- FY 2017-21 Proposed Capital Plan Summary

#### Financial Policy No. 8 (Revised FY 2013)

- Capital improvement projects for new water and wastewater treatment plants, capital expansions, and growth-related projects that are located in the Drinking Water Protection Zone (DWPZ) will be identified and submitted, as part of the annual budget process, to the following Boards and Commissions: Water and Wastewater Commission, Resource Management Commission, Environmental Board, Planning Commission, and the Zoning and Platting Commission.
- These Boards and Commissions will review growth-related DWPZ capital projects spending plans, obtain Board and Commission and citizen input, review consistency with Imagine Austin Comprehensive Plan, review effect on growth within the DWPZ, and make recommendations on project approval for inclusion in Austin Water Utility's 5-year capital spending plans.

# **DWPZ Projects in Proposed FY 2017-21 Capital Spending Plan**

The following Capital Improvement Program (CIP) for water and wastewater treatment plants, capital expansions, and growth related projects are located in the Drinking Water Protection Zone (DWPZ). These projects represent improvements required to meet Austin Water standards for operability and customer service. While additional capacity may be added in accordance with current design standards, it is to meet the demands of existing or agreed upon future customers rather than supporting additional growth.
