The Form of Assignment printed or endorsed on this Bond may be executed by the Registered Owner to evidence the assignment hereof, but such method is not exclusive, and other instruments of assignment satisfactory to the Registrar may be used to evidence the assignment of this Bond or any portion or portions hereof from time to time by the Registered Owner. The Registrar's reasonable standard or customary fees and charges for assigning, transferring, converting and exchanging any Bond or portion thereof will be paid by the District. In any circumstance, any taxes or governmental charges required to be paid with respect thereto shall be paid by the one requesting such assignment, transfer, conversion or exchange, as a condition precedent to the exercise of such privilege. The Registrar shall not be required to make any such transfer, conversion or exchange of any Bond or any portion thereof (i) during the period commencing with the close of business on any Record Date and ending with the opening of business on the next following principal or Interest Payment Date or (ii) within 45 calendar days prior to its redemption date; provided, however, such limitation on transferability shall not be applicable to an exchange by the Registered Owner of the unredeemed balance hereof in the event of its redemption in part.

WHENEVER the beneficial ownership of this Bond is determined by a book entry at a securities depository for the Bonds, the foregoing requirements of holding, delivering or transferring this Bond shall be modified to require the appropriate person or entity to meet the requirements of the securities depository as to registering or transferring the book entry to produce the same effect.

IN THE EVENT any Registrar for the Bonds is changed by the District, resigns, or otherwise ceases to act as such, the District has covenanted in the Bond Order that it promptly will appoint a competent and legally qualified substitute therefor, and cause written notice thereof to be mailed to the Registered Owners of the Bonds.

THE BONDS are payable from the proceeds of an ad valorem tax, without legal limit as to rate or amount, levied upon all taxable property within the District. The Bond Order provides that the District reserves the right to consolidate with one or more conservation and reclamation districts, to consolidate its waterworks and sewer systems with the systems of such districts. The Bond Order further provides that the pledge of taxes, to the payment of the Bonds shall terminate at such time, if ever, as (i) money and/or Defeasance Securities are deposited with or made available to the Registrar in accordance with the Bond Order or (ii) a city dissolves the District, and assumes the obligations of the District pursuant to existing Texas law.

THE BONDS are issued pursuant to the Bond Order, whereunder the District covenants to levy a continuing direct annual ad valorem tax, without legal limit as to rate or amount, on all taxable property within the District, for each year while any part of the Bonds are considered outstanding under the provisions of the Bond Order, in sufficient amount, together with revenues and receipts available from other sources which are equally available for such purposes, to pay interest on the Bonds as it becomes due, to provide a sinking fund for the payment of the principal of the Bonds when due or the redemption price at any earlier required redemption date with respect to the Bonds, and to pay the expenses of assessing and collecting such tax, all as more specifically provided in the Bond Order. Reference is hereby made to the Bond Order for provisions with respect to the operation and maintenance of the District's facilities, the custody and application of funds, remedies in the event of a default hereunder or thereunder, and the other rights of the Registered Owners of the Bonds. By acceptance of this Bond the Registered Owner hereof consents to all of the provisions of the Bond Order, a certified copy of which is on file in the office of the District.

THE OBLIGATION to pay the principal of and the interest on this Bond is solely and exclusively the obligation of the District until such time, if ever, as the District is abolished and this Bond is assumed as described above. No other entity, including the State of Texas, any political subdivision thereof other than the District, or any other public or private body, is obligated, directly, indirectly, contingently, or in any other manner, to pay the principal of or the interest on this Bond from any source whatsoever. No part of the physical properties of the District, including the properties provided by the proceeds of the Bonds, is encumbered by any lien for the benefit of the Registered Owner of this Bond.

THE DISTRICT RESERVES THE RIGHT to issue additional bonds heretofore or hereafter duly authorized at elections held in the District payable from a lien on and pledge of taxes; revenue bonds, notes and other obligations payable solely from revenues of the District or revenues to be received under contracts with other persons, including private corporations, municipalities and political subdivisions or from any other source. The District further reserves the right to issue refunding bonds in any manner permitted by law to refund any bonds (including the Bonds) at or prior to their respective dates of maturity or redemption.

TO THE EXTENT permitted by and in the manner provided in the Bond Order, the terms and provisions of the Bond Order and the rights of the Registered Owners of the Bonds may be modified with, in certain circumstances, the consent of the Registered Owners of a majority in aggregate principal amount of the Bonds affected thereby; provided, however, that, without the consent of the Registered Owners of all of the Bonds affected, no such modification shall (i) extend the time or times of payment of the principal of and interest on the Bonds, reduce the principal amount thereof or the rate of interest thereon, or in any other way modify the terms of payment of the principal of or interest on the Bonds, (ii) give any preference to any Bond over any other Bond, or (iii) reduce the aggregate principal amount of the Bonds required for consent to any such modification.

THIS BOND shall not be valid or obligatory for any purpose or be entitled to any benefit under the Bond Order unless this Bond either (a) is registered by the Comptroller of Public Accounts of the State of Texas as evidenced by execution of the registration certificate endorsed hereon or (b) is authenticated as evidenced by execution of the authentication certificate endorsed hereon by the Registrar.

IT IS FURTHER CERTIFIED that the District has designated the Bonds as "qualified tax-exempt obligations" within the meaning of Section 265(b) of the Internal Revenue Code of 1986.

IT IS HEREBY CERTIFIED, COVENANTED, AND REPRESENTED that all acts, conditions, and things necessary to be done precedent to the issuance of the Bonds in order to render the same legal, valid, and binding obligations of the District have happened and have been accomplished and performed in regular and due time, form, and manner, as required by law; that provision has been made for the payment of the principal of and interest on the Bonds by the levy of a continuing, direct annual ad valorem tax upon all taxable property within the District and that issuance of the Bonds does not exceed any constitutional or statutory limitation. In the event that any provisions herein contained do or would, presently or prospectively, operate to make any part hereof void or voidable, such provisions shall be without effect or prejudice to the remaining provisions hereof, which shall nevertheless remain operative, and such violative provisions, if any, shall be reformed by a court of competent jurisdiction within the limits of the laws of the State of Texas.

IN WITNESS WHEREOF, the District has caused this Bond to be signed with the manual or facsimile signature of the President or Vice President of the Board of Directors of the District and countersigned with the manual or facsimile signature of the Secretary or Assistant Secretary of the Board of Directors of the District, and has caused the official seal of the District to be duly impressed, or placed in facsimile, on this Bond.

ARTICLE SEVEN

SECURITY OF THE BONDS

SECTION 7.01. SECURITY OF BONDS AND PERFECTION OF LIEN. The Bonds are secured by and payable from the levy of a continuing, direct annual ad valorem tax, without legal limitation as to rate or amount, upon all taxable property within the District.

Chapter 1208, Texas Government Code, applies to the issuance of the Bonds and the pledge of the ad valorem taxes granted by the District under this Bond Order, and is therefore valid, effective, and perfected. If Texas law is amended at any time while the Bonds are outstanding and unpaid such that the pledge of ad valorem taxes granted by the District under this Bond Order is to be subject to the filing requirements of Chapter 9, Business & Commerce Code, then in order to

preserve to the registered owners of the Bonds the perfection of the security interest in said pledge, the District agrees to take such measures as it determines are reasonable and necessary under Texas law to comply with the applicable provisions of Chapter 9, Business & Commerce Code and enable a filing to perfect the security interest in said pledge to occur.

SECTION 7.02. LEVY OF TAX. To pay the interest on the Bonds, and to create a sinking fund for the payment of the principal thereof when due, and to pay the expenses of assessing and collecting such taxes, there is hereby levied, and there shall be assessed and collected in due time, a continuing, direct annual ad valorem tax without limit as to rate or amount on all taxable property in the District for each year while any of the Bonds are outstanding. All of the proceeds of such collections, except expenses incurred in that connection, shall be paid into the Debt Service Fund, and the aforementioned tax and such payments into such fund shall continue until the Bonds and the interest thereon have been fully paid and discharged, and such proceeds shall be used for such purposes and no other. While said Bonds, or any of them, are outstanding and unpaid, an ad valorem tax will be ample and sufficient to provide funds to pay the interest on said Bonds and to provide the necessary sinking fund to pay the principal when due, full allowance being made for delinquencies and costs of collection, together with revenues and receipts from other sources that are legally available for such purpose, shall be levied and collected and applied to the payment of principal and interest on the Bonds, as follows:

(a) By September 1 in each year, or as soon thereafter as practicable, the Board shall consider the taxable property in the District and determine the actual rate per \$100 valuation of taxable property which is to be levied in that year and levy the tax against all taxable property in the District.

(b) In determining the actual rate to be levied in each year, the Board shall consider among other things:

- (i) the amount which should be levied for maintenance and operation purposes;
- (ii) the amount which should be levied for the payment of principal, interest, and redemption price of each series of bonds or notes payable in whole or in part from taxes;
- (iii) the amount which should be levied for the purpose of paying all other contractual obligations of the District payable in whole or in part from taxes; and
- (iv) the percentage of anticipated tax collections and the cost of collecting the taxes.

(c) In determining the amount of taxes which should be levied each year, the Board shall consider whether proceeds from the sale of Bonds have been placed in the Debt Service Fund to pay interest on the Bonds and whether the Board has deposited into the Debt Service Fund to have

revenue or receipts available from other sources which are legally available to pay debt service on the Bonds.

SECTION 7.03. PAYMENT OF BONDS AND PERFORMANCE OF OBLIGATIONS. The District covenants to pay promptly the principal of and interest on the Bonds as the same become due and payable, whether at maturity or by prior redemption, in accordance with the terms of the Bonds and this Bond Order, and to keep and perform faithfully all of its covenants, undertakings, and agreements contained in this Bond Order, or in any Bond executed, authenticated, and delivered hereunder.

SECTION 7.04. CONSOLIDATION OR DISSOLUTION OF DISTRICT. To the extent provided by law, the pledge of taxes set forth in Section 7.02 will terminate if a city takes over all properties and assets, assumes all debts, liabilities, and obligations, and performs all functions and services of the District, and the District is abolished pursuant to law.

The laws of the State of Texas permit the District to be consolidated with one or more conservation and reclamation districts. In the event the District is consolidated with another district or districts, the District reserves the right to:

(i) Consolidate the System with a similar system of one or more districts with which the District is consolidating and operate and maintain the systems as one consolidated system (herein for purposes of this section the "Consolidated System").

(ii) Apply the net revenues from the operation of the Consolidated System to the payment of principal, interest, redemption price and bank charges on the revenue bonds or the combination tax and revenue bonds (herein for purposes of this section the "Revenue Bonds") of the District and of the district or districts with which the District is consolidating (herein collectively the "Consolidating Districts") without preference to any series of bonds (except subordinate lien revenue bonds which shall continue to be subordinate to the first lien Revenue Bonds of the Consolidating Districts).

(iii) Pledge the net revenues of the Consolidated System to the payment of principal, interest, redemption price and bank charges on Revenue Bonds which may be issued by the Consolidating Districts on a parity with the outstanding first lien Revenue Bonds of the Consolidating Districts.

ARTICLE EIGHT

FLOW OF FUNDS AND INVESTMENTS

SECTION 8.01. CREATION OF FUNDS. The Debt Service Fund, the Operating Fund and the Series 2016 Capital Projects Fund are hereby created or confirmed. The Debt Service Fund shall be kept separate and apart from all other funds of the District. The Debt Service Fund

shall constitute a trust fund which shall be held in trust for the benefit of the owners of the Bonds. All other funds shall be used solely as provided in this Bond Order until all of the Bonds have been retired, both as to principal and interest.

SECTION 8.02. OPERATING FUND. The Operating Fund shall comprise the fund of the District for operating and maintaining the System and paying general and administrative expenses of the District. The District shall deposit to the credit of the Operating Fund all income or increment which may grow out of the ownership and operation of the System unless derived from contracts with other persons, including private corporations, municipalities, and political subdivisions which, under the terms of the authorizing orders, may be pledged for the requirements of the District's revenue bonds issued particularly to finance the facilities needed in performing any such contracts, and the District may deposit to the credit of the Operating Fund such other income or receipts of the District not otherwise required to be applied by this Bond Order. The Operating Fund shall be used solely to (i) pay all reasonable expenses of the administration, efficient operation, and adequate maintenance of the System, (ii) transfer from time to time any excess to the credit of the Debt Service Fund when needed to pay the obligations of the District payable therefrom, and (iii) pay any other expense of the District to the extent the balance of the Debt Service Fund and tax collections available for deposit thereto are sufficient to pay when due the obligations of the District payable from the Debt Service Fund.

SECTION 8.03 SERIES 2016 CAPITAL PROJECTS FUND. The Series 2016 Capital Projects Fund shall comprise a capital improvements fund of the District. The District shall deposit to the credit of the Series 2016 Capital Projects Fund the balance of the proceeds of the Bonds remaining after the deposits to the Debt Service Fund provided in Section 9.02 of this Bond Order. The Series 2016 Capital Projects Fund shall be applied solely to pay (i) the costs necessary or appropriate to accomplish such of the purposes for which the Bonds are issued as approved by the Commission with any surplus proceeds applied in accordance with the Bond Election and subject to the Commission's further approval or as authorized by Commission rules and (ii) the costs of issuing the Bonds. Interest earnings derived from the investment of proceeds from the sale of the Bonds deposited in the Series 2016 Capital Projects Fund shall be used for the purpose for which the Bonds are issued; provided that after completion of the purposes set forth in Section 3.01 of this Bond Order and as otherwise approved or authorized by the Commission any interest earnings remaining on hand shall be deposited in the Debt Service Fund.

SECTION 8.04 SECURITY OF FUNDS. Any cash balance in any fund, to the extent not insured by the Federal Deposit Insurance Corporation or its successor, shall be continuously secured in the manner provided by State law for the security of funds.

SECTION 8.05. DEBT SERVICE FUND. The District shall deposit or cause to be deposited into the Debt Service Fund the aggregate of the following at the time specified:

(a) As soon as practicable after the Bonds are sold, accrued interest on the Bonds from their date to the date of their delivery and capitalized interest, if any, on the Bonds; and

(b) The proceeds from collection of the ad valorem taxes levied, assessed and collected for and on account of the Bonds pursuant to Section 7.02 hereof, less costs of collection, as collected.

On or before the date for payment of the principal and/or Interest Payment Date on the Bonds, the Board of Directors shall cause the transfer of moneys out of the Debt Service Fund to the Registrar in an amount not less than that which is sufficient to pay the principal which matures on such date and the interest which accrues on such date. The District shall pay fees and charges of the Registrar for its services as paying agent and registrar for the Bonds from the Debt Service Fund.

SECTION 8.06. INVESTMENTS; EARNINGS. Moneys deposited into the Debt Service Fund, the Operating Fund and the Series 2016 Capital Projects Fund and any other fund or funds which the District may lawfully create may be invested or reinvested in Authorized Investments. All investments and any profits realized from and interest accruing on investments made from any fund may be transferred to the Debt Service Fund. If any moneys are so invested, the District shall have the right to have sold in the open market a sufficient amount of such investments to meet its obligations in the event any fund does not have sufficient uninvested funds on hand to meet the obligations payable out of such fund. After such sale the moneys resulting therefrom shall belong to the fund from which the moneys for such investments were initially taken. The District shall not be responsible to the Registered Owners for any loss arising out of the sale of any investments.

ARTICLE NINE

APPLICATION OF BOND PROCEEDS

SECTION 9.01. BOND PROCEEDS. Proceeds from the sale of the Bonds will be disbursed in accordance with this Article.

SECTION 9.02. ACCRUED AND CAPITALIZED INTEREST. Moneys received from the Initial Purchaser of the Bonds representing accrued interest on the Bonds from their date to the date of their actual delivery, if any, shall be deposited into the Debt Service Fund. PROVISIONS CONCERNING FEDERAL INCOME TAX EXCLUSION

SECTION 10.01. COVENANTS REGARDING TAX EXEMPTION OF INTEREST ON THE BONDS. (a) Covenants. The District covenants to take any action necessary to assure, or refrain from any action which would adversely affect, the treatment of the Bonds as obligations described in section 103 of the Internal Revenue Code of 1986, as amended (the "Code"), the interest on which is not includable in the "gross income" of the holder for purposes of federal income taxation. In furtherance thereof, the District covenants as follows:

(1) to take any action to assure that no more than 10 percent of the proceeds of the Bonds or the projects financed therewith (less amounts deposited to a reserve fund, if any) are used for any "private business use," as defined in section 141(b)(6) of the Code or, if more than 10 percent of the proceeds or the projects financed therewith are so used, such amounts, whether or not received by the District, with respect to such private business use, do not, under the terms of this Order or any underlying arrangement, directly or indirectly, secure or provide for the payment of more than 10 percent of the debt service on the Bonds, in contravention of section 141(b)(2) of the Code;

(2) to take any action to assure that in the event that the "private business use" described in subsection (1) hereof exceeds 5 percent of the proceeds of the Bonds or the projects financed therewith (less amounts deposited into a reserve fund, if any) then the amount in excess of 5 percent is used for a "private business use" which is "related" and not "disproportionate," within the meaning of section 141(b)(3) of the Code, to the governmental use;

(3) to take any action to assure that no amount which is greater than the lesser of \$5,000,000, or 5 percent of the proceeds of the Bonds (less amounts deposited into a reserve fund, if any) is directly or indirectly used to finance loans to persons, other than state or local governmental units, in contravention of section 141(c) of the Code;

(4) to refrain from taking any action which would otherwise result in the Bonds being treated as "private activity bonds" within the meaning of section 141(b) of the Code;

(5) to refrain from taking any action that would result in the Bonds being "federally guaranteed" within the meaning of section 149(b) of the Code;

(6) to refrain from using any portion of the proceeds of the Bonds, directly or indirectly, to acquire or to replace funds which were used, directly or indirectly, to acquire investment property (as defined in section 148(b)(2) of the Code) which produces a materially higher yield over the term of the Bonds, other than investment property acquired with –

(A) proceeds of the Bonds invested for a reasonable temporary period of 3 years or less or, in the case of a refunding bond, for a period of 30 days or less until such proceeds are needed for the purpose for which the Bonds are issued,

(B) amounts invested in a bona fide debt service fund, within the meaning of section 1.148-1(b) of the Treasury Regulations, and

(C) amounts deposited in any reasonably required reserve or replacement fund to the extent such amounts do not exceed 10 percent of the proceeds of the Bonds;

(7) to otherwise restrict the use of the proceeds of the Bonds or amounts treated as proceeds of the Bonds, as may be necessary, so that the Bonds do not otherwise contravene the requirements of section 148 of the Code (relating to arbitrage) and, to the extent applicable, section 149(d) of the Code (relating to advance refundings); and

(8) to pay to the United States of America at least once during each five-year period (beginning on the date of delivery of the Bonds) an amount that is at least equal to 90 percent of the "Excess Earnings," within the meaning of section 148(f) of the Code and to pay to the United States of America, not later than 60 days after the Bonds have been paid in full, 100 percent of the amount then required to be paid as a result of Excess Earnings under section 148(f) of the Code.

(b) Rebate Fund. In order to facilitate compliance with the above covenant (8), a "Rebate Fund" is hereby established by the District for the sole benefit of the United States of America, and such fund shall not be subject to the claim of any other person, including without limitation the bondholders. The Rebate Fund is established for the additional purpose of compliance with section 148 of the Code.

(c) Proceeds. The District understands that the term "proceeds" includes "disposition proceeds" as defined in the Treasury Regulations and, in the case of refunding bonds, transferred proceeds (if any) and proceeds of the refunded bonds expended prior to the date of issuance of the Bonds. It is the understanding of the District that the covenants contained herein are intended to assure compliance with the Code and any regulations or rulings promulgated by the U.S. Department of the Treasury pursuant thereto. In the event that regulations or rulings are hereafter promulgated which modify or expand provisions of the Code, as applicable to the Bonds, the District will not be required to comply with any covenant contained herein to the extent that such failure to comply, in the opinion of nationally recognized bond counsel, will not adversely affect the exemption from federal income taxation of interest on the Bonds under section 103 of the Code. In the event that regulations or rulings are hereafter promulgated which impose additional requirements which are applicable to the Bonds, the District agrees to comply with the additional requirements to the extent necessary, in the opinion of nationally recognized bond counsel, to preserve the exemption from federal income taxation of interest on the Bonds under section 103 of the Code. In furtherance of such intention, the District hereby authorizes and directs the President or Vice President to execute any documents, certificates or reports required by the Code and to make such elections, on behalf of the District, which may be permitted by the Code as are consistent with the purpose for the issuance

of the Bonds. This Order is intended to satisfy the official intent requirements set forth in Section 1.150-2 of the Treasury Regulations.

(d) Allocation Of, and Limitation On, Expenditures for the Project. The District covenants to account for the expenditure of sale proceeds and investment earnings to be used for the purposes described in Section 3.01 of this Order (the "Project") on its books and records in accordance with the requirements of the Code. The District recognizes that in order for the proceeds to be considered used for the reimbursement of costs, the proceeds must be allocated to expenditures within 18 months of the later of the date that (1) the expenditure is made, or (2) the Project is completed; but in no event later than three years after the date on which the original expenditure is paid. The foregoing notwithstanding, the District recognizes that in order for proceeds to be expended under the Code, the sale proceeds or investment earnings must be expended no more than 60 days after the earlier of (1) the fifth anniversary of the delivery of the Bonds, or (2) the date the Bonds are retired. The District agrees to obtain the advice of nationally-recognized bond counsel if such expenditure fails to comply with the foregoing to assure that such expenditure will not adversely affect the tax-exempt status of the Bonds. For purposes hereof, the District shall not be obligated to comply with this covenant if it obtains an opinion that such failure to comply will not adversely affect the excludability for federal income tax purposes from gross income of the interest.

(e) Disposition of Project. The District covenants that the property constituting the Project will not be sold or otherwise disposed in a transaction resulting in the receipt by the District of cash or other compensation, unless the District obtains an opinion of nationally-recognized bond counsel that such sale or other disposition will not adversely affect the tax-exempt status of the Bonds. For purposes of the foregoing, the portion of the property comprising personal property and disposed in the ordinary course shall not be treated as a transaction resulting in the receipt of cash or other compensation. For purposes hereof, the District shall not be obligated to comply with this covenant if it obtains an opinion that such failure to comply will not adversely affect the excludability for federal income tax purposes from gross income of the interest.

