Recommendation Number: 20160622-004-a2 : Discussion and possible action to recommend that the City Council consider the following resolutions.

BE IT RESOLVED that the Hispanic/Latino Quality of Life Resource Advisory Commission requests that the Austin City Council:

Enhance funding for the Language Interpretation/Translation project for the amount of \$250,000. As a city-wide effort with similar recommendations being approved by the Asian American Quality of Life Advisory Commission, a larger budget is needed for translation/interpretation in departments that interact with minorities. Without adequate funding, a health and safety risk is presented to language minority community members.

Date of Approval:
