Re: Request for consent to creation of Hays County Emergency Services District No. 9

Dear Mayor Adler and Austin City Council Members:

Laurie Taylor, James M. Swisher and John T. Mills have filed the attached petition for creation of Hays County Emergency Services District No. 9 (the "District"). The District is proposed for the purpose of funding emergency medical services in the area. The Commissioners Court of Hays County has accepted the petition and held a public hearing to consider whether to grant the petition. Because a small portion of the District is within the City of Austin's extraterritorial jurisdiction ("Austin ETJ"), the City must consent to the inclusion of this area within the District in order for it to be included within the District. (Texas Health & Safety Code §775.014). This letter serves as a formal request that the City consent to creation of the proposed District and allow the District to include the City's extraterritorial jurisdiction.

The petitioners respectfully request to be placed on the City of Austin's agenda as soon as possible, and before July 31st at the latest, under an item titled, "Discuss and consider consenting to creation of the proposed Hays County Emergency Services District No. 9."

A map of the District and the metes and bounds description are included in the attached petition. The Austin ETJ area is very small and to the East of Williamson Road, which is the boundary of the proposed district, in Northeastern Hays County. It is surrounded on three sides by the ETJs of Creedmoor and Neiderwald and the Creedmoor City limits. The map of the proposed district is attached to the petition. In addition, I have enclosed maps of the Austin ETJ area that overlaps the proposed district for your reference.

The petitioners respectfully request that you consent to including the City's extraterritorial jurisdiction in Hays County Emergency Services District No. 9 by adopting a resolution similar to the attached and approving the request in writing.