(f) Designation as Qualified Tax-Exempt Obligations. The District hereby designates the Bonds as "qualified tax-exempt obligations" as defined in section 265(b)(3) of the Code, conditioned upon the Initial Purchaser identified in Section 15.01 hereof certifying that the aggregate initial offering price of the Bonds to the public (excluding any accrued interest) is no greater than \$10,000,000 (or such amount permitted by section 265 of the Code). Assuming such condition is met, in furtherance of such designation, the District represents, covenants and warrants the following: (a) that during the calendar year in which the Bonds are issued, the District (including any subordinate entities) has not designated nor will designate bonds, which when aggregated with the Bonds, will result in more than \$10,000,000 (or such amount permitted by section 265 of the Code) of "qualified tax-exempt obligations" being issued; (b) that the District reasonably anticipates that the amount of tax-exempt obligations issued during the calendar year in which the Bonds are issued, by the District (or any subordinate entities) will not exceed \$10,000,000 (or such amount permitted by section 265 of the Code); and, (c) that the District will take such action or refrain from such action

as necessary, and as more particularly set forth in this Section, in order that the Bonds will not be considered "private activity bonds" within the meaning of section 141 of the Code.

ARTICLE ELEVEN

ARTICLE TWELVE

DEFAULT PROVISIONS

SECTION 12.01. REMEDIES IN EVENT OF DEFAULT. In addition to any other rights and remedies provided by the laws of the State of Texas, the District covenants and agrees that in the event of default in payment of principal of or interest on any of the Bonds when due, or, in the event it fails to make the payments required to be made into the Debt Service Fund, or defaults in the observance or performance of any other of the covenants, conditions, or obligations set forth in this Bond Order for a period of 60 days after receiving written notice of such default by any Registered Owner, the Registered Owners shall be entitled to a writ of mandamus issued by a court of competent jurisdiction compelling and requiring the District and the officials thereof to observe and perform the covenants, obligations, or conditions prescribed in this Bond Order. Any delay or omission to exercise any right or power or be construed to be a waiver of any such default or acquiescence therein, and every such right and power may be exercised from time to time and as often as may be deemed expedient.

SECTION 12.02. BOND ORDER IS CONTRACT. In consideration of the purchase and acceptance of the Bonds authorized to be issued hereunder by the Registered Owners, the provisions of this Bond Order shall be deemed to be and shall constitute a contract between the District and the Registered Owners; and the covenants and agreements herein set forth to be performed on behalf of the District shall be for the equal benefit, protection, and security of each of the Registered Owners. The Bonds, regardless of the time or times of their issue or maturity, shall be of equal rank without preference, priority, or distinction of any Bond over any other, except as expressly provided herein.

ARTICLE THIRTEEN

DISCHARGE BY DEPOSIT

SECTION 13.01. DEFEASANCE OF BONDS. (a) Any Bond and the interest thereon shall be deemed to be paid, retired and no longer outstanding (a "Defeased Bond") within the meaning of this Bond Order, except to the extent provided in subsections (c) and (e) of this Section, when payment of the principal of such Bond, plus interest thereon to the due date or dates (whether such due date or dates be by reason of maturity, upon redemption, or otherwise) either (i) shall have been made or caused to be made in accordance with the terms thereof (including the giving of any required notice of redemption or the establishment of irrevocable provisions for the giving of such notice) or (ii) shall have been provided for on or before such due date by irrevocably depositing with or making available to the Paying Agent/Registrar or an eligible trust company or commercial bank for such payment (1) lawful money of the United States of America sufficient to make such payment, (2) Defeasance Securities, certified by an independent public accounting firm of national reputation to mature as to principal and interest in such amounts and at such times as will ensure the availability, without reinvestment, of sufficient money to provide for such payment and when proper arrangements have been made by the District with the Paying Agent/Registrar or an eligible trust company or commercial bank for the payment of its services until all Defeased Bonds shall have become due and payable or (3) any combination of (1) and (2). At such time as a Bond shall be deemed to be a Defeased Bond hereunder, as aforesaid, such Bond and the interest thereon shall no longer be secured by, payable from, or entitled to the benefits of, the ad valorem taxes herein levied as provided in this Bond Order, and such principal and interest shall be payable solely from such money or Defeasance Securities.

(b) The deposit under clause (ii) of subsection (a) shall be deemed a payment of a Bond as aforesaid when proper notice of redemption of such Bonds shall have been given or upon the establishment of irrevocable provisions for the giving of such notice, in accordance with this Bond Order. Any money so deposited with the Paying Agent/Registrar or an eligible trust company or commercial bank as provided in this Section may at the discretion of the Board of Directors also be invested in Defeasance Securities, maturing in the amounts and at the times as hereinbefore set forth, and all income from all Defeasance Securities in possession of the Paying Agent/Registrar or an eligible trust company or commercial bank pursuant to this Section which is not required for the

payment of such Bond and premium, if any, and interest thereon with respect to which such money has been so deposited, shall be turned over to the Board of Directors.

(c) Notwithstanding any provision of any other Section of this Bond Order which may be contrary to the provisions of this Section, all money or Defeasance Securities set aside and held in trust pursuant to the provisions of this Section for the payment of principal of the Bonds and premium, if any, and interest thereon, shall be applied to and used solely for the payment of the particular Bonds and premium, if any, and interest thereon, with respect to which such money or Defeasance Securities have been so set aside in trust. Until all Defeased Bonds shall have become due and payable, the Paying Agent/Registrar shall perform the services of Paying Agent/Registrar for such Defeased Bonds the same as if they had not been defeased, and the District shall make proper arrangements to provide and pay for such services as required by this Bond Order.

(d) Notwithstanding anything elsewhere in this Bond Order, if money or Defeasance Securities have been deposited or set aside with the Paying Agent/Registrar or an eligible trust company or commercial bank pursuant to this Section for the payment of Bonds and such Bonds shall not have in fact been actually paid in full, no amendment of the provisions of this Section shall be made without the consent of the registered owner of each Bond affected thereby.

(e) Notwithstanding the provisions of subsection (a) immediately above, to the extent that, upon the defeasance of any Defeased Bond to be paid at its maturity, the District retains the right under Texas law to later call that Defeased Bond for redemption in accordance with the provisions of the order authorizing its issuance, the District may call such Defeased Bond for redemption upon complying with the provisions of Texas law and upon the satisfaction of the provisions of subsection (a) immediately above with respect to such Defeased Bond as though it was being defeased at the time of the exercise of the option to redeem the Defeased Bond and the effect of the redemption is taken into account in determining the sufficiency of the provisions made for the payment of the Defeased Bond.

ARTICLE FOURTEEN

SECTION 14.07. SEVERABILITY CLAUSE. If any word, phrase, clause, sentence, paragraph, section, or other part of this Bond Order, or the application thereof to any person or circumstance, shall ever be held to be invalid or unconstitutional by any court of competent jurisdiction, the remainder of this Bond Order and the application of such word, phrase, clause, sentence, paragraph, section, or other part of this Bond Order to any other persons or circumstances shall not be affected thereby.

The President of the Board of Directors of the District and representatives of McCall, Parkhurst & Horton L.L.P. are hereby authorized and directed to submit the Initial Bond and a transcript of the proceedings relating to the issuance of the Bonds to the Attorney General of the State of Texas for approval and, following said approval, to submit the Initial Bond to the Comptroller of Public Accounts of the State of Texas for registration. ARTICLE SEVENTEEN

AMENDMENTS

SECTION 17.01. AMENDMENTS. (a) Amendment with Consent of Owners of 51% of Bonds. The owners of 51% in aggregate principal amount of then outstanding Bonds shall have the right from time to time to approve any amendment to this Bond Order which may be deemed necessary or desirable by the District; provided however, that, other than as permitted by subsection (f) of this Section 17.01, nothing herein contained shall permit or be construed to permit the amendment, without the consent of the owner of each of the outstanding Bonds affected thereby, of the terms and conditions of this Bond Order or the Bonds so as to:

- (1) change debt service requirements, interest payment dates or the maturity or maturities of the outstanding Bonds;
- (2) reduce the rate of interest borne by any of the outstanding Bonds;

- (5) affect the right of the Registered Owners of less than all of the Bonds then outstanding; or
- (6) decrease the minimum percentage of the principal amount of Bonds necessary for consent to any such amendment.

(b) Notice of Amendment. If at any time the District shall desire to amend this Bond Order it may cause a written notice of the proposed amendment to be published at least once on a business day in a financial newspaper, journal, or publication of general circulation in the City of New York, New York, or in the State of Texas. If, because of temporary or permanent suspension of the publication or general circulation of all such newspapers, journals, or publications, it is impossible or impractical to publish such notice in the manner provided herein, then such publication in lieu thereof as shall be made by the Registrar shall constitute a sufficient publication of notice. In addition to such publication, the Registrar shall cause a written notice of the proposed amendment to be given by registered or certified mail to Registered Owners of the Bonds as shown on the Register maintained by the Registrar; provided, however, that failure to receive such written notice of the proposed amendment, or any defect therein or in the mailing thereof, shall not affect the validity of any proceeding in connection with, or the adoption of, such amendment. Such notice shall briefly set forth the nature of the proposed amendment and shall state that a copy thereof is on file at the principal office of the Registrar for inspection by all Registered Owners of Bonds.

(c) Consent to Amendment. (e) Consent of Registered Owners. Any consent given by a Registered Owner pursuant to the provisions of this Section shall be irrevocable for a period of six months from the date of the first publication of the notice provided for in this Section, and shall be conclusive and binding upon all future owners of the Bonds during such period. Such consent may be revoked by the Registered

Owner who gave such consent at any time after six months from the date of the first giving of such notice, or by a successor in title, by filing notice thereof with the Registrar and the District, but such revocation shall not be effective if the Registered Owners of 51% in aggregate principal amount of the then outstanding Bonds have, prior to the attempted revocation, consented to and approved the amendment.

(f) Amendments Without Consent. Notwithstanding the provisions of (a) through (e) of this Section, and without notice of the proposed amendment and without the consent of the Registered Owners. The District may, at any time, amend this Bond Order to cure any ambiguity or to cure, correct, or supplement any defective or inconsistent provision contained therein, or to make any other change that does not in any respect materially and adversely affect the interest of the Registered Owners, provided that no such amendment shall be made contrary to the provision to Section 17.01 (a), and a duly certified or executed copy of each such amendment shall be filed with the Registrar.

(c) Limitations, Disclaimers, and Amendments. The District shall be obligated to observe and perform the covenants specified in this Section for so long as, but only for so long as, the District remains an "obligated person" with respect to the Bonds within the meaning of the Rule, except that the District in any event will give notice of any deposit made in accordance with Section 13.01 of this Order that causes the Bonds no longer to be outstanding.

The provisions of this Section are for the sole benefit of the holders and beneficial owners of the Bonds, and nothing in this Section, express or implied, shall give any benefit or any legal or equitable right, remedy, or claim hereunder to any other person. The District undertakes to provide only the financial information, operating data, financial statements, and notices which it has expressly agreed to provide pursuant to this Section and does not hereby undertake to provide any other information that may be relevant or material to a complete presentation of the District's financial results, condition, or prospects or hereby undertake to update any information provided in accordance with this Section or otherwise, except as expressly provided herein. The District does not make any representation or warranty concerning such information or its usefulness to a decision to invest in or sell Bonds at any future date.

UNDER NO CIRCUMSTANCES SHALL THE DISTRICT BE LIABLE TO THE HOLDER OR BENEFICIAL OWNER OF ANY BOND OR ANY OTHER PERSON, IN CONTRACT OR TORT, FOR DAMAGES RESULTING IN WHOLE OR IN PART FROM ANY BREACH BY THE DISTRICT, WHETHER NEGLIGENT OR WITHOUT FAULT ON ITS PART, OF ANY COVENANT SPECIFIED IN THIS SECTION, BUT EVERY RIGHT AND REMEDY OF ANY SUCH PERSON, IN CONTRACT OR TORT, FOR OR ON ACCOUNT OF ANY SUCH BREACH SHALL BE LIMITED TO AN ACTION FOR *MANDAMUS* OR SPECIFIC PERFORMANCE.

No default by the District in observing or performing its obligations under this Section shall comprise a breach of or default under this Order for purposes of any other provision of this Order.

Should the Rule be amended to obligate the District to make filings with or provide notices to entities other than the MSRB, the District hereby agrees to undertake such obligation with respect to the Bonds in accordance with the Rule as amended.

Nothing in this Section is intended or shall act to disclaim, waive, or otherwise limit the duties of the District under federal and state securities laws.

The provisions of this Section may be amended by the District from time to time to adapt to changed circumstances that arise from a change in legal requirements, a change in law, or a change

in the identity, nature, status, or type of operations of the District, but only if (1) the provisions of this Section, as so amended, would have permitted an underwriter to purchase or sell Bonds in the primary offering of the Bonds in compliance with the Rule, taking into account any amendments or interpretations of the Rule since such offering as well as such changed circumstances and (2) either (a) the holders of a majority in aggregate principal amount (or any greater amount required by any other provision of this Order that authorizes such an amendment) of the outstanding Bonds consents to such amendment or (b) a person that is unaffiliated with the District (such as nationally recognized bond counsel) determines that such amendment will not materially impair the interest of the holders and beneficial owners of the Bonds. If the District so amends the provisions of this Section, it shall include with any amended financial information or operating data next provided in accordance with paragraph (a) of this Section an explanation, in narrative form, of the reason for the amendment and of the impact of any change in the type of financial information or operating data so provided. The District may also amend or repeal the provisions of this continuing disclosure agreement if the SEC amends or repeals the applicable provision of the Rule or a court of final jurisdiction enters judgment that such provisions of the Rule are invalid, but only if and to the extent that the provisions of this sentence would not prevent an underwriter from lawfully purchasing or selling Bonds in the primary offering of the Bonds.

The Bank agrees to keep and maintain for and on behalf of the Issuer at the Bank Office books and records (herein sometimes referred to as the "Security Register"), and, if the Bank Office is located outside the State of Texas, a copy of such books and records shall be kept in the State of Texas, for recording the names and addresses of the Holders of the Securities, the transfer, exchange and replacement of the Securities and the payment of the principal of and interest on the Securities to the Holders and containing such other information as may be reasonably required by the Issuer and subject to such reasonable regulations as the Issuer and the Bank may prescribe. The Bank also agrees to keep a copy of the Security Register within the State of Texas. All transfers, exchanges and replacement of Securities shall be noted in the Security Register.

Every Security surrendered for transfer or exchange shall be duly endorsed or be accompanied by a written instrument of transfer, the signature on which has been guaranteed by an officer of a federal or state bank or a member of the Financial Industry Regulatory Authority, in form satisfactory to the Bank, duly executed by the Holder thereof or his agent duly authorized in writing.

The Bank may request any supporting documentation it feels necessary to effect a re-registration, transfer or exchange of the Securities.

To the extent possible and under reasonable circumstances, the Bank agrees that, in relation to an exchange or transfer of Securities, the exchange or transfer by the Holders thereof will be completed and new Securities delivered to the Holder or the assignee of the Holder in not more than three (3) business days after the receipt of the Securities to be cancelled in an exchange or transfer and the written instrument of transfer or request for exchange duly executed by the Holder, or his duly authorized agent, in form and manner satisfactory to the Paying Agent/Registrar.

Section 4.02. Certificates.

The Issuer shall provide an adequate inventory of printed Securities certificates to facilitate transfers or exchanges thereof. The Bank covenants that the inventory of printed Securities certificates will be kept in safekeeping pending their use, and reasonable care will be exercised by the Bank in maintaining such Securities certificates in safekeeping, which shall be not less than the level of care maintained by the Bank for debt securities of other political subdivisions or corporations for which it serves as registrar, or that it maintains for its own securities.

Section 4.03. Form of Security Register.

The Bank, as Registrar, will maintain the Security Register relating to the registration, payment, transfer and exchange of the Securities in accordance with the Bank's general practices and procedures in effect from time to time. The Bank shall not be obligated to maintain such Security Register in any form other than those which the Bank has currently available and currently utilizes at the time.

The Security Register may be maintained in written form or in any other form capable of being converted into written form within a reasonable time.

Section 4.04. List of Security Holders.

The Bank will provide the Issuer at any time requested by the Issuer, upon payment of the required fee, a copy of the information contained in the Security Register. The Issuer may also inspect the information contained in the Security Register at any time the Bank is customarily open for business, provided that reasonable time is allowed the Bank to provide an up-to-date listing or to convert the information into written form.

The Bank will not release or disclose the contents of the Security Register to any person other than to, or at the written request of, an authorized officer or employee of the Issuer, except upon receipt of a court order or as otherwise required by law. Upon receipt of a court order or other notice of a legal proceeding and prior to the release or disclosure of any of the contents of the Security Register, the Bank will notify the Issuer so that the Issuer may contest the same or such release or disclosure of the contents of the Security Register.

Section 4.05. Return of Cancelled Certificates.

The Bank will, at such reasonable intervals as it determines, surrender to the Issuer, Securities in lieu of which or in exchange for which other Securities have been issued, or which have been paid.

Section 4.06. Mutilated, Destroyed, Lost or Stolen Securities.

The Issuer hereby instructs the Bank, subject to the applicable provisions of the Order, to deliver and issue Securities certificates in exchange for or in lieu of mutilated, destroyed, lost, or stolen Securities certificates as long as the same does not result in an overissuance.

In case any Security shall be mutilated, or destroyed, lost or stolen, the Bank, in its discretion, may execute and deliver a replacement Security of like form and tenor, and in the same denomination and bearing a number not contemporaneously outstanding, in exchange and substitution for such mutilated Security, or in lieu of and in substitution for such destroyed lost or stolen Security, only after (i) the filing by the Holder thereof with the Bank of evidence satisfactory to the Bank of the destruction, loss or theft of such Security, and of the authenticity of the ownership thereof and (ii) the furnishing to the Bank of indemnification in an amount satisfactory to hold the Issuer and the Bank harmless. The Bank is also authorized to transfer funds relating to the closing and initial delivery of the securities in the manner disclosed in the closing memorandum approved by the Issuer as prepared by the Issuer's financial advisor or other agent. The Bank may act on a facsimile transmission of the closing memorandum to be followed by an original of the closing memorandum signed by the financial advisor or the Issuer.

Section 5.02. Reliance on Documents, Etc.

(a) The Bank may conclusively rely, as to the truth of the statements and correctness of the opinions expressed therein, on certificates or opinions furnished to the Bank by the Issuer.

(b) The Bank shall not be liable for any error of judgment made in good faith by a Responsible Officer, unless it shall be proven that the Bank was negligent in ascertaining the pertinent facts.

(c) No provisions of this Agreement shall require the Bank to expend or risk its own funds or otherwise incur any financial liability for performance of any of its duties hereunder, or in the exercise of any of its rights or powers, if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity satisfactory to it against such risks or liability is not assured to it.

(d) The Bank may rely and shall be protected in acting or refraining from acting upon any Order, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, note, security, or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties. Without limiting the generality of the foregoing statement, the Bank need not examine the ownership of any Securities, but is protected in acting upon receipt of Securities certificates containing an endorsement or instruction of transfer or power of transfer which appears on its face to be signed by the Holder or an agent of the Holder. The Bank shall not be bound to make any investigation into the facts or matters stated in an Order, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, note, security, or other paper or document supplied by the Issuer.

(e) The Bank may consult with legal counsel, and the written advice of such counsel or any opinion of counsel shall be full and complete authorization and protection with respect to any action taken, suffered, or omitted by it hereunder in good faith and in reliance thereon, provided that any such written advice or opinion is supplied to the Issuer by the Bank.

(f) The Bank may exercise any of the powers hereunder and perform any duties hereunder either directly or by or through agents or attorneys of the Bank.

Section 5.03. Recitals of Issuer.

The recitals contained herein with respect to the Issuer and in the Securities shall be taken as the statements of the Issuer, and the Bank assumes no responsibility for their correctness.

The Bank shall in no event be liable to the Issuer, any Holder or Holders of any Security, or any other Person for any amount due on any Security from its own funds.

Section 5.04. May Hold Securities.

The Bank, in its individual or any other capacity, may become the owner or pledgee of Securities and may otherwise deal with the Issuer with the same rights it would have if it were not the Paying Agent/Registrar, or any other agent.

Section 5.05. Moneys Held by Bank.

The Bank shall deposit any moneys received from the Issuer into a segregated account to be held by the Bank solely for the benefit of the owners of the Securities to be used solely for the payment of the Securities, with such moneys in the account that exceed the deposit insurance available to the Issuer by the Federal Deposit Insurance Corporation, to be fully collateralized with securities or obligations that are eligible under the laws of the State of Texas to secure and be pledged as collateral for such accounts until the principal and interest on such securities have been presented for payment and paid to the owner thereof. Payments made from such account shall be made by check drawn on such account unless the owner of such Securities shall, at its own expense and risk, request such other medium of payment.

Subject to the Unclaimed Property Law of the State of Texas, any money deposited with the Bank for the payment of the principal, premium (if any), or interest on any Security and remaining unclaimed for three years after the final maturity of the Security has become due and payable will be paid by the Bank to the Issuer if the Issuer so elects, and the Holder of such Security shall hereafter look only to the Issuer for payment thereof, and all liability of the Bank with respect to such monies shall thereupon cease. If the Issuer does not elect, the Bank is directed to report and dispose of the funds in compliance with Title Six of the Texas Property Code, as amended.

Section 5.06. Indemnification.

To the extent permitted by law, the Issuer agrees to indemnify the Bank for, and hold it harmless against, any loss, liability, or expense incurred without negligence or bad faith on the Bank's part, arising out of or in connection with the Bank's acceptance or administration of its duties hereunder, including the cost and expense incurred by the Bank in defending against any claim or from liability imposed on the Bank in connection with the Bank's exercise or performance of any of its powers or duties under this Agreement.

Section 5.07. Interpleader.

The Issuer and the Bank agree that the Bank may seek adjudication of any adverse claim, demand, or controversy over its person as well as funds on deposit, in either a Federal or State District Court located in the Travis County, Texas, and agree that service of process by certified or registered mail, return receipt requested, to the address referred to in Section 6.03 of this Agreement shall constitute adequate service. The Issuer and the Bank further agree that the Bank has the right to file a Bill of Interpleader in any court of competent jurisdiction in Travis County, Texas to determine the rights of any Person claiming any interest herein.

Section 5.08. Depository Trust Company Services.

It is hereby represented and warranted that, in the event the Securities are otherwise qualified and accepted for "Depository Trust Company" services or equivalent depository trust services by other organizations, the Bank has the capability and, to the extent within its control, will comply with the "Operational Arrangements," effective August 1, 1987, which establishes requirements for securities to be eligible for such type depository trust services, including, but not limited to, requirements for the timeliness of payments and funds availability, transfer turnaround time, and notification of redemptions and calls.

Attached hereto is a copy of the Blanket Issuer Letter of Representations between the Issuer and The Depository Trust Company, New York, New York, providing for the Bonds to be issued in a Book-Entry Only System. The Bank and the Issuer hereby confirm their obligations under such Letter of Representation.
